

7829.0600 GENERAL SERVICE LIST.

Subpart 1. **Establishing list.** Persons desiring to receive notice of particular types of filings and who are qualified to intervene under part 7829.0800 shall file with the utility a written list of the types of filings they wish to receive, as well as the person's name, address, and an electronic address if they agree to electronic service. The utility shall maintain general service lists of persons who have filed these requests. The utility shall add to each list the persons who intervened in its last general rate case and persons on the official service list for its last filing of the same type.

Subp. 2. **Annual updating.** The utility may delete from its general service list a person who fails to respond within 30 days to an annual mailing inquiring whether that person wishes to continue receiving the filings requested.

Subp. 3. **Periodic addition.** A person may be added to the utility's general service list at any time by filing a request under subpart 1, even if the person failed to respond to an annual mailing as described in subpart 2.

Subp. 4. **Jurisdiction unaffected.** The service lists established in this part are intended to provide the earliest possible notice to persons who may be interested in a particular filing. The requirements of this part do not displace or add to legal notice requirements, and a utility's failure to comply with this part does not deprive the commission of jurisdiction over a matter of which it would otherwise have jurisdiction, require dismissal of a filing, or invalidate any determination made by the commission in the matter.

Subp. 5. **Party or participant status unaffected.** Inclusion on a general service list does not confer party or participant status on persons included on the list.
