

7049.0110 APPLICABILITY.

This chapter applies to:

A. pollutants from nondomestic sources that are discharged into POTWs, transported by truck or rail, or otherwise introduced into POTWs;

B. nondomestic sources that discharge pollutants into POTWs, transport pollutants by truck or rail, or otherwise introduce pollutants into POTWs; and

C. POTWs that receive wastewater from nondomestic sources.

This chapter does not apply to sources that introduce pollutants to a sewer not connected to a POTW treatment plant.
