MINNESOTA STATUTES 1923

PREFACE.

Due to the reduction to notes in the General Statutes of 1923 of certain statutory matter, as well as to certain errors and omissions, the bench and bar have found it difficult or impossible to locate certain existing laws therein. Pursuant to Chapter 83, Session Laws 1925, and with the approval of Samuel B. Wilson, Chief Justice of the Supreme Court, and Clifford L. Hilton, Attorney General, members of the Minnesota Statute Compilation Commission, this Appendix and Addenda is issued.

The appendix contains a table of the sections of General Statutes of 1913 in numerical order and indicates the disposition of each and every section whether amended, repealed, omitted or reduced to a note and the place each section appears.

There is a similar table of the session laws of 1915, to 1923, inclusive, showing the disposition of each chapter and section; and at the end of the appendix is an addenda supplying all omissions in General Statutes of 1923. The addenda contains a simple table of contents indicating the omissions, which are not numerous.

Certain sections of the Intoxicating Liquor Chapter in the 1913 Statutes are placed in the addenda because of a doubt existing as to whether they are in force, or repealed by implication.

The statute table and tables of session laws serve as a brief and, it is to be hoped, entirely adequate history of all Minnesota statute law.

George Nordlin, Esquire, of the Saint Paul Bar, supervised the making of the session law tables and the editors were also assisted by Mr. Paul D. Schriber of the Saint Paul Bar.

The secretary-treasurer of the Board shall give a surety bond satisfactory to the State Treasurer conditioned upon the faithful performance of his duties. The premium on said bond shall be regarded as a proper and necessary expense of the Board.

Sec. 8. Records—Reports.—The Board shall keep a record of its proceedings and a register of all applicants for registration showing for each, the date of application, name, age, educational and other qualifications, place of business and place of residence, whether or not an examination was required and whether the applicant was rejected or a certificate of registration granted, and the date of such action. The books and register of the Board shall be prima facie evidence of all matters recorded therein. A roster showing the names and places of business and of residence of all registered architects, engineers and land surveyors shall be prepared by the secretary-treasurer of the Board during the month of January of each year; such roster shall be printed out of the funds of the Board as provided in Section 7. On or before the first day of February of each year the Board shall submit to the Governor and file with the Secretary of State a copy of the report of its transactions for the preceding year together with a complete statement of the receipts and expenditures of the Board signed by

the chairman and the secretary treasurer, accompanied by a certified audit, and a copy of the said roster of registered architects, registered engineers and registered land surveyors.

Sec. 9. Application for and issuance of certificates.—The Board shall, on application therefor, on prescribed form and the payment of a fee of not to exceed Twenty-five (\$25.00) Dollars issue a certificate of registration as an architect or an engineer, and on the payment of a fee of not to exceed Ten (\$10.00) Dollars issue a certificate of registration as a land surveyor;

The failure on the part of any registrant to renew his certificate annually in the month of December as required above shall not deprive such person of his right of renewal thereafter, but the fees to be paid for the renewal of the certificate after the succeeding first day of January shall be Seven (\$7.00) Dollars for an architect or an engineer, and Three (\$3.00) Dollars for a land surveyor. The aggregate fee for renewal of registration in two or three of the professions shall be the same as the single renewal fee for registration as an architect or an engineer.

Sec. 10. Certificates may be revoked for cause—Re-issue.—The Board shall have the power to revoke the certificate of registration of any architect, engineer or land surveyor registered hereunder, who is found guilty of any fraud or deceit in obtaining a certificate of registration or of gross negligence, incompetency or misconduct in the practice of architecture, engineering or land surveying. Any person may prefer charges of such fraud, deceit, negligence, incompetency or misconduct against any architect, engineer or land surveyor registered hereunder. Such charges shall be in writing, sworn to by the complainant and submitted to the Board; and unless dismissed without hearing by the Board as unfounded or trivial, shall be heard and determined by the Board within three months after the date on which they are preferred. A time and place for such hearing shall be fixed by the Board. A copy of the charges, together with a notice of the time and place of hearing, shall be legally served on the accused at least thirty days before the date fixed for the hearing, and in the event that such service can not be effected thirty days before the hearing, then the date of hearing and determination shall be postponed as may be necessary to permit the carrying out of this condition. At said hearing the accused shall have the right to appear personally and by counsel, to cross-examine witnesses against him and to produce evidence and witnesses in his defense. If after said hearing five or more members of the Board vote in favor of finding the accused guilty of any fraud or deceit in obtaining a certificate, or of gross negligence, incompetency or misconduct in the practice of architecture, engineering or land surveying, the Board shall revoke the certificate of registration of the accused.

The Board may reissue a certificate of registration to any person whose certificate has been revoked, provided five or more members of the Board vote in favor of such reissuance for reasons the Board may deem sufficient.

A new certificate of registration to replace any certificate revoked, lost, destroyed or mutilated, may be issued, subject to the rules and regulations of the

Board. A charge of one dollar shall be made for such reissuance.

Sec. 11. **Certificate to be evidence.**—The issuance of a certificate of registration by this Board shall be evidence that the person named therein is entitled to all the rights and privileges of a registered architect, registered engineer or registered land surveyor while the said certificate remains unrevoked or unexpired.

Each registrant hereunder may upon registration obtain a seal of the design authorized by the Board, bearing the registrant's name and the legend "Registered Architect," "Registered Professional Engineer" or "Registered Land Surveyor." Plans, specifications, plats, reports or other documents issued by a registrant may be stamped with said seal during the life of registrant's certificate, but it shall be unlawful for anyone to stamp or seal any document with said seal after the certificate of the registrant named thereon has expired or has been revoked.

Sec. 12. **Violations—Penalties.**—Any person who after this Act has been in effect six months is not authorized to practice in this State as a registered architect, a registered engineer or a registered land surveyor under the provisions of this Act and shall so practice, or offer so to practice, and any person presenting or attempting to file as his own the certificate of registration of another, or who shall give false or forged evidence of any kind to the Board, or to any member thereof, for the purpose of obtaining a certificate of registration, or who shall falsely impersonate any other practitioner, of like or different name, or who shall use or attempt to use an expired or revoked certificate of registration, shall be deemed guilty of a misdemeanor; and shall for each such offense of which he is convicted be punished by a fine of not less than fifty (\$50.00) dollars nor more than five hundred (\$500.00) dollars, or by imprisonment for three months, or by both fine and imprisonment. Be it enacted by the Legislature of the State of Minnesota:

Section 1. Tax on iron ore royalties—Rate.—There shall be levied and collected upon all royalty received during the year ending December 31, 1923, and upon all royalty received during each calendar year thereafter, for permission to explore, mine, take out and remove ore from land in this state, a tax of six (6) per cent.

Sec. 2. Definitions.—For all purposes of this act the word "royalty" shall be construed to mean the amount in money or value of property received by any person having any right, title or interest in or to any tract of land in this state for permission to explore, mine, take out and remove ore therefrom; and the word "person" shall be construed to include individuals, copartnerships, associations, companies and corporations.

Sec. 3. Annual reports to tax commission.—Every person to whom royalty is paid shall on or before the first day of February, 1924, and annually thereafter on or before the first day of February of each year, make and file with the Minnesota Tax Commission a report verified by the person making the same and setting forth the amount of royalty received by such person during the preceding calendar year, and such other information as said commission may require.

Sec. 4. Contents of reports.—It shall be the duty of every person paying royalty, on or before the first day of February, 1924, and annually thereafter on the first day of February in each year, to make and file with the Minnesota Tax Commission, a report covering the preceding calendar year, verified by the oath of the person making the same and setting forth:

1. The number of tons mined from each tract of land for the right to mine and remove ore on which such person pays royalty.
2. The amount of royalty paid on each tract of land separately.
3. The name and postoffice address of each person to whom royalty is paid, and
4. Such other information as said commission may require.

Sec. 5. A person subletting land for the use of which he received royalty shall be required to pay taxes only on the difference between the amount of royalty paid by him and the amount received.

Sec. 6. **Penalties for non-payment.**—If any person subject to the tax provided by this act shall fail to make the report provided for in Section 3 of this act, at the time and in the manner therein provided, there shall accrue upon the tax herein imposed a penalty in an amount equal to ten per cent (10%) of the tax so imposed to be added to and collected with such tax. The tax commission shall in such case determine the amount of the ores mined or produced, together with the royalty paid thereon and shall fix the tax due thereon from such person, together with such penalty, upon such information as it may possess or obtain and shall proceed as provided by law when such taxes are determined upon the sworn report of the person receiving such royalty. Such findings shall stand in the place of the report required by this act to be made by such person and shall be in all courts of the state, for all purposes, prima facie evidence of the facts herein stated.

Sec. 7. **Date of payment.**—Such tax shall be due and payable on the first day of June, 1924, and annually thereafter on the first day of June, and if not paid on or before that date a penalty of ten (10) per cent shall immediately accrue thereon.

Sec. 8. **Tax a lien on lands and ore.**—The situs of royalty for all purposes of this act shall be in this state; and the tax herein provided for shall be a specific lien from the time the same is due and payable upon all and singular the right, title and interest of the person to whom such royalty is payable, in and to the land for permission to explore, mine, take out and remove ore on which the royalty is paid.

Sec. 9. **Auditor to make draft.**—On or before the tenth day of June in each year the state auditor shall make his draft upon each person delinquent in the payment of such tax for the amount of taxes and penalty, or penalties, due thereon, and place the same in the hands of the state treasurer for collection.

The draft of the state auditor for the tax and penalties imposed by the foregoing provisions of this act shall be prima facie evidence in any court where proceedings may be brought for its enforcement that the amount therein stated is due the state from the person against whom the same is drawn.

Sec. 10. **Treasurer to collect tax.**—The state treasurer within ten days after the receipt of the draft mentioned in Section 9 of this act shall notify by mail the taxpayer designated therein of the amount thereof and if not paid within thirty days after presentation shall deliver the same to the attorney general whose duty it shall be to bring an action thereon in the district court of Ramsey County for the amount of such draft, together with interest and costs of the proceedings. Such tax shall draw interest at the rate of one per cent per month, commencing thirty (30) days after the same falls due; and the judgment of the court when so obtained and properly docketed shall be a lien upon all right, title and interest of the taxpayer to the land upon which such tax is a lien from the time the same is docketed; and said lien shall continue without limitation with interest at the rate of one per cent per month and the said property may be sold in satisfaction of such judgment in the same manner as provided by law for the sale of property upon execution.

Sec. 11. **Penalties for false returns.**—Any person who for the purpose of evading the payment of the tax herein provided or any part thereof makes any false return or report shall in addition to the tax provided by this act pay a penalty of fifty (50) per cent of the amount of said tax; and any person who shall knowingly make under oath any false report or return required by this act shall be guilty of perjury and

upon conviction thereof shall be punished therefor as provided by law.

Sec. 12. **Records to be open to inspection of tax commission—Violations and penalties.**—All books, way-bills, inventories, correspondence and memoranda relating to or used in the transaction of the business of any person paying or receiving royalty on ore mined in this state, shall upon request of the Minnesota Tax Commission be open to its inspection or examination. If any such person shall neglect or refuse on request of the Minnesota Tax Commission access to the papers and books aforesaid, he shall be guilty of a misdemeanor and upon conviction thereof shall be punished therefor as provided by law.

Sec. 13. **Taxes to be paid into general revenue fund.** All taxes assessed, levied and collected under the provisions of this act shall be paid into the state treasury and credited to the general revenue fund.

Sec. 14. This act shall take effect and be in force from and after its passage.

Approved April 11, 1923.

Provided also that where any marriage is contracted between two blind persons after the passage of this act, the maximum paid under this section for their joint care and relief shall not exceed the sum of thirty (30) dollars monthly.

For the purposes of this section a blind person shall be one who with the help of eye glasses or other resources has not sufficient ocular power for the ordinary affairs of life or in particular for the performance of tasks for which eyesight is essential.
