

7501.0600 CERTIFICATE OF APPROVAL.

When the manufacturer of a screening device has complied with parts 7501.0400 and 7501.0500, and the commissioner is satisfied that the screening device submitted complies with the minimum standards and specifications set out by part 7501.0300, the commissioner may issue a certificate of approval. The commissioner shall act upon applications within 120 days unless other arrangements are made with the manufacturer. The manufacturer shall include in shipments of a device a copy of or reference to the Department of Public Safety certificate of approval.
