

CHAPTER 7875
MINNESOTA RACING COMMISSION
HORSE RACING; FACILITIES AND EQUIPMENT

7875.0100 FACILITIES.

7875.0200 EQUIPMENT.

7875.0100 FACILITIES.

Subpart 1. **Facilities.** Each association must include a receiving barn, detention facility, paddock, room for jockeys and drivers, lighting, stabling, restrooms, medical facilities, racing officials' space, viewing room, commission office and parking space, space for the Alcohol and Gambling Enforcement Division, and information window. The facilities must meet the needs of patrons, officials, horsepersons, other persons on the premises, and horses. The facilities must be in compliance with the requirements of the ADA.

Subp. 2. **Maintenance.** Each association must maintain its facility so that it is neat and clean, painted, and in good repair with consideration for the safety, health, and welfare of persons and horses on the premises.

Subp. 3. **Reports.** No later than 30 days before the first day of any race meeting, the association shall submit to the commission the most recent inspection reports issued by governmental authorities regarding the condition of facilities, sanitation, and fire prevention, detection, and suppression.

Subp. 4. **Racing surfaces.** Within seven days after a race meeting commences, the association must submit to the commission evidence that the construction, elevation, and composition of racing and training surfaces have received engineering and veterinarian approval as safe and humane. A class D licensee must make the submission seven days before the race meeting.

Subp. 5. **Distance poles.** Distance poles on a race course shall be the following colors:

- A. quarterpoles, red and white;
- B. eighth poles, green and white; and
- C. 16th poles, black and white.

Subp. 6. **Jockey's and driver's rooms.** The association will establish and post the hours that the jockey's or driver's room will be open. The association shall keep unauthorized persons out of the jockey's and driver's rooms and shall report any unusual activity to the stewards.

Subp. 7. **Posting of jockey insurance coverage.**

A. An association shall have on file with the commission a copy of the actual policy and post in the jockeys' quarters a summary of the association's insurance coverage for jockeys who are injured while on the grounds of the association and shall, upon the request of any licensed jockey who is participating in the race meeting, provide a copy of the policy of such insurance.

Requests shall be made in writing to a racing official designated by the association in the notice to respond to such requests.

B. In the event that the insurance policy is changed during the race meeting, the association shall promptly notify the commission and post a notice of any changes.

7875.0200 EQUIPMENT.

Subpart 1. **Equipment.** Each association must include equipment, devices, or apparatus necessary to start, time, film or tape, and photograph the finish of every race. Equipment necessary to view photographs, films, and tapes of each race must be provided. Each association must include pari-mutuel equipment, devices, or apparatus necessary to sell and cash tickets, compile pari-mutuel data, and display odds. An association also must include adequate internal communications equipment. The facilities must be in compliance with the requirements of the ADA insofar as offering special accommodations or alternative equipment to disabled individuals.

Subp. 2. **Pari-mutuel central processing unit.** The pari-mutuel central processing unit must be designed to calculate, at intervals of not more than 60 seconds between each complete change, the total amounts wagered on each betting interest as wagering progresses. Approximate odds on each betting interest in the win pool shall be updated on the totalizator board at intervals of not more than 60 seconds. Approximate odds or approximate payoffs on all multiple pari-mutuel pools shall be displayed on television monitors at regular intervals. The pari-mutuel central processing unit shall provide a record of total amount wagered and amount wagered on each betting interest.

Subp. 3. **Internal communications.** An internal communications system shall link the stewards' stand, pari-mutuel department, patrol judges, and other locations which the commission determines necessary to internal communications.

Subp. 4. **Starting gates.** At least two starting gates must be in service on each race day and shall be tested daily prior to the first race. Class D licensees are required to have one starting gate. Two pieces of equipment or vehicles capable of pulling the starting gates shall be positioned to pull any gate from a racecourse. Thoroughbred and quarter horse starting gates must be padded to prevent injury to jockeys, assistant starters, and horses. The arms of a standardbred starting gate shall have a screen or shield in front of each horse, and the arms shall be perpendicular to the rail when extended.

Subp. 5. **Photo finish.** Except for class D licensees, a photo finish system must simultaneously use a backup camera in case of malfunction of the primary system.

Subp. 6. **Timing.** An association must use an electric timing system. An official shall be designated to use a handheld stopwatch to record the time should the electric timing system fail.

Subp. 7. **Film patrol.** Color film or color videotape recordings shall show clearly the position and actions of horses, jockeys, and drivers at close range. At least three cameras shall be used for every race to provide panoramic and head-on views of the race except that class D licensees may use one camera for standardbred races and two cameras for quarter horse races.

Subp. 8. **Preservation.** All photo finish film or videotape records shall be preserved for at least 30 days after the close of a meeting or until legal proceedings involving a recorded race are concluded, whichever is later.

Subp. 9. **External communications.**

A. An association may have telephone systems on the premises during a race meeting for the benefit of the public, the press, or for transacting ordinary business.

B. A telephone on a private line shall be provided in the offices of the commission. All costs of the telephone service shall be borne by the association, and the service shall not be interrupted at any time. At the request of the commission, TDD devices shall be installed on all commission telephones at the track, and costs associated with the devices shall be borne by the association.

C. At least one of the public telephones allowed at an association shall be equipped with a TDD device.
