## CHAPTER 69

## LIENS FOR LABOR AND MATERIAL

## FOR IMPROVEMENT OF REAL ESTATE

**7020. Mechanics, laborers, and materialmen**—Whoever contributes to the improvement of real estate by performing labor, or furnishing skill, material, or machinery, for any of the purposes hereinafter stated, whether under a contract with the owner of such real estate or at the instance of any agent, trustee, contractor, or subcontractor of such owner, shall have a lien upon said improvement, and upon the land on which it is situated or to which it may be removed, for the price or value of such contribution; that is to say, for the erection, alteration, repair, or removal of any building, fixtures, bridge, wharf, fence, or other structure thereon, or for grading, filling in, or excavating the same, or for digging or repairing any ditch, drain, well, fountain, cistern, reservoir, or vault thereon, or for laying, altering, or repairing any sidewalk, curb, gutter, paving, sewer, pipe, or conduit in or upon the same, or in or upon the adjoining half of any highway, street, or alley upon which the same abuts. See note under § 7026.

**1. Constitutional**—46-285, 48+1120; 48-425, 51+224.

**2. Nature of lien**—The lien is purely statutory (4-546, 430; 28-404, 10+473; 60-54, 61+830; 64-531, 535, 67+639, 58 Am. St. Rep. 555). It is a "statutory security"; not a remedy (17-342, 320). It is not an estate or interest in realty within the statute of frauds (53-70, 54+1055). The lien is continuing and binds the whole estate or interest of the debtor in the building and lot on which it stands (36-9, 29+338, 1 Am. St. Rep. 632; 70-146, 72+974, 68 Am. St. Rep. 516).

**3. Basis of lien**—The basis of the lien is the consent of the owner, either expressed or implied (26-329, 4+47; 32-358, 20+354; 39-438, 40+513, 1 L. R. A. [N. S.] 777, 12 Am. St. Rep. 663; 40-441, 42+294; 42-286, 44+65; 46-285, 48+1120; 50-525, 52+926). Under the present law the lien does not necessarily rest on a contract with the owner (48-18, 50+1018, 31 Am. St. Rep. 616). All who have contributed to increase the value of the property by consent of the owner, or in pursuance of a contract with him for that purpose, should have an interest in it for the satisfaction of their claims (13-473, 438; 32-358, 20+354; 40-441, 42+294).

**4. Construction**—The statute is to be construed liberally; at least, so far as the proceedings for the perfection and enforcement of the lien are concerned (28-404, 10+473; 48-18, 24, 50+1018, 31 Am. St. Rep. 616; 52-114, 53+1063; 77-514, 80+695). It is not to be strictly construed as to the parties entitled to a lien (60-54, 61+830). It should not be extended beyond its legitimate scope to the prejudice of third parties (3-86, 43, 74 Am. Dec. 740).

**5. Who are "owners"**—The term "owner" includes equitable owners and those holding any estate or interest which the court may order sold (17-342, 320; 34-517, 26+725; 76-434, 79+541). One in possession will be presumed to be rightfully in possession and to have an interest in the land sufficient to sustain a lien (36-9, 29+338, 1 Am. St. Rep. 632). The separate property of a married woman is chargeable (5-155, 119; 14-145, 113, 100 Am. Dec. 205. See 48-18, 50+1018, 31 Am. St. Rep. 616). The interest of a vendee under an executory contract to convey is chargeable (40-441, 42+294; 42-286, 44+65; 50-457, 52+915, 18 L. R. A. 753. See § 7024). Interest of a devisee held chargeable (42-427, 44+313).

**6. Subcontractors**—The lien of a subcontractor may be enforced irrespective of the state of the accounts between the contractor and owner (32-358, 20+354). How far necessary to conform to contract between owner and original contractor (44-22, 46+146; 46-285, 48+1120; 67-329, 69+1091, 64 Am. St. Rep. 418). Subcontractors of second degree are within the statute (48-515, 51+469). One who furnishes material to a subcontractor is entitled to a lien (83-29, 85+829).

**7. Original contract notice**—Laborers, materialmen and subcontractors are charged with notice of the original contract and to a certain extent restricted by it (44-22, 46+146; 46-285, 289, 48+1120. See 67-329, 69+1091, 64 Am. St. Rep. 418).

**8. Nature of work or material**—The work or material must be reasonably adapted to or suitable for the building or improvement contracted for by the owner (32-358, 20+354; 46-285, 48+1120).

**9. Who "performs" labor**—One may "perform" labor through servants or teams (56-306, 57+792).

**10. Materials furnished but not used**—A lien may be had for materials furnished in good faith for a particular building although they are not used in such building (47-565, 50+918; 48-425, 51+224; 52-203, 53+1144; 53-388, 396, 55+543; 61-303, 63+718; 98-163, 107+543, 116 Am. St. Rep. 353).

**11. When materials are "furnished"**—Materials may be "furnished" before they are

incorporated in the building (46-44, 48+448; 48-425, 51+224). The lien does not attach until they are furnished on the ground (53-388, 55+543).

**12. Knowledge of intended use unnecessary**—60-54, 61+830. See 17-342, 320.

**13. Labor performed at shop**—46-44, 48+448; 60-54, 61+830.

**14. Repair of machinery—Shipping charges**—46-426, 49+195.

**15. Held not to defeat lien**—Burning of building (27-516, 8+764); abandonment of work (46-44, 48+448); suspension of work (13-473, 438); failure of register to record lien (33-384, 23+550); transfer of title (36-9, 29+338, 1 Am. St. Rep. 632); contract between vendor and vendee (50-457, 52+915, 18 L. R. A. 753); withdrawal of lien statement after recording (44-453, 47+51); an accounting and payment on account (38-494, 38+695).

**16. Public buildings exempt**—39-298, 39+801; 67-327, 69+1091. See 83-512, 519, 86+775.

**17. Homesteads not exempt**—74-366, 77+292, 73 Am. St. Rep. 354; 76-226, 78+1113, 77 Am. St. Rep. 637; 89-150, 94+438.

**18. Release and waiver**—35-451, 29+65; 42-433, 44+311; 48-5, 50+921; 52-547, 54+739; 53-70, 54+1055; 64-269, 66+979.

**19. Claim assignable**—14-145, 113, 100 Am. Dec. 205; 58-455, 60+23, 49 Am. St. Rep. 528. See 57-402, 59+482, 47 Am. St. Rep. 622.

**20. Held entitled to lien**—Laborer polishing granite columns at quarry (60-54, 61+830); architect (13-473, 438; 52-522, 54+746; 61-262, 63+717. See 53-388, 55+543); one furnishing material to a subcontractor (83-29, 85+829); one furnishing material to a contractor for a particular building though it was not so used (48-425, 51+224. See 52-203, 53+1144; 53-388, 55+543; 61-303, 63+718); one superintending the construction of a building (61-262, 63+717); one furnishing permanent stationary machinery, in the nature of a fixture, for a shop (38-272, 37+99); one repairing machinery (46-426, 49+195); a non-resident (17-342, 320).

**21. Held not entitled to lien**—One selling a common article of merchandise to one who is neither the owner of the building nor an agent, trustee, contractor or subcontractor of such owner (43-29, 44+526; 66-480, 69+468; 81-26, 83+438. See 83-29, 85+829); one drilling a hole in search of minerals (64-37, 65+1079). A florist's refrigerator, caused to be erected by tenant in a storeroom in hotel building, such room having been leased by a hotel company, the lessee of the whole building, to the tenant for a flower store, held to be a "trade fixture," and not an "improvement" or "fixture"; and hence the hotel property was not lienable for the value thereof (140+114).

**22. Substantial performance**—See 98-219, 108+842.

**7021. Extent and amount of lien**—If the contribution be made under a contract with the owner and for an agreed price, the lien as against him shall be for the sum so agreed upon; otherwise, and in all cases as against others than the owner, it shall be for the reasonable value of the work done, and of the skill, material, and machinery furnished. It shall extend to all the interest and title of the owner in and to the premises improved, not exceeding forty acres in area if situated outside the limits of an incorporated city or village, and not exceeding one acre if within such limits. (3506)

Limitation to reasonable value of labor or material (32-358, 20+354; 46-285, 289, 48+1120. See 42-414, 44+309). Limitation of one acre (14-145, 113, 100 Am. Dec. 205).

**7022. Lines of railway, telegraph, telephone, etc.**—If such contribution be thus made for the construction, alteration, or repair of any line of railway, or any structure or appurtenance of such railway, or of any telegraph, telephone, or electric light line, or of any line of pipe, conduit, or subway, or any appliance or fixture pertaining to either, the person performing such labor, or furnishing such skill, material or machinery, shall have a like lien upon the line so improved, and upon all the rights, franchises, and privileges of the owner appertaining thereto. (3507)

56-306, 57+792; 64-420, 67+348, 58 Am. St. Rep. 545. See under former statute: 45-13, 47+259; 47-124, 49+661; 48-515, 51+469; 52-551, 54+748.

**7023. When lien attaches—Notice**—All such liens, as against the owner of the land, shall attach and take effect from the time the first item of material or labor is furnished upon the premises for the beginning of the improvement, and shall be preferred to any mortgage or other incumbrance not then of record, unless the lienholder had actual notice thereof. As against a bona fide purchaser, mortgagee or incumbrancer without notice, however, no lien shall attach prior to the actual and visible beginning of the improvement on the ground, but a person having a contract for the furnishing of labor, skill, material or machinery for such improvement, may file for record with the register of deeds of the county within which the premises are situated, or, if claimed under § 7022, with the secretary of state, a brief statement of the nature of such contract, which statement shall be notice of his lien for the

contract price or value of all contributions to such improvement thereafter made by him or at his instance. (3508)

The liens of all mechanics and materialmen attach as of the date of the performance of the first work or the delivery of the first material on the ground (53-388, 55+543). Mortgages attaching during the course of an improvement are subordinate to the liens of all who contribute to the completion of the improvement (50-386, 52+900, 16 L. R. A. 335; 52-522, 54+746; 93-501, 101+963, 106 Am. St. Rep. 445). 1895 c. 101 does not change this rule (93-501, 101+963, 106 Am. St. Rep. 445). The provision as to filing notice of contract is new. See the following cases, arising prior to 1895 c. 101, as to priority between mortgages and mechanic's liens (34-292, 25+629; 38-240, 36+346; 46-426, 49+195; 47-74, 49+398, 645; 47-590, 50+826; 48-73, 50+1020; 49-397, 52+33; 49-404, 52+34; 50-272, 52+895, 16 L. R. A. 288; 50-386, 52+900, 16 L. R. A. 335; 50-457, 52+915, 18 L. R. A. 753; 51-75, 52+1069; 51-246, 53+464; 52-51, 53+1023; 52-121, 53+1064; 52-522, 54+746; 52-534, 54+751; 53-388, 55+543; 54-486, 56+131; 55-46, 56+241; 55-162, 56+594; 68-213, 70+1075). Cited (193 Fed. 265).

**7024. Vendors, consenting owners, etc.**—Whenever land is sold under an executory contract requiring the vendee to improve the same, and such contract is forfeited or surrendered after liens have attached by reason of such improvements, the title of the vendor shall be subject thereto; but he shall not be personally liable if the contract was made in good faith. When improvements are made by one person upon the land of another, all persons interested therein otherwise than as bona fide prior incumbrancers or lienors shall be deemed to have authorized such improvements, in so far as to subject their interests to liens therefor. But any person who has not authorized the same may protect his interest from such liens by serving upon the persons doing work or otherwise contributing to such improvement, within five days after knowledge thereof, written notice that the improvement is not being made at his instance, or by posting like notice, and keeping the same posted, in a conspicuous place on the premises: Provided, that as against a lessor no lien is given for repairs made by or at the instance of his lessee. (3509)

**1. Forfeiture of executory contracts**—48-13, 50+1016; 48-18, 50+1018, 31 Am. St. Rep. 616; 48-73, 50+1020; 49-397, 52+33; 50-525, 52+926; 51-246, 53+464; 52-484, 55+54; 68-213, 70+1075. See 40-441, 42+294; 41-403, 43+86; 42-1, 43+485.

**2. Consent implied—Notice**—The presumption of consent created by the statute is only prima facie (50-525, 52+926). See 47-81, 49+521). It establishes a rule of evidence in the nature of an equitable estoppel where owners remain silent when improvements are being made on their property without their consent (49-404, 52+34). The burden of proving the posting of notice is on the owner (51-246, 53+464). Lessors are required to give notice under this section except as to repairs. A peaceable entry to post the notice is not a trespass. Statute held constitutional (55-1, 56+253. See 42-427, 44+313). Notice to an agent held notice to the owner (60-251, 62+277). Knowledge of an agent to sell land is not knowledge of the owner within this section (53-252, 54+1109). The "improvements" of this section are the improvements specified in § 7020 (64-37, 65+1079). Application in case of executory contracts (48-13, 50+1016; 50-525, 52+926). Exception as to bona fide incumbrancers (48-73, 50+1020; 49-397, 52+33; 50-272, 52+895, 16 L. R. A. 288; 52-534, 54+751. See cases cited under § 7023). Notice held not posted (38-422, 38+112). A lessor may, by posting or giving notice, prevent mechanics' liens from attaching, though in the lease he has given the tenant permission to make the alterations; the tenant having agreed to pay for the alterations and to restore the building to its former condition at the end of the term (119-412, 138+417).

**7025. Payment to subcontractors, etc.**—The owner may withhold from his contractor so much of the contract price as may be necessary to meet the demands of all persons, other than such contractor, having a lien upon the premises for labor, skill, or material furnished for the improvement, and for which the contractor is liable; and he may pay and discharge all such liens and deduct the cost thereof from such contract price. Any such person having a lien under the contractor, may serve upon the owner, at any time, a notice of his claim. The owner, within fifteen days after the completion of the contract, may require any person having a lien hereunder, by written request therefor, to furnish to him an itemized and verified account of his lien claim, the amount thereof, and his name and address; and no action or other proceeding shall be commenced for the enforcement of such lien until ten days after such statement is so furnished. The word "owner" as used in this section shall include any person interested in the premises otherwise than as a lienor thereunder. (3510)

88-200, 92+964.

**7026. Lien statement**—The lien shall cease at the end of ninety days after doing the last of such work, or furnishing the last item of such skill, material,

or machinery, unless within such period a statement of the claim therefor be filed for record with the register of deeds of the county in which the improved premises are situated, or, if the claim be made under § 7022, with the secretary of state. Such statement shall be made by or at the instance of the lien claimant, be verified by the oath of some person shown by such verification to have knowledge of the facts stated, and shall set forth:

1. A notice of intention to claim and hold a lien, and the amount thereof.
2. That such amount is due and owing to the claimant for labor performed, or for skill, material, or machinery furnished, and for what improvement the same was done or supplied.
3. The names of the claimant, and of the person for or to whom performed or furnished.
4. The dates when the first and last items of the claimant's contribution to the improvement were made.
5. A description of the premises to be charged, identifying the same with reasonable certainty.
6. The name of the owner thereof at the time of making such statement, according to the best information then had. (3511)

*Amended

**1. In general.**—The right to a lien is dependent on the filing of a proper statement (39-438, 448, 40+513, 1 L. R. A. 777, 12 Am. St. Rep. 663). The filing for record of the verified statement, operates as the creation of the lien, and, at the same time, as notice of its existence to all interested parties (28-404, 10+473; 37-298, 33+791). It must conform substantially to the statute (see, under former statute, 24-300; 32-486, 21+729; 33-384, 23+550), but it is provided that inaccuracies in particulars shall not be fatal (§ 7085). Surplusage does not vitiate (61-303, 63+718). The inclusion of non-lienable items is not fatal if they are separable from the lienable items (38-494, 38+695). It need not allege that the materials were furnished under contract with the owner or at his instance (47-81, 49+521). It may include several claims (34-517, 26+725; 58-455, 60+23, 49 Am. St. Rep. 528). It may be withdrawn from the register's office after it is recorded (44-453, 47+51). It may be filed by an assignee of a claim (58-455, 60+23, 49 Am. St. Rep. 528), or by one who has assigned a claim as collateral security (57-402, 59+482, 47 Am. St. Rep. 622). Defects in the statement cannot be remedied by averments in the complaint (37-298, 33+791). The statement is to be liberally construed and technical objections are disfavored (48-18, 24, 50+1018, 31 Am. St. Rep. 616; 52-114, 53+1063; 77-514, 80+695. See § 7085). Need not designate law under which lien is claimed (103-360, 115+197).

**2. Time of filing.**—When materials are furnished for the same job at different times as a continuous transaction (32-535, 21+719; 34-403, 26+225; 45-254, 47+796; 45-327, 47+974; 61-303, 63+718; 139+619); when, after the completion of a job, repairs or additions are made to supply omissions or remedy defects (72-465, 75+705; 74-30, 76+953; 81-28, 83+463. See 63-48, 65+133); when materials are changed (63-471, 65+920; 77-514, 80+695); when "extras" are furnished (53-57, 54+936; 77-514, 80+695); when new material is furnished in place of the original in pursuance of a warranty (63-471, 65+920); when work is suspended for a time with the consent of the owner (48-325, 51+218. See 13-473, 438). A statement is ineffectual if it shows on its face that it was filed too late, even though the fact may have been otherwise (37-298, 33+791). Plaintiffs agreed with owner in 1902 to make all improvements, etc., which owner would need in future at stipulated prices. From time to time up to September, 1903, work was ordered and performed. A bill was presented at end of first contract, and afterward monthly. On November 14, 1903, plaintiffs filed a statement. In September, 1903, defendant became owner of under foreclosure. Held, that plaintiffs could enforce lien only for work done within 90 days next prior to filing (102-195, 113+4).

**3. Description of premises.**—The description need not be as full and precise as in a deed or judgment. It is sufficient if it describes the property with reasonable certainty so as to put interested parties on inquiry and enable them to identify (40-83, 41+456; 43-449, 45+868; 47-31, 49+394; 52-114, 53+1063; 52-121, 53+1064; 65-271, 68+21. See 47-124, 49+661; 100-380, 111+275). This rule applies where third parties have acquired intervening rights (52-114, 53+1063). The proper description is by reference to a recorded plat or the government survey (43-449, 45+868). Where the tract exceeds the statutory limit it is not necessary for the claimant to carve out the statutory quantity (33-1, 21+740; 33-384, 23+550; 42-1, 43+485; 65-271, 68+21). The building on the land need not be described (70-146, 72+974, 68 Am. St. Rep. 516). A false particular may be disregarded (43-449, 45+868; 65-271, 68+21; 100-380, 111+275). A description of the wrong lot is fatal (50-448, 52+915. Cf. 100-380, 111+275).

**4. Subd. 1.**—Claim of lien (33-384, 23+550).

**5. Subd. 4.**—48-18, 50+1018, 31 Am. St. Rep. 616; 52-455, 55+47; 53-57, 54+936; 55-162, 56+594; 77-514, 80+695.

**6. Subd. 6.**—47-81, 49+521; 51-202, 53+362. Under former statute (24-300; 28-404, 10+473; 32-486, 21+729; 33-172, 22+302; 35-192, 28+239; 46-336, 48+1134).

**7027. Two or more buildings**—A lienholder who has contributed to the erection, alteration, removal, or repair of two or more buildings or other improvements situated upon or removed to one lot, or upon or to adjoining lots, under or pursuant to the purposes of one general contract with the owner, may file one statement for his entire claim, embracing the whole area so improved; or, if he so elect, he may apportion his demand between the several improvements, and assert a lien for a proportionate part upon each, and upon the ground appurtenant to each respectively. **7028. Liens foreclosed by action**—Such liens may be enforced by action in the district court of the county in which the improved premises or some part thereof are situated, or if claimed under § 7022, of any county through or into which said railway or other line extends, which action shall be begun and conducted in the same manner as actions for the foreclosure of mortgages upon real estate, except as herein otherwise provided. (3513)

Nature of action (44-97, 46+315, 9 L. R. A. 152, 20 Am. St. Rep. 547; 47-74, 49+398, 645; 51-364, 53+653, 1017, 17 L. R. A. 815; 64-531, 67+639). No right to jury trial (27-312, 7+265).

**7029. Summons, pleadings, etc.**—The action may be commenced by any lienholder who has filed his lien statement for record, and all other such lienholders shall be made defendants therein. The summons shall state that the complaint has been filed with the clerk and shall be of no effect unless such complaint be in fact so filed. It shall contain a notice that the action is brought to foreclose a lien, giving the amount thereof, and a brief description of the premises affected, and of the improvement out of which the lien arose, and shall require each defendant to file his answer to the complaint with said clerk within twenty days after service on him. Such answer, in addition to all other matters proper to be pleaded, shall set up any lien claimed by the defendant, and demand the enforcement thereof. No copies of such complaint or answer need be served on any party, upon demand or otherwise, and all averments of the answer shall be taken as denied without further pleading. (3514)

**1. Summons**—51-364, 367, 53+653, 1017, 17 L. R. A. 815.

**2. Parties**—The owner is a necessary party (44-544, 47+162; 54-499, 56+172, 40 Am. St. Rep. 354; 64-531, 67+639, 58 Am. St. Rep. 555. See 76-434, 79+541). Under a former statute the original contractor was held a necessary party to an action by a subcontractor (43-449, 45+868). Other lien claimants of record are necessary parties (51-364, 53+653, 1017, 17 L. R. A. 815). All incumbancers should be made parties (47-74, 49+398, 645; 52-121, 53+1064. See 59-456, 61+556). Bringing in parties (43-449, 45+868, 50-525, 52+920). Assignee in insolvency may maintain action (52-455, 55+47).

**3. Complaint**—Must allege due filing of claim within statutory time (34-400, 26+14; 34-403, 26+225; 47-81, 49+521; 59-456, 61+556; 101-375, 112+282); must describe property with reasonable certainty (4-20, 7; 4-461, 358; 42-1, 43+485); must allege all the facts entitling the plaintiff to a lien (see 4-450, 352; 26-329, 4+47; 34-407, 26+227; 43-228, 45+150; 48-13, 50+1016); need not allege filing of lis pendens (61-303, 63+718; 63-154, 65+267); need not show that land is within statutory limit (42-1, 43+485); should demand a lien on the premises (4-461, 358).

**4. Answer**—New matter in defence must be pleaded as in an ordinary action (46-357, 49+57). When a lien claimant appears and answers, setting up his claim, he makes the action his own for the purpose of enforcing his lien and the failure of the plaintiff to recover will not affect him (53-431, 55+540). One who has no interest in the property cannot interpose a defence to a lien claim (11-475, 354).

**7030. Lis pendens, parties, limitation, etc.**—At the beginning of the action the plaintiff shall file for record with the register of deeds of the county in which it is brought, and of the several counties if the lien be claimed un-

der § 7022, a notice of the pendency thereof, embracing therein a copy of the summons, omitting the caption. After such filing, no other action shall be commenced for the enforcement of any lien arising from the improvement described, but all such lienholders shall intervene in the original action by answer, as provided in § 7029. Any such lienholder not named as a defendant may nevertheless answer the complaint and be admitted as a party. If more than one action shall be commenced in good faith, all shall be consolidated and tried as one, under such order of the court as may best protect the rights of all parties concerned. But no lien shall be enforced in any case unless the holder thereof shall assert the same, either by complaint or answer, within one year after the date of the last item of his claim as set forth in the recorded lien statement; nor shall any person be bound by the judgment in such action unless he is made a party thereto within said year. (3515)

Lis pendens (54-499, 56+172, 40 Am. St. Rep. 354; 61-303, 63+718; 63-154, 65+267; 64-531, 67+639, 58 Am. St. Rep. 555). But one action authorized. Other claimants to intervene. Consolidation of actions (52-455, 55+47). Claim must be asserted within one year from furnishing the last item (50-445, 52+915; 50-457, 52+915, 18 L. R. A. 753; 50-503, 52+922, 36 Am. **7031. Bill of particulars**—Each lienholder shall attach to and file with his complaint or answer a bill of the items of his claim, verified by the oath of some person having knowledge thereof, and shall file such further and more particular account, as the court may at any time direct. Upon his failure to file such original or further bill, his pleading shall be stricken out and his claim disallowed. But no failure to comply with any of the provisions of this chapter shall affect the right of any person to recover, in an ordinary civil action, from the party with whom he has contracted. (3516)

51-364, 53+653, 1017, 17 L. R. A. 815; 77-514, 80+695; 140+339.

**7032. Postponement, judgment, subrogation, etc.**—If upon the trial of such action, or at any time before the execution of final judgment therein, it shall transpire that any proper party who may still be brought in has been omitted, or that any party then entitled to answer has not yet appeared, or that for any other reason the trial or judgment should be delayed, or the judgment as ordered or entered be modified, the court may postpone the trial, or make such other or further order in the premises as shall be just. And if it be found that any indebtedness for which a lien is demanded be not then due, the same shall be allowed for the amount of its present worth. Judgment shall be given in favor of each lienholder for the amount demanded and proved by him, with costs and disbursements to be fixed by the court at the trial, and such amount shall not be included in the lien of any other party; but if, after judgment, a lienholder who is personally indebted for the amount of any lien so adjudged in favor of another shall pay such indebtedness, he shall thereby become subrogated to the rights of the person so paid. (3517)

Bringing in new parties (43-449, 45+868; 50-525, 52+926; 119-219, 138+28). Opening default (56-476, 58+38). Reasonable attorney's fees may be allowed (106-188, 118+555). Court may allow costs and disbursements, including attorney's fee, to prevailing lienholder, and this statute is constitutional (140+339).

**7033. Judgment, sale, redemption, etc.**—The judgment shall direct a sale of the real estate or other property for the satisfaction of all liens charged thereon, and the manner of such sale, subject to the rights of all persons which are paramount to such liens or any of them. It shall require the officer making such sale to pay over and distribute the proceeds of the sale, after deducting all lawful charges and expenses, to and among the lienors to the amount of their respective claims, if there is sufficient therefor; and if there is not sufficient then to divide and distribute the same among the several lienors in proportion to the amount due to each, and without priority among themselves. If the estate sold be a leasehold having not more than two years to run, or be the interest of a vendee under an executory contract of sale the conditions whereof are to be performed within the same period, no redemption shall be allowed; in all other cases the right of redemption shall be

the same as upon execution sales. But no sale shall be deemed complete until reported to and confirmed by the court. (3518)

No priority among lienors in the distribution of proceeds of sale (52-522, 54-746; 54-486, 56+131; 93-501, 101+963, 106 Am. St. Rep. 445. See 50-457, 52+915, 18 L. R. A. 753). Deduction of amount due subcontractor from amount due principal contractor (67-329; 69+1091, 64 Am. St. Rep. 418). Judgment cannot be docketed as a personal judgment (58-365, 59+1086). If plaintiff establishes a cause of action for the recovery of money, but fails to establish his right to a specific lien, he may have an ordinary personal judgment (35-451, 29+65; 37-455, 35+178; 58-365, 59+1086). A sale of an equitable owner's interest may be ordered before the extent of such interest is judicially determined (76-434, 79+541). Redemption (48-223, 50+1038; 51-417, 53+719. See 13-455, 424).

**7034. Severance of building, resale, receiver, etc.**—If, without material injury to the building or other improvement to which the lienholder has contributed, the same can be severed and removed from the land, the judgment, in the discretion of the court, may direct the sale of such improvement, with the privilege to the purchaser of removing the same at any time within sixty days, unless before such removal the owner or other person interested in the land shall pay to the sheriff, for the purchaser, the amount realized from the sale, with interest and all expenses incurred toward such removal. If in any case the sale be not confirmed, the court may direct a resale, or, if deemed best, may appoint a receiver to lease or otherwise handle the property, under its direction, in the interests of all persons concerned. And in all cases of liens arising under § 7022 such receivership may be created in the first instance instead of directing a sale of the property. (3519)

**7035. Miners**—Whoever performs labor, or furnishes any skill, material, or machinery, in or about the opening or working of any mine, at the request of the owner thereof, or of the lessee of such owner, or of any contractor with either, shall have a lien for the value thereof upon the interest of such owner or lessee, as the case may be, in said mine and its appurtenances, which lien may be asserted and enforced as in this chapter prescribed in respect to other liens upon real estate. (3520)

### PERSONALTY IN POSSESSION

**7036. For keeping, repairing, etc.**—Whoever at the request of the owner or legal possessor of any personal property shall store or care for or contribute in any of the modes mentioned in the next section to its preservation, care, or to the enhancement of its value, shall have a lien upon such property for the price or value of such storage, care or contribution, and for any legal charges against the same paid by such person to any other person, and the right to retain the property in his possession until such lien is lawfully discharged; but a voluntary surrender of possession shall extinguish the lien herein given. ('05 c. 328 § 1, amended '07 c. 114 § 1)

**Historical**—By 1905 c. 328 § 6, G. S. 1894, §§ 6247, 6248, and all other acts or parts of acts inconsistent therewith are repealed. Said sections 6247, 6248, were sections 1, 2, of 1889 c. 199, which was repealed by § 9448; the provisions thereof being incorporated in sections 3521 to 3523. The effect of 1905 c. 328, as amended, is to supersede R. L. §§ 3521-3523.

See 43-148, 44+1088; 60-54, 56, 61+830; 60-525, 63+103.

To take timber out of the water, and pile, trim, sort and prepare it for market, is within 1905 c. 328, as amended by 1907 c. 114. Enforcement of such possessory lien cumulative remedy, not inconsistent with the log lien statute, R. L. §§ 3524-3540 [7058-7076] (100-120, 123+58).

**7037. For what given**—Such lien and right of detainer shall exist for:

1. Transporting property from one place to another as a common carrier or otherwise;
2. Keeping or storing property as a warehouseman or other bailee;
3. Keeping, feeding, pasturing, or otherwise caring for domestic animals or other beasts, including medical or surgical treatment thereof and shoeing the same;
4. Making, altering or repairing any article, or expending any labor, skill or material thereon.

Such liens shall embrace all lawful charges against such property paid to any other person by the person claiming such lien, and the price or value of such care, storage or contribution and all reasonable disbursements occa-

sioned by the detention or sale of the property. ('05 c. 328 § 2, amended '07 c. 114 § 2)

Subd. 2 (45-222, 47-784). Subd. 3 (43-148, 44-1083; 64-375, 67-203; 64-472, 67-365; 66-57, 68-514, 61 Am. St. Rep. 391). Subd. 4 (45-222, 47-784; 60-54, 56, 61-830).

**7038. Sale**—If any sum secured by such lien be not paid within ninety days after it becomes due, the lien holder may sell the property and out of the proceeds of such sale there shall be paid, first, the disbursements afore-said, and, second, all charges against said property paid by such person to any other person, and, third, the total indebtedness then secured by the lien. The remainder, if any, shall be paid on demand to the owner or other person entitled thereto. ('05 c. 328 § 3, amended '07 c. 114 § 3)

45-222, 47-784.

**7039. Sale, when and where made—Notice**—The sale herein provided for shall be made at public auction between 9 o'clock in the morning, and 5 o'clock in the afternoon in the county where the property or some part thereof is situated. A notice stating the time and place of sale, the amount which will be due on the date of sale exclusive of the expenses of advertising and sale, and the grounds of the lien, giving a general description of the property to be sold, shall be served personally upon the owner of the property if he can be found within the county in which said property is stored, and if he cannot, then it shall be mailed to the owner thereof at least three weeks before the time fixed for such sale if the place of residence or postoffice address of such owner is known to him or with due diligence can be learned by the person claiming such lien, and shall be published once in each week for three successive weeks in a newspaper printed and published in the county where said property or some part thereof is situated, the last publication of such notice to be at least one week prior to the date of sale; or, if there is no newspaper printed and published in the county, then said notice of sale shall be posted in three of the most public places in the county at least three weeks before the time of sale. In case neither the place of residence nor the postoffice address of such owner is known to the person claiming such lien and cannot with reasonable diligence be learned, the publication or posting of notice as herein provided shall be sufficient to authorize such sale. ('05 c. 328 § 4, amended '07 c. 114 § 4)

**7040. Conduct of sale**—The property sold as herein provided shall be in view at the time of the sale. Under the power of sale hereby given enough of said property may be sold to satisfy the amount due at the time of sale, including expenses, and said property, if under cover, may be offered for sale and sold in the original packages in the form and condition that the same was received by the lien holder; but after sufficient property has been so sold to satisfy the amount so due no more shall be sold. The lien holder, his representatives or assigns, may fairly and in good faith purchase any property sold under the provisions of this act, provided the sale is conducted by the sheriff, his deputy, or any constable of the county where such sale is made. ('05 c. 328 § 5)

#### SHOEING ANIMALS

**7041. To whom given—Against whom**—Every person who shall shoe or cause to be shod by his employes any horse, mule, ox or other animal shall have a lien upon the animal shod for his reasonable charge for the shoeing of the same, and each lien conferred by this act shall take precedence of all other claims or liens thereon, not duly recorded prior to the recording of the claim of lien, as hereinafter provided, but such lien shall not attach where the property has changed ownership prior to the filing of such lien. ('07 c. 47 § 1)

**7042. Statement and notice, when and where filed**—Any person desiring to secure the benefit of this act shall, within six months after the shoeing of such horse, mule, ox or other animal, or in case he shall have shod such animal more than once within that time, then within six months of the last shoeing, file with the township clerk, city clerk, or village recorder as the case may be, in the township, village or city in which such animal is, a statement made under oath by the claimant, or some one in his or her behalf, and

a notice of his intention to claim a lien upon such animal for his charges for the shoeing of the same. ('07 c. 47 § 2)

7043. **To state, what**—Such statement and notice shall state the name of the person claiming the lien, the name of the owner or reputed owner of the animal sought to be charged with the lien, and a description sufficient for identification of the animal upon which the lien is claimed, and the amount due the claimant, as near as may be, over and above all legal off-sets. ('07 c. 47 § 3)

7044. **Successive liens**—Any person may file successive liens upon the same animal for charges for shoeing the same, and he may include in any one claim of lien his charges for any number of times of shoeing such animal; provided, however, that no lien shall be had for any shoeing of any animal done more than six months prior to the filing of the notice of lien. ('07 c. 47 § 4)

7045. **Duty of clerk—Fees**—It shall be the duty of the township, city clerk or village recorder, as the case may be, upon the presentation to him of any such statement and notice of lien, to file the same in his office in the same manner as provided by law for the filing and recording of chattel mortgages; and he shall be entitled to charge and receive from the person filing such statement and notice a fee of twenty-five cents, and no more. ('07 c. 47 § 5)

7046. **Certified copy—Evidence**—A copy of such statement and notice of lien, filed as aforesaid, certified by the township or city clerk, or recorder as the case may be, shall be received in evidence in any proceeding taken to enforce the lien herein provided for, but only of the fact that such statement and notice of lien was received and filed according to the indorsements of the township, city clerk or village recorder thereon and of no other fact. ('07 c. 47 § 6)

7047. **Action to enforce—Notice**—The person having such lien shall within six months from and after the date of filing such lien statement, commence suit for the recovery of such charges by summons, in the usual form, before any justice of the peace of the township in which he resides, or in any court, as the case may require, against the person liable for the payment thereof. But before any such lien claimant shall commence any action to foreclose such lien, he shall give the person against whom he proposes to bring such action at least twenty days' notice in writing of his intention to foreclose such lien. ('07 c. 47 § 7)

7048. **Personal service**—If such summons be returned personally served upon the defendant, the same proceedings shall thereon be had in all respects as in other suits commenced by summons, in which there is a personal service of process; the judgment shall be rendered in such suit in like manner as judgments are now rendered in civil actions. ('07 c. 47 § 8)

7049. **When defendant not found**—If the officer return upon such summons that the defendant cannot be found in this county, the same proceedings shall be had in all respects, as near as may be, as in suits commenced by attachment in which there is not a personal service of the attachment upon the defendant, and judgment shall be rendered in such suits in like manner as judgments are now rendered in such actions. ('07 c. 47 § 9)

7050. **Execution and sale**—If the plaintiff recover judgment in such suit, execution shall be issued thereon in the same manner and with like effect as upon judgments now rendered in suits commenced by attachment, and the horse, mule, ox, or other animal, upon which the plaintiff holds such lien, shall not be exempt from execution, but may be sold to satisfy such execution in the same manner as if it had been seized and held upon an attachment in such suit. ('07 c. 47 § 10)

7051. **Expenses**—All expenses which shall have been incurred by the person having such lien after the same had accrued shall be an additional lien upon the property, and shall be computed and ascertained upon the trial or assessment of damages and included in the judgment. ('07 c. 47 § 11)

7052. **Findings—Judgment**—In all suits or attachments prosecuted under the provisions of this act, the court, jury or justice of the peace who shall

try the same, or make an assessment of damages therein, shall, in addition to finding the sum due the plaintiff, also find that the same is due for the cost of shoeing the horse, mule, ox, or other animal described in plaintiff's declaration, and is a lien upon the same; provided, however, that if the court, jury, or justice of the peace shall find that the amount due the plaintiff is not a lien upon the property described in the plaintiff's declaration, the plaintiff shall be non-suited thereby, but shall be entitled to judgment, as in other civil actions, but in such case said plaintiff shall not recover or tax any costs other than those allowed and taxable in such case; and in those cases where the amount due is found to be a lien upon the property mentioned in plaintiff's declaration, the finding or verdict may be in the following form: (The court, jurors or justice, as the case may be) say that there is due the sum of ..... dollars from the said defendant, and that the same is due for plaintiff's reasonable charges for shoeing the animal mentioned in plaintiff's declaration (giving a description sufficient for identification of the animal), and that the plaintiff has a lien upon said animal for said amount. ('07 c. 47 § 12)

**7053. To whom given—Against whom—Amount—Whoever performs or contributes any labor or skill, or furnishes or contributes any machinery, supplies, materials or storage in making, altering, repairing, storing, or otherwise caring for any motor-vehicle, whether pursuant to a contract with the owner of such motor-vehicle, or at the instance or request of any agent of such owner, shall have a lien upon such motor-vehicle for the price, or value, of the labor or skill performed, or machinery, supplies, materials or storage furnished or contributed. If the labor is performed, or machinery, supplies, materials or storage is furnished pursuant to a contract, for an agreed price, the lien shall be for the sum so agreed upon; otherwise, it shall be for the reasonable value thereof. ('11 c. 320 § 1)**

**7054. Statement and notice—When and where filed—To state what—The lien shall cease at the end of sixty days after the furnishing of the last item of such labor, machinery, supplies, materials, and sixty (60) days after the termination of such storage, unless within such period a statement of the claim therefor be filed for record with the township clerk, city clerk or village recorder, as the case may be, in the township, village or city in which the owner of such motor vehicle resides. Such statement shall, by or at the instance of the lien claimant, be verified by the oath of some person, shown by such verification to have knowledge of the facts stated, and shall set forth:**

1. The name of the person claiming the lien, and notice of intention to claim and hold a lien;
2. The name of the owner, or reputed owner, of such motor-vehicle;

And when such statement and assignment have been made and filed in the office of the surveyor general of the lumber district in which such logs are situated, or in the office of the clerk of the district court, in case such statement is filed in the office of the clerk of the district court, said person to whom said assignment is made shall be subrogated to all the rights of the original claimant, and is hereby authorized to enforce the lien against said logs, cross-ties, poles and all other timber in his own name, in the same manner and with the same effect as the original claimant could have done had not such assignment been made; and any person holding the title to said logs or tim-

Such filing shall continue the lien in force for ninety days thereafter, and no longer, unless within that period an action be commenced for its enforcement as herein provided. (3526)

collected out of the property, as other costs and disbursements are collected. (3530)

**7065. Pleadings—Priority of liens**—The complaint shall allege the facts upon which the plaintiff's right to a lien depends, and the averments thereof shall be taken as true unless expressly denied by answer. At least five days' notice shall be given of the application for such dissolution, and at the hearing thereof the judge, in his discretion, may require the sureties to justify orally at such time and place as he may direct. The bond so approved, the affidavit and notice, and the order of dissolution shall be filed with the clerk, whereupon the property shall be released. (3532)

**7067. Findings, judgment, costs**—Upon the trial of such action the court or jury, in addition to finding the sum due to plaintiff, shall find how much thereof is due for labor or service upon the property described in the complaint, and how much of such property is subject to plaintiff's lien. **7068. Execution sale**—The judgment shall be enforced by execution sale of the property found subject to the lien, if any there be; if not, execution shall issue in ordinary form for the amount recovered. And if a part only of the recovery be secured by the lien, separate executions may issue as the case shall require. The levy upon property covered by the lien shall be made in the manner provided for the levy of the attachment, and notice of the sale shall be given as in the case of ordinary execution sales, except that such notice shall also be posted in the office of the surveyor general of the district; and if the sale be made in the county wherein the surveyor general's office is situated, it shall take place at said office. The officer making the sale shall give his certificate thereof to the purchaser, which shall vest in him the title of all parties to the action, and entitle him to a scale bill for such part of said property as is described by recorded marks. **7069. Obstructing or intermixed logs**—Any person desiring to float logs or other timber in any of the streams or waters of this state, and being hindered or obstructed in so doing by the logs or timber of another, or any person whose logs or timber shall become so intermingled therein with those of another as to make it difficult to separate his own without floating all to other waters, may drive all such obstructing or mingled logs or timber, with his own, to some point where the same can conveniently be assorted and his own separated from the mass. And he shall have a lien upon the logs or timber so driven for the reasonable value of his services in driving the same, which shall be asserted and enforced as in the case of other liens. (3535)

Driver must exercise care and skill (35-324, 29+142; 77-153, 79+664), and actually drive the logs (46-338, 48+1109). Statute does not abrogate common law ac-

And he shall have a lien upon the logs or timber so raised or floated for the reasonable value of his services in raising and floating the same, which shall be asserted and enforced as in the case of other liens upon logs and timber. Any person who shall convert to his own use any logs or timber of another upon which he has a lien under the provisions of this section, and the delivery of which has not been demanded by the owner thereof, shall be liable to the owner of the logs or timber so converted for the full value thereof at the time of such conversion, with interest, less the amount of such lien and payment of the amount of such liability shall be full compensation for all logs or timber so converted. For such service said surveyor general shall receive in addition to all fees now allowed by law the further sum of five dollars for each day's attendance under the provisions hereof, and such fees shall be paid by the person so employing him and shall be taken and held to be a part of the cost of raising and floating such logs and timber. Provided, however, that no such work shall be performed within the limits of any operating boom company organized under the laws of the state of Minnesota, except under the supervision and direction of some representative of the boom company within whose limits such work is being carried on. (3536)

(3537)

**7074. How preserved and enforced**—The liens provided for in §§ 7072, 7073 shall be preserved and enforced as in the case of labor liens, except that no demand for payment need be made before the lien statement is filed, and that said lien statement, in addition to the other facts required, shall specify under which of said sections the lien is claimed; and except, further, that in no case need the same be filed for record elsewhere than with the surveyor general of the lumber district in which said property is found. (3538)

**7075. Surveyor general—Lien for charges**—To secure the payment of his fees, mileage, and other charges for official services relating to logs, timber, and lumber, any surveyor general shall have a lien upon the same, which he may retain by affixing to the scale bill of such logs, timber, or lumber a statement of the amount due him, with a declaration that he claims and is entitled to such lien, and by taking actual possession of a quantity of such logs, timber, or lumber sufficient to pay such amount, with the expenses of seizure and sale. Such lien shall not be affected by any agreement with the employer to waive the same, and shall be preferred to mortgages, judgments, and other liens which shall have attached after the beginning of the labor or services in which said wages were earned. (3541)

A certified copy of such statement shall be sufficient to authorize the lienholder to take possession of said offspring at any time within one year after its birth, and to foreclose his lien thereon by advertisement and sale, as in the case of a chattel mortgage. (3545)

**7082. For threshing grain**—Any person owning or operating a threshing machine shall have a lien upon the grain threshed therewith for the price or value of such service, which shall be preferred to all other liens or incumbrances except those given for the seed from which said grain was grown. So far as applicable thereto, the laws relating to the enforcement of chattel mortgages shall govern the foreclosure of liens hereunder. Any person secreting or disposing of property covered by such lien, without the consent of the lienholder, shall be guilty of a misdemeanor, the minimum penalty whereof shall be a fine of twenty-five dollars.
