

INDEX USER'S GUIDE

The index to Minnesota Rules 2016 Supplement includes references to rules adopted from November 16, 2015, to November 7, 2016. References are to rule part numbers.

For newly adopted rule parts, the index coverage is complete. For amended parts, a reference is included only if the existing references in the main volume index do not cover the amendments. Therefore, it is suggested that the user always begin an index search with the volume 11 index of Minnesota Rules 2015.

See the User's Guide on pages 211 to 214 of volume 11 of Minnesota Rules 2015 for more information about the use of this index.
