

7001.4300 VARIANCES.

Any person who applies for a variance from any requirement of parts 7001.4200 to 7001.4250 shall comply with part 7000.7000. An application for a variance must be acted on by the agency pursuant to part 7000.7000 and Minnesota Statutes, section 116.07, subdivision 5. However, no variance may be granted that would result in noncompliance with applicable federal rules and regulations for aboveground storage tanks.
