

9520.0918 DEVELOPMENT OF CHILD'S INDIVIDUAL FAMILY COMMUNITY SUPPORT PLAN.

Subpart 1. **Required plan.** The development of the child's individual family community support plan must comply with Minnesota Statutes, section 245.4881, subdivision 4. Any other service plan developed by an agency providing services to the child may substitute for the child's individual family community support plan if the other service plan meets the requirements for an individual family community support plan. The plan must incorporate the child's individual treatment plans, if any. The individual family community support plan must focus on the desired changes in the level of functioning of the child. The plan must specify the desired outcomes of services and how the services will be assessed and monitored on an ongoing basis.

Subp. 2. **Review and revision.** The case manager with the assistance of the case management team, if any, shall review and, if necessary, revise a child's functional assessment, the child's individual family community support plan specified under subpart 1, and the child's and family's service needs based on evidence of the child's progress toward desired service outcomes. The review and, if necessary, the revision shall occur at least once every 90 calendar days after the development of the child's first individual family community support plan. Whenever possible, the outcome of the review and revision of the child's services must simplify access to the child's services and bring together similar services in a manner that eliminates the duplication or omission of services identified in the child's individual family community support plan.
