

7045.0604 NOTICE TO LOCAL LAND AUTHORITY.

Subpart 1. **Submission of survey plat.** No later than the certification of closure of each hazardous waste disposal unit is submitted to the commissioner, the owner or operator shall submit to the local zoning authority or the authority with jurisdiction over local land use and to the commissioner a survey plat indicating the location and dimensions of landfill cells or other disposal areas with respect to permanently surveyed bench marks. This plat must be prepared and certified by a professional land surveyor. The plat filed with the local zoning authority or authority with jurisdiction over local land use must contain a prominently displayed note which states the owner's or operator's obligation to restrict disturbance of the site as specified.

Subp. 2. **Postclosure notices.** Within 60 days after closure is certified for each hazardous waste disposal unit, in addition, the owner or operator shall submit to the local zoning authority or the authority with jurisdiction over local land use and to the commissioner a record of the type, location, and quantity of hazardous waste disposed of within each cell or area of the facility. For hazardous waste disposed of before January 12, 1981, the owner or operator shall identify the type, location, and quantity of the waste to the best of his or her knowledge and in accordance with any records kept. Any changes in the type, location, or quantity of hazardous waste disposed of within each cell or area of the facility that occur after the survey plat and record of waste have been filed must be reported to the local zoning authority or the authority with jurisdiction over local land use and to the commissioner.
