

7045.0248 LICENSE RENEWAL APPLICATION.

Subpart 1. **Applicability.** A licensed generator must submit a license renewal application to the commissioner on forms provided by the commissioner. A generator must submit the application by a date specified by the commissioner. The application must contain the following information for each hazardous waste produced during the preceding calendar year:

A. any changes to information submitted under part 7045.0230, subpart 1, items A to F;

B. for large quantity generators, by March 1 of every even-numbered year, the information required for the biennial report required by the EPA under Code of Federal Regulations, title 40, section 262.41;

C. any additional information requested by the commissioner regarding the generator or the waste produced and managed by the generator and which is necessary to a decision on the application; and

D. the following certification signed by the generator or authorized representative:

"I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment."

Subp. 2. [Repealed, 22 SR 5]

Subp. 3. **Recycled waste.** A generator of waste that is recycled according to part 7045.0125, and is exempt from the requirements of parts 7045.0261 and 7045.0265, must include as part of the application required under subpart 1 or 2:

A. evidence that the waste was recycled; and

B. evidence that a continuing market exists for the waste.

Subp. 4. **Exported waste.** Reporting for exports of hazardous waste is not required under this part. Export reporting requirements are set out in part 7045.0302, subpart 6.

Subp. 5. **Approval of application.** License renewal applications shall be subject to the commissioner's review and approval procedures under part 7045.0245, subpart 1.
