

**9220.0530 WASTE TIRE TRANSPORTATION.**

Subpart 1. **Scope.** This part sets out the requirements that apply to persons who are in the business of transporting waste tires.

Subp. 2. **Exempt persons.** The requirements of this part do not apply to:

A. a person transporting household quantities of waste tires incidental to municipal waste collection, and who delivers those waste tires to a permitted solid waste facility, a waste tire facility with a permit or provisional status, or a waste tire facility that is exempt from the requirement to obtain a waste tire permit;

B. a person receiving waste tires incidental to the collection of recyclable materials and who delivers those waste tires to a permitted solid waste facility, a waste tire facility with a permit or provisional status, or a waste tire facility that is exempt from the requirement to obtain a waste tire facility permit;

C. a person transporting no more than ten waste tires to a permitted solid waste facility, a waste tire facility with a permit or provisional status, or a waste tire facility that is exempt from the requirement to obtain a waste tire facility permit;

D. a person transporting waste tires that will only be used for agricultural purposes;

E. a person transporting tire-derived products to a market; and

F. a business delivering its own waste tires to a waste tire facility that has obtained provisional status or a permit or is exempt under part 9220.0230, subpart 2, to obtain a waste tire facility permit.

Subp. 3. **Agency identification number required.** Except as exempted by subpart 2, a person who transports waste tires must obtain and display a waste tire transporter identification number when transporting waste tires. The information that must be submitted to the commissioner to obtain an agency identification number is specified in part 9220.0540. The agency's issuance of a waste tire transporter identification number does not release the transporter from any liability, penalty, or duty imposed by Minnesota or federal statutes or rules or local ordinances, except the obligation to obtain the waste tire transporter identification number.

Subp. 4. **Waste tire transportation.** A transporter who collects waste tires from a person who disposes waste tires shall deliver the waste tires to a waste tire facility with a permit or provisional status, or a waste tire facility that is exempt from the requirement to obtain a waste tire permit.

Subp. 5. **Record keeping.** Transporters shall record and maintain the following information regarding their activities for each month of operation:

- A. the type and quantity of waste tires collected;
- B. where the waste tires collected were deposited, specifying the number and type deposited at each location; and
- C. where or from whom the waste tires were collected.
