

6115.0450 INSPECTIONS.

Owners of dams shall allow the commissioner prompt access to and inspection of all records, plants, structures, facilities, and operations at all reasonable times. Entry is subject to reasonable compliance with the owner's safety rules and avoidance of unreasonable impairment of or interference with construction and operation. Inspection shall be limited to testing and observing rather than supervising and shall not relieve the owner from the full responsibility of providing adequate inspection and supervision.
