

7045.0298 EXCEPTION REPORTING.

Subpart 1. **When applicable.** A generator who does not receive a copy of the manifest with the handwritten signature of the owner or operator of the designated facility within 35 days of the date the waste was accepted by the initial transporter must contact the transporter and the owner or operator of the designated facility to determine the status of the hazardous waste. A generator must submit an exception report to the commissioner if the generator has not received a copy of the manifest with the handwritten signature of the owner or operator of the designated facility within 45 days of the date the waste was accepted by the initial transporter.

Subp. 2. **Content of report.** The exception report must include:

A. a legible copy of the manifest for which the generator does not have confirmation of delivery; and

B. a cover letter signed by the generator or the generator's authorized representative explaining the efforts taken to locate the hazardous waste and the results of those efforts.
