

**7410.6360 USE OF CERTIFIED THIRD-PARTY TESTERS.**

The third-party testing program shall allow only individuals who have been certified by the commissioner as third-party testers under part 7410.6440 to administer road tests or skills tests to persons to operate commercial motor vehicles or motorcycles. The program shall maintain, on file in the program's administrative office, a copy of the valid certificate of each third-party tester employed by the program.
