

**7855.0430 ENVIRONMENTAL INFORMATION REQUIRED.**

Each applicant shall provide environmental data for the proposed facility and for each alternative facility described in response to part 7855.0410. Environmental data for each pipeline considered shall conform to the format given in parts 7855.0440 to 7855.0470. Environmental data for any other alternative shall include a list of the natural and cultural resources, as given in part 7855.0440, items G to L, that would be directly affected, and a discussion of those applicable areas of environmental concern that are detailed in parts 7855.0450 to 7855.0470.
