

6110.3200 GOAL OF WATER SURFACE USE MANAGEMENT.

The goal of water surface use management shall be to enhance the recreational use, safety, and enjoyment of the water surface of Minnesota and to preserve these water resources in a way that reflects the state's paramount concern for the protection of its natural resources. In pursuit of that goal, an ordinance or rule shall:

- A. where practical and feasible, accommodate all compatible recreational uses;
- B. minimize adverse impact on natural resources;
- C. minimize conflicts between users in a way that provides for maximum use, safety, and enjoyment; and
- D. conform to the standards set in part 6110.3700.
