

7105.0030 GENERAL PROVISIONS.

Subpart 1. **Certification requirements and deadlines.** No person may install, repair, or close a tank system after July 9, 1990, unless:

A. a supervisor certified in the appropriate discipline is physically present on site at all critical junctures during the storage tank project; and

B. the certified supervisor in item A is also a certified contractor or is in the employ of a certified contractor.

Subp. 2. **Certificate availability.** A copy of the contractor's current certificate must be at the work location and posted in a conspicuous place. Certified supervisors must have copies of current certificates issued by the agency at the location where they are supervising work.

Subp. 3. **Tank owner or operator requirements.** Owners or operators of an underground storage tank must not allow a storage tank project to be performed on their tank system, except in compliance with subpart 1.
