

7853.0400 INFORMATION REQUIRED.

When a certificate of need application is submitted for a large LPG storage facility on an existing LPG storage site, which site already has storage capacity of at least 100,000 gallons, a copy of an environmental assessment worksheet (EAW) may be submitted in lieu of specific answers to the requirements in parts 7853.0420 to 7853.0450. If permits for construction of the facility are required by other state agencies, a copy of each permit application, or the informational equivalent, shall also be submitted.

In all other cases, the applicant for a certificate of need for a large LPG storage facility shall provide environmental information for the proposed facility and for each alternative facility discussed in response to part 7853.0340. The applicant shall provide the information in the format given in parts 7853.0420 to 7853.0450 to the extent that the data is applicable and reasonably available.
