

7515.0900 IMPORTATION.

Subpart 1. **License required.** Minnesota Statutes, section 340A.302, pertaining to alcoholic beverages and ethyl alcohol, provides that only duly licensed importers may ship such products into Minnesota and that products shipped shall be consigned to and received only by duly licensed Minnesota manufacturers and wholesalers. No package sales to consumers for export of non-tax-paid liquors shall be permitted in this state without having obtained the proper license.
