

**7200.2040 DENIAL OF LICENSURE.**

An applicant who fails to meet all requirements for licensure under the Minnesota Psychology Practice Act shall be denied licensure and informed in writing of the denial and the reason for it. An application submitted following denial is a new application and must be accompanied by the current licensure application fee. An applicant who has been denied licensure may reapply and shall pay the current nonrefundable application fee with each application.
