

7001.0040 APPLICATION DEADLINES.

Subpart 1. **Application for new permit.** Except as otherwise required by parts 7001.0530 and 7001.1040 or chapter 7090, a permit application for a new facility or activity may be submitted at any time. However, it is recommended that the permit application be submitted at least 180 days before the planned date of the commencement of facility construction or of the activity.

Subp. 2. **Modification or revocation and reissuance of existing permits.** If a permit has been issued by the agency, the person holding the permit may file with the agency, at any time, a written application for modification of the permit or for revocation and reissuance of the permit; except that if the reason for the application is the adoption by a federal agency of a new or amended pollution standard, limitation, or effluent guideline the permittee shall file an application within the time for filing specified by the federal agency as a part of the notice of adoption published in the Federal Register.

Subp. 3. **Reissuance of existing permits.** If a permit has been issued by the agency and the person holding the permit desires to continue the permitted activity beyond the expiration date of the permit, the person shall submit a written application for permit reissuance at least 180 days before the expiration date of the existing permit.

Subp. 4. **Preliminary application for new mixed municipal solid waste land disposal facility.** Applicants shall submit a preliminary permit application for a new mixed municipal solid waste or a new municipal solid waste combustor ash land disposal facility at least 90 days before the anticipated start of a detailed site investigation.
