

7045.0554 QUALIFICATIONS FOR OBTAINING INTERIM STATUS.

Subpart 1. **Qualifications for obtaining state interim status.** Any person who owns or operates an existing facility, has filed Part A of the permit application for the type of facility owned or operated with this agency within 90 days after July 16, 1984, or to Environmental Protection Agency Region V, and has not received federal interim status shall be treated as having state interim status and a permit until such time as final disposition of the permit application is made.

Subp. 2. **Qualification for obtaining federal interim status.** Owners or operators of existing facilities having fully complied with the requirements for interim status under the Resource Conservation and Recovery Act of 1976, United States Code, title 42, sections 6901 to 6986, as amended through June 30, 1983, before July 16, 1984, are considered to have federal interim status and are not required to obtain state interim status.
