

8880.1100 VEHICLE INSPECTION BY COMMISSIONER.

Subpart 1. **Authority to inspect.** The commissioner shall annually inspect a limousine for which a limousine identification decal has been issued to determine compliance with part 8880.0900. The commissioner may inspect a limousine to determine compliance with parts 8880.0300 to 8880.0900.

Subp. 2. **Inspection report.** A person inspecting a limousine under this part shall provide a copy of the inspection report to the limousine operator. The report must include:

- A. the inspector's name;
- B. the limousine operator's name and permit number;
- C. the vehicle identification number, limousine identification decal number, and license plate number;
- D. the date and location of the inspection; and
- E. a description of items that do not comply with the requirements of parts 8880.0300 to 8880.0900.

Subp. 3. **Limousines declared out of service.** The commissioner shall direct a limousine operator to immediately remove a limousine from service on determining that its mechanical condition is so imminently hazardous that it is likely to contribute to a loss of control of the limousine or cause an accident or breakdown. An out-of-service declaration must be included in the inspection report described in subpart 2. Once a limousine has been declared out of service, a limousine operator may return it to service only after making the repairs noted in an out-of-service declaration.
