

8420.0310 WETLAND BOUNDARY OR TYPE APPLICATIONS.

A landowner may apply for a wetland boundary or type decision from the local government unit. The landowner is responsible for submitting proof necessary to make the decision. Applications for approval of wetland boundary or type must include information according to the wetland delineation report submittal guidelines provided by the board. A wetland boundary or type application may be submitted independently or as part of a no-loss, exemption, sequencing, replacement plan, or banking application. When an independent wetland boundary or type application is approved, and the approval remains valid, the applicant may incorporate the approval in a subsequent application for a no-loss, exemption, sequencing, replacement plan, or banking application.
