

9520.0760 DEFINITIONS.

Subpart 1. **Scope.** As used in parts 9520.0760 to 9520.0870, the following terms have the meanings given them.

Subp. 2. **Application.** "Application" means the formal statement by a center to the commissioner, on the forms created for this purpose, requesting recognition as meeting the requirements of Minnesota Statutes, section 245.69, subdivision 2, and parts 9520.0760 to 9520.0870.

Subp. 3. **Approval.** "Approval" means the determination by the commissioner that the applicant center has met the minimum standards of Minnesota Statutes, section 245.69, subdivision 2, and parts 9520.0760 to 9520.0870, and is therefore eligible to claim reimbursement for outpatient clinical services under the terms of Minnesota Statutes, section 62A.152. Approval of a center under these parts does not mean approval of a multidisciplinary staff person of such center to claim reimbursement from medical assistance or other third-party payors when practicing privately. Approval of a center under these parts does not mean approval of such center to claim reimbursement from medical assistance.

Subp. 4. **Case review.** "Case review" means a consultation process thoroughly examining a client's condition and treatment. It includes review of the client's reason for seeking treatment, diagnosis and assessment, and the individual treatment plan; review of the appropriateness, duration, and outcome of treatment provided; and treatment recommendations.

Subp. 5. **Center.** "Center" means a public or private health and human services facility which provides clinical services in the treatment of mental illness. It is an abbreviated term used in place of "mental health center" or "mental health clinic" throughout parts 9520.0750 to 9520.0870.

Subp. 6. **Client.** "Client" means a person accepted by the center to receive clinical services in the diagnosis and treatment of mental illness.

Subp. 7. **Clinical services.** "Clinical services" means services provided to a client to diagnose, describe, predict, and explain that client's status relative to a disabling condition or problem, and where necessary, to treat the client to reduce impairment due to that condition. Clinical services also include individual treatment planning, case review, record keeping required for treatment, peer review, and supervision.

Subp. 8. **Commissioner.** "Commissioner" means the commissioner of the Minnesota Department of Human Services or a designated representative.

Subp. 9. **Competent.** "Competent" means having sufficient knowledge of and proficiency in a specific mental illness assessment or treatment service, technique, method, or procedure, documented by experience, education, training, and certification, to be able to provide it to a client with little or no supervision.

Subp. 10. **Consultation.** "Consultation" means the process of deliberating or conferring between multidisciplinary staff regarding a client and the client's treatment.

Subp. 11. **Deferral.** "Deferral" means the determination by the commissioner that the applicant center does not meet the minimum standards of Minnesota Statutes, section 245.69, subdivision 2, and parts 9520.0760 to 9520.0870 and is not approved, but is granted a period of time to comply with these standards and receive a second review without reapplication.

Subp. 12. **Department.** "Department" means the Minnesota Department of Human Services.

Subp. 13. **Disapproval or withdrawal of approval.** "Disapproval" or "withdrawal of approval" means a determination by the commissioner that the applicant center does not meet the minimum standards of Minnesota Statutes, section 245.69, subdivision 2, and parts 9520.0760 to 9520.0870.

Subp. 14. **Discipline.** "Discipline" means a branch of professional knowledge or skill acquired through a specific course of study and training and usually documented by a specific educational degree or certification of proficiency. Examples of the mental health disciplines include but are not limited to psychiatry, psychology, clinical social work, and psychiatric nursing.

Subp. 15. **Documentation.** "Documentation" means the automatically or manually produced and maintained evidence that can be read by person or machine, and that will attest to the compliance with requirements of Minnesota Statutes, section 245.69, subdivision 2, and parts 9520.0760 to 9520.0870.

Subp. 16. **Individual treatment plan.** "Individual treatment plan" means a written plan of intervention and treatment developed on the basis of assessment results for a specific client, and updated as necessary. The plan specifies the goals and objectives in measurable terms, states the treatment strategy, and identifies responsibilities of multidisciplinary staff.

Subp. 17. **Mental health practitioner.** "Mental health practitioner" means a staff person providing clinical services in the treatment of mental illness who is qualified in at least one of the following ways:

A. by having a bachelor's degree in one of the behavioral sciences or related fields from an accredited college or university and 2,000 hours of supervised experience in the delivery of clinical services in the treatment of mental illness;

B. by having 6,000 hours of supervised experience in the delivery of clinical services in the treatment of mental illness;

C. by being a graduate student in one of the behavioral sciences or related fields formally assigned to the center for clinical training by an accredited college or university; or

D. by having a master's or other graduate degree in one of the behavioral sciences or related fields from an accredited college or university.

Documentation of compliance with part 9520.0800, subpart 4, item B is required for designation of work as supervised experience in the delivery of clinical services. Documentation of the accreditation of a college or university shall be a listing in Accredited Institutions of Postsecondary Education Programs, Candidates for the year the degree was issued. The master's degree in behavioral

sciences or related fields shall include a minimum of 28 semester hours of graduate course credit in mental health theory and supervised clinical training, as documented by an official transcript.

Subp. 18. **Mental health professional.** "Mental health professional" has the meaning given in Minnesota Statutes, section 245.462, subdivision 18.

Subp. 19. **Mental illness.** "Mental illness" means a condition which results in an inability to interpret the environment realistically and in impaired functioning in primary aspects of daily living such as personal relations, living arrangements, work, and recreation, and which is listed in the clinical manual of the International Classification of Diseases (ICD-9-CM), Ninth Revision (1980), code range 290.0-302.99 or 306.0-316, or the corresponding code in the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders (DSM-III), Third Edition (1980), Axes I, II or III. These publications are available from the State Law Library.

Subp. 20. **Multidisciplinary staff.** "Multidisciplinary staff" means the mental health professionals and mental health practitioners employed by or under contract to the center to provide outpatient clinical services in the treatment of mental illness.

Subp. 21. **Serious violations of policies and procedures.** "Serious violations of policies and procedures" means a violation which threatens the health, safety, or rights of clients or center staff; the repeated nonadherence to center policies and procedures; and the nonadherence to center policies and procedures which result in noncompliance with Minnesota Statutes, section 245.69, subdivision 2 and parts 9520.0760 to 9520.0870.

Subp. 22. **Treatment strategy.** "Treatment strategy" means the particular form of service delivery or intervention which specifically addresses the client's characteristics and mental illness, and describes the process for achievement of individual treatment plan goals.
