

**9215.0540 CONTENTS OF PLANS AND AMENDMENTS.**

County, district, or multicounty area solid waste management plans, including amendments, when necessary, must describe solid waste management programs for a ten-year period immediately following plan approval and must contain the information required by parts 9215.0550 to 9215.0790. A plan must reflect demographic, geographic, regional, and solid waste system differences that exist among the counties.
