

9503.0105 RESEARCH AND PUBLIC RELATIONS PERMISSION.

The license holder must ensure that written permission is obtained from a parent before a child is involved in experimental research or public relations activity involving a child while at the center. A separate written permission form must be obtained before each occasion of experimental research or public relations activity or on a form that annually summarizes all research and public relations activities that will be undertaken. The permission form must be maintained in the child's record.
