

7855.0220 CONTENTS OF APPLICATION.

Subpart 1. **Information required.** An application for a certificate of need shall provide all information required by parts 7855.0230 to 7855.0270 and, optionally, part 7855.0280. An application shall also provide information for specific types of facilities as indicated:

A. An applicant for a fuel conversion facility shall refer to parts 7855.0300 to 7855.0370 for the additional information required.

B. An applicant for a coal slurry or coal liquids pipeline shall refer to parts 7855.0400 to 7855.0470 for the additional information required.

C. An applicant for a nuclear fuel processing facility shall refer to parts 7855.0500 to 7855.0570 for the additional information required.

D. An applicant for a nuclear waste storage or disposal facility shall refer to parts 7855.0600 to 7855.0670 for additional information required.

Subp. 2. **Joint application.** If an application for a certificate of need is jointly submitted by two or more persons, then each such person shall submit separate information in response to the general information section, part 7855.0230, the conservation programs section, part 7855.0270, and the appropriate historical data and forecast section, parts 7855.0320, 7855.0420, 7855.0520, or 7855.0620.

Subp. 3. **Multiparty ownership and use.** An application for a certificate of need for a facility that would be owned and used by two or more persons shall be considered as a joint application for purposes of this chapter.
