

7810.0500 DATA TO BE FILED WITH THE COMMISSION.

Subpart 1. **Tariffs.** Each telephone utility shall have its tariff on file with the commission in accordance with the rules governing the filing of tariffs as prescribed by the commission.

Subp. 2. **Exchange maps.** Each telephone utility shall have on file with the commission an exchange area boundary map for each of its exchanges within the state. Each map shall clearly show the boundary lines of the area which the telephone utility holds itself out to serve in connection with the exchange. Exchange boundary lines shall be located by appropriate measurement to an identifiable location where that portion of the boundary line is not otherwise located on section lines, waterways, railroads, roads, etc. Maps shall include location of highways, section lines, geographic township and range lines, railroads, and water ways outside municipalities. Maps generally shall contain detail as shown on county highway maps. The map scale and other detail shall be shown as required by the commission. Data associated with the exchange map shall be immediately available for public information at each business office for the area served by said office. Each telephone utility filing an original or revised map shall submit proof of notice of the proposed boundary to any other telephone utility adjoining the area in which a boundary line is to be established or changed.

Subp. 3. **Service reports.** Each utility shall furnish to the commission, at such times and in such form as the commission may require, the results of any tests, summaries, or records. The utility shall also furnish the commission with any information concerning the utility's facilities or operations which may be requested.
