

8280.0460 OPTIONAL INFORMATION.

Subpart 1. **Limited requests.** A UCC information request may limit the copies produced by reference to the city of the debtor or the date of filing of the financing statements. A request that the search be limited requires that the report created by the filing officer in response to such a request contain the following statement:

"An information request limited under part 8280.0460 has no legal force and effect and may not reveal all filings against the debtor searched. The searcher bears the risk of relying on the limited search."

Subp. 2. **Delivery instructions.** A UCC information request may contain instructions on the mode of delivery requested, if other than by ordinary mail, which request will be honored if the requested mode is then made available by the filing office. The person making the request shall pay all fees associated with the delivery method.
