

**7876.0120 ON- AND OFF-TRACK STABLING OF NONRACING HORSES.**

Any horse arriving on the grounds must be accompanied by an original health certificate issued not more than ten days prior to the arrival. The health certificate must be completed by an accredited veterinarian and must contain complete equine infectious anemia (EIA) test results, including the date, laboratory, and accession number of the most recent negative EIA test. The health certificates must be surrendered to stable gate personnel for immediate transmittal to the commission veterinarian. The health certificate shall remain valid for 30 days from the date of issue, with the date of issue counted as day one. Horses leaving the facility and returning during this 30-day period do not have to be accompanied by a new health certificate. Horses leaving and returning after the 30-day period will need to be accompanied by a new original health certificate issued not more than ten days prior to arrival. The horse must also have a negative equine piroplasmosis test as prescribed in part 7876.0100, subpart 11, or 7876.0110, subpart 5.
