

6232.3600 SEASONS AND DATES FOR TAKING MOOSE.

Moose may be taken by licensed hunters, in those years when a moose season is authorized by the commissioner, using legal firearm or legal bow and arrow within the following seasons:

A. in the Northwest Area (except the Agassiz Area) consisting of Moose Zones 1 to 17, when opened by the commissioner, for the nine-day period beginning the Saturday nearest October 11;

B. in the Agassiz Area consisting of Moose Zone 2, when opened by the commissioner, for the nine-day period beginning the Saturday nearest December 3; and

C. in the Northeast Area consisting of Moose Zones 20 to 80, when opened by the commissioner, for the 16-day period beginning the Saturday nearest October 1.

Open zones and date changes, if any, can be found in the annual hunting regulations.
