**8235.0200 RECOUNTS.**

This chapter establishes procedures for the conduct of all publicly funded and discretionary recounts provided for in Minnesota Statutes, sections 204C.35 and 204C.36. The secretary of state or secretary of state's designee is the recount official for recounts conducted by the State Canvassing Board. The county auditor or auditor's designee is the recount official for recounts conducted by the county canvassing board. The county auditor or auditor's designee shall conduct recounts for county offices. The municipal clerk or clerk's designee is the recount official for recounts conducted by the municipal governing body. The school district clerk or clerk's designee is the recount official for recounts conducted by the school board, or by a school district canvassing board as provided in Minnesota Statutes, section 205A.10, subdivision 5. A recount official may delegate the duty to conduct a recount to a county auditor or municipal clerk by mutual consent. When the person who would otherwise serve as recount official is a candidate or is the spouse, child, parent, grandparent, grandchild, stepparent, stepchild, sibling, half-sibling, or stepsibling of a candidate for the office to be recounted, the appropriate canvassing board shall select a county auditor or municipal clerk from another jurisdiction to conduct the recount. "Legal adviser" means counsel to the recount official and the canvassing board for the office being recounted. The scope of a publicly funded or discretionary recount is limited to the recount of the ballots cast and the declaration of the person nominated or elected. The ballots in the envelope labeled "Original ballots from which duplicates are to be or were made" are not within the scope of the recount and this envelope must not be opened during the recount.

#### **8235.0700 GENERAL PROCEDURES.**

At the opening of a recount the recount official or legal adviser shall present the procedures contained in this rule for the recount. The custodian of the ballots shall make available to the recount official the precinct summary statements, the precinct boxes or the sealed containers of voted ballots, and any other election materials requested by the recount official. If the recount official needs to leave the room for any reason, the recount official must designate a deputy recount official to preside during the recount official's absence. A recount official must be in the room at all times. The containers of voted ballots must be unsealed and resealed within public view. No ballots or election materials may be handled by candidates, their representatives, or members of the public. There must be an area of the room from which the public may observe the recount. Cell phones and video cameras may be used in this public viewing area, as long as their use is not disruptive. The recount official shall arrange the counting of the ballots so that the candidates and their representatives may observe the ballots as they are recounted. Candidates may each have one representative observe the sorting of each precinct. One additional representative per candidate may observe the ballots when they have been sorted and are being counted pursuant to part 8235.0800, subpart 2. Candidates may have additional representatives in the public viewing area of the room. If other

election materials are handled or examined by the recount officials, the candidates and their representatives may observe them. The recount official shall ensure that public observation does not interfere with the counting of the ballots. The recount official shall prepare a summary of the recount vote by precinct.

### **8235.0800 COUNTING AND CHALLENGING BALLOTS.**

Subpart 1. **Breaks in counting process.** Recount officials may not take a break for a meal or for the day prior to the completion of the sorting, counting, review, and labeling of challenges, and secure storage of the ballots for any precinct. All challenged ballots must be stored securely during breaks in the counting process.

Subp. 2. **Sorting ballots.** Ballots must be recounted by precinct. The recount official shall open the sealed container of ballots and recount them in accordance with Minnesota Statutes, section 204C.22. The recount official must review each ballot and sort the ballots into piles based upon the recount official's determination as to which candidate, if any, the voter intended to vote for: one pile for each candidate that is the subject of the recount and one pile for all other ballots (those for other candidates, overvotes, undervotes, etc.). During the sorting, a candidate or candidate's representative may challenge the ballot if he or she disagrees with the recount official's determination of for whom the ballot should be counted and whether there are identifying marks on the ballot. At a recount of a ballot question, the manner in which a ballot is counted may be challenged by the person who requested the recount or that person's representative. Challenges may not be automatic or frivolous and the challenger must state the basis for the challenge pursuant to Minnesota Statutes, section 204C.22. Challenged ballots must be placed into separate piles, one for ballots challenged by each candidate. A challenge is frivolous if it is based upon an alleged identifying mark other than a signature or an identification number written anywhere on the ballot or a name written on the ballot completely outside of the space for the name of a write-in candidate.

Subp. 3. **Counting ballots.** Once ballots have been sorted, the recount officials must count the piles using the stacking method described in Minnesota Statutes, section 204C.21. A candidate or candidate's representative may immediately request to have a pile of 25 counted a second time if there is not agreement as to the number of votes in the pile.

Subp. 4. **Reviewing and labeling challenged ballots.** After the ballots from a precinct have been counted, the recount official may review the challenged ballots with the candidate or the candidate representative. The candidate representative may choose to withdraw any challenges previously made. The precinct name, the reason for the challenge, and the name of the person challenging the ballot (or the candidate that person represents), and a sequential number must be marked on the back of each remaining challenged ballot before it is placed in an envelope marked "Challenged Ballots." After the count of votes for the precinct has been determined, all ballots except the challenged ballots must be resealed in the ballot envelopes and returned with the other election materials to the custodian of the ballots. The recount official may make copies of the challenged ballots. After the count of votes for all precincts has been determined during that day of counting, the challenged ballot envelope must be sealed and kept secure for presentation to the canvassing board.

### **8235.1100 CANVASSING BOARD.**

The recount official shall present the summary statement of the recount and any challenged ballots to the canvassing board. The candidate or candidate representative who made the challenge may present the basis for the challenge to the canvassing board. The canvassing board shall rule on the challenged ballots and incorporate the results into the summary statement. The canvassing board shall certify the results of the recount. Challenged ballots must be returned to the election official who has custody of the ballots.

### **8235.1200 SECURITY DEPOSIT.**

When a bond, cash, or surety for recount expenses is required by Minnesota Statutes, section 204C.35 or 204C.36, the governing body or recount official shall set the amount of security deposit at an amount which will cover expected recount expenses. In multicounty districts, the secretary of state shall set the amount taking into consideration the expenses of the election jurisdictions in the district and the expenses of the secretary of state. The security deposit must be filed during the period for requesting a discretionary recount. In determining the expenses of the recount, only the actual recount expenditures incurred by the recount official and the election jurisdiction in conducting the recount may be included. General office and operating costs may not be taken into account.
