

**9215.0690 CONSTRUCTION AND DEMOLITION DEBRIS.**

Subpart 1. **Content.** The plan must include the information described in this part on construction and demolition debris management programs and practices in the county, district, or multicounty area.

Subp. 2. **Policies and goals.** The plan must contain a description of the construction and demolition debris management goals and policies that the county, district, or multicounty area has established.

Subp. 3. **Existing construction and demolition debris practices.** The plan must describe existing construction and demolition debris practices and programs, including the amount or quantity of materials recovered and disposed of and private and public sector Pollution Control Agency permitted facilities.

Subp. 4. **Specific programs to be developed.** The plan must describe any new or existing construction and demolition debris programs that the county, district, or multicounty area proposes to maintain, expand, or implement during the next ten years, including the amount or quantity of materials to be recovered and disposed of and the responsible persons and estimated staff time necessary to implement and manage each program.

Subp. 5. **Program budget.** The plan must estimate the annual costs to be incurred by the county, district, or multicounty area for construction and demolition debris programs for the next ten years, including itemized capital and operating costs.

Subp. 6. **Schedule of implementation.** The plan must include a schedule for the implementation of the proposed construction and demolition debris programs described in this part.
