USER'S GUIDE

Minnesota Rules 2024 Supplement contains amendments, additions, or repeals of agency rules adopted and printed in the State Register from December 26, 2023, to November 12, 2024. It supplements Minnesota Rules 2023.

In this supplement, amendments to parts, subparts, or items of Minnesota Rules are published with the numbers of the amended parts, subparts, or items. Where all subparts or items of a particular part are not included in this supplement, their omission is indicated in the following manner:

[For text of subparts 2 and 3, see Minnesota Rules]

Because new rules or amendments or repeals to rules may have been adopted and published in the State Register after November 12, 2024, consult the State Register and the Revisor's Office web page for changes after that date.

New rules have been classified and numbered to conform with the numbering system of Minnesota Rules. Repeals of parts and subparts of Minnesota Rules 2023 are shown. At the beginning of each chapter of the supplement is a list of all parts which are new or have been amended in that chapter.

Statutory Authority. Agencies and departments may adopt rules only if given authority to do so by the legislature. Therefore, for each rule there is a section in Minnesota Statutes or Laws of Minnesota that the agency or department has cited as the source of authority to adopt the rules. The authority is referred to as "statutory authority."

As an aid to the user, Minnesota Rules provides a citation to the statutory authority for each rule part. The citation is printed at the end of each part in this supplement.

Example:

7871.0050 LOST TICKETS.

The association shall consider claims for lost pari-mutuel tickets but is not liable for lost pari-mutuel tickets.

Statutory Authority: *MS s 240.23*

In the example, the Minnesota Racing Commission has cited Minnesota Statutes, section 240.23, as the authority to adopt rules for lost pari-mutuel tickets.

History. The history contains a volume number and page number reference to the State Register where the notice of adoption for the action taken on each rule was published. As an aid to the user, the history is printed at the end of each part in this supplement.

Example:

History: *26 SR 1438*

This example shows that the notice of adoption appeared on page 1438 of volume 26 of the State Register.

Notes. Throughout Minnesota Rules, editor's notes appear wherever special information about a chapter or part, such as a delayed effective date, will aid the reader's understanding of the text.
