## CHAPTER 14

## Education

**2741. Public schools—Tuition free—Age of pupils.**

Maintenance of public school system is a matter of state and not of local concern. *State v. Erickson*, 190M 216, 251NW519. See Dun. Dig. 8662, 8669.

Children of an orphanage have legal right to attend school without payment of tuition. *Op. Atty. Gen.*, Apr. 17, 1933.

**2742. School districts.**

Atty. Gen.* (166c-3), Sept. 7, 1934.

**2744. Petition.**

**2745. Notice of hearing.**

*Op. Atty. Gen.*, June 16, 1932; note under §2753.

**2747. Appeal from order.**

Determination of board in granting or rejecting petition will not be disturbed by the courts unless based upon erroneous theory of law, or unless the decision is clearly arbitrary, oppressive, fraudulent or in unreasonable disregard of the best interests of the territory affected, or such as to work manifest injustice. 174M347, 219NW289.

Verdict that rejection of petition was arbitrary and unreasonable held sustained by evidence. 174M347, 219NW289.

Action of county board in detaching territory from one district and adding it to another is legislative in character, and cannot be disturbed unless arbitrary, unreasonable or unjust or against the best interests of the public. 174M380, 219NW456.

School board may employ attorneys to prosecute appeal, and attorneys are entitled to fees notwithstanding new board decides to dismiss appeal. *Op. Atty. Gen.* (166c-1), Mar. 25, 1935.

Issues of fact are to be tried as in civil action. *Id.*  
Appeal should be taken by members of school board acting as school officials. *Id.*

**2748. Changing boundaries of school districts.**—By like proceedings, and upon petition of the majority of the freeholders of each district affected, qualified to vote at school meetings, the boundaries of any existing district may be changed, or two or more districts consolidated, or one or more districts annexed to an existing district. No change in the boundaries of a district by organization of a new district, by detachment of land on petition of the owner or owners, or otherwise shall be made, so as to leave the old district without at least one school house used for school purposes and without at least four sections of land if not a consolidated district and not less than 12 sections if a consolidated district, nor shall any change of districts in any way affect the liabilities of the territory so changed upon any bond or other obligation; but any such real estate shall be taxed for such outstanding liability and interest, as if no change had been made. In case of the consolidation or annexation of districts, whether under the foregoing or any other provisions of the law, action shall be brought by or against the new or remaining district upon any cause existing in favor of or against any discontinued district, but a judgment in such action against such existing district shall be satisfied only from taxes upon the real property included in the discontinued district, when the liability was incurred.

Provided, that when any incorporated borough, village or city of seven thousand or less inhabitants, has within its limits a school district, however organized, or is wholly or partly included within the boundaries of any school district, however organized, or whenever any such school district shall include

within its boundaries part or the whole of any incorporated borough, village or city of seven thousand inhabitants, or less, the boundaries of any such district or districts may be enlarged or changed so as to include all lands within the corporate limits of such borough, city or village or so as to include lands within and outside of such incorporated borough, city, or village, but contiguous to said district in the following manner, to-wit:

Whenever a majority of the legal voters residing within such school district and a majority of the legal voters residing upon the lands proposed to be attached or annexed to such school districts shall petition the board of county commissioners of the county wherein such district is situated for an enlargement of such district, and shall file a petition with the auditor of said county, it shall be the duty of the board of county commissioners at its next regular meeting, or special meeting, to set a time and place for hearing upon such petition, and it shall cause a copy of the notice of such hearing to be posted in some public place in each district to be affected by such proposed change, and a copy thereof to be served upon the clerk of each of said districts, at least ten (10) days before the time appointed for such hearing. The posting of such copy of notice shall be proven by the affidavit of the person posting the same; said affidavit shall state the time and place of posting and serving of the copy of notice as herein specified, and upon filing proof of the posting and serving of such notice in the office of the county auditor, the board of county commissioners shall at the time and place fixed proceed with the consideration of such matter and shall hear all evidence offered by any person interested, tending to show what territory should be included within such district, and having heard the evidence they shall, if they find it conducive to the good of the inhabitants of the territory affected, proceed to enlarge the said school district as asked for in the petition, and to fix the boundaries thereof and of all the remaining school districts thereby affected, attaching to or detaching contiguous territory to or from any of such districts, in such manner as in their judgment the best interests of the persons and districts thereby affected may require; provided, that no action or order changing any boundaries of any school district shall be valid unless and until the foregoing requirements as to posting and serving of notices have been observed; and provided further, that whenever the territory affected by any of the foregoing proceedings lies in two or more counties, like proceedings shall be had in each county affected, and no order in such proceedings shall be valid unless concurred in by the county board of all such counties affected.

At the time of making such division, enlargement or change of boundaries, the county commissioners shall apportion to the district so enlarged that portion of the debts of said other districts as may seem to them right and proper, and said apportionment when so made shall be binding upon all the districts affected, and the county commissioners may also apportion to said districts so enlarged, such portion of the property of such other districts as shall seem to them just and proper. Said last mentioned apportionment shall be subject to review by the district court;

And provided further, that any person or officer of any school district aggrieved by any order of the county board made pursuant to the provisions of this section, may appeal to the district court from such

order, such appeal to be governed by the provisions of section 1285, Revised Laws 1905 [Mason's Minn. Stat., 1927, §2747]. (R. L. '05, §1286; '07, c. 88; '09, c. 13; '11, c. 264; G. S. '13, §2677; '13, c. 435, §1; '23, c. 304; Mar. 20, 1931, c. 81.)

The territory of a district so dissolved shall be attached by order of the board to one or more existing districts or to unorganized territory upon notice as in other cases of change of boundaries, as in its judgment shall seem most equitable having regard to the convenience of the inhabitants. No certificate shall be issued and outstanding for any separate fund exceeding 65% of the amount named in the tax levy for that fund as spread by the county auditor, and in no event exceeding the uncollected portion of said levy. No certificate shall be issued to become due and payable later than December 31 of the year succeeding the year in which said tax levy, certified to the county auditor as aforesaid, was made. Such certificates shall not be sold for less than par and accrued interest and shall not bear a greater rate of interest than six per cent per annum. Each certificate shall state upon its face for which funds proceeds of the certificate shall be used, the total amount of the certificate so issued under such fund, and the whole amount embraced in the tax levy for that particular purpose. They shall be numbered consecutively and be in denominations of \$25 or multiple thereof and may have interest coupons attached, and shall be otherwise of such terms and form and be made payable at such place as will best aid in their negotiation. Such certificates shall be paid from the moneys derived from the levy for the year against which such certificates were issued, or if there be not sufficient for such purpose, from other funds of the district. The money derived from the sale of said certificates shall be credited to such fund or funds for the calen-

No certificates for any year shall be issued until all certificates for prior years have been paid, nor shall any certificate be extended; provided that money derived from the sale of the certificates for any one year may, if necessary, be used to redeem unpaid certificates issued in a prior year. The certificates of indebtedness issued hereunder shall be legally negotiable the same as any other commercial paper or bills of exchange. (Act Apr. 10, 1933, c. 210, §4.)

The district may thereupon, so long as such certificates are on deposit with the treasurer, issue warrants upon the funds against which such certificates were issued, the total principal amount of such warrants not to exceed the total principal amount of the certificates so held by the treasurer. Such warrants shall bear interest at six per cent per annum from and after the date they are presented to the treasurer and stamped "Not paid for want of funds, but protected by certificates of indebtedness now held by me." Such certificates may be sold by the school board and the proceeds of such sale shall be used to take up such warrants in the order presented for payment. Interest upon such warrants shall stop upon the date they are called by the treasurer for payment. Such certificates of indebtedness so held by the treasurer shall be paid at the same time and in the same manner as if they had been issued to a purchaser thereof. All warrants attempted to be issued and all obligations or indebtedness attempted to be incurred under authority of this section, in excess of the principal amount of the certificates of indebtedness so held by such treasurer shall be void. (Act Apr. 10, 1933, c. 210, §5.)

All taxes levied in 1933 shall be considered as the tax revenues for the year 1934, and thereafter in any such school district taxes shall be levied as now provided by law, but for the succeeding year. (Act Apr. 10, 1933, c. 210, §6.)

**2807-25. May issue bonds to take up indebtedness.**—If any such school district prior to January 1, 1933, has incurred by proper authority a valid indebtedness, excluding bonds, in excess of its cash on hand not specifically set aside for the retirement of bonds and interest thereon, such school district may for the purpose only of paying and discharging such valid indebtedness and interest thereon, issue its bonds in the manner now provided by law, except that such bonds may be issued on a vote of the school board thereof, without a vote of the electors; provided that if any moneys received from taxes levied in 1932 and payable in 1933 for any purposes other than payments on bonds and bond interest have been used prior to the issuance of bonds authorized by this Act for the retirement of indebtedness existing on January 1, 1933, or interest thereon, such bond issue may include the amount of such payments for the purpose of reimbursing the funds from which such moneys were paid; provided further that the purchaser of such bonds shall not be charged with notice of invalidity of any indebtedness funded by such bonds, and bonds issued hereunder in the total amount of such indebtedness as determined by resolution of the school board of said district, in the hands of any pur-

chaser, shall be valid obligations of the school district notwithstanding any claims of invalidity of any such indebtedness funded thereby; provided further that any expenditures prior to the date of this Act for any of the following purposes in said district are hereby legalized and validated as against any claim that such district had not the power to incur the obligation or had not proceeded in the proper manner to exercise such power, viz.; architects' commissions and salaries of building inspectors; salary paid to school attorney; hospital bills and bills for medical and dental services to students and employees injured in connection with school activities; medical, dental and optical supplies for school doctor, dentist or nurse; liability and property damage, insurance premiums on cars, busses and trucks owned by the school district; indemnity insurance premiums for school dentists and doctors; premiums on surety bonds for officers and employees of the district; athletic and physical training supplies; expenses of operating students' savings system; recreational activities and facilities. Such tax levies shall be within the per capita limitations provided by law upon the tax levies of said district, and the county auditor at the time of spreading the annual tax levy of said district shall adjust the same so that the total levy, including any levy for said bonds, whether issued to the state or a private purchaser, shall be within the per capita limitations provided by law plus any levies which may be authorized in excess of such limitation by Laws 1921, Chapter 417, for bonded indebtedness and interest thereon. (Act Apr. 10, 1933, c. 210, §8.)

**2807-27. School Board to prepare budget.**—The school board of such district shall, each year prior to the making of the tax levy for the ensuing year, prepare a budget of the expenditures of such district during the year in which such taxes will be collected, itemizing the purposes for which such moneys will be expended, and the amount of obligations that will be incurred for each such purpose. If at any time during such year it appears that such district is incurring obligations at a rate or upon a scale which would make it probable, if such rate or scale be continued, after allowing for variations in seasonal requirements, that the total expenditures for said year would exceed the moneys to be received therein, after allowance for probable tax delinquencies, the District Court, in an action brought by any taxpayer, may require such district to limit its expenditures to a rate and scale which will assure that the total obligations incurred in such year will not exceed the moneys available therein. (Act Apr. 10, 1933, c. 210, §10.)

**2807-29. Contracts in violation to be null and void.**—Each contract attempted to be entered into, or indebtedness or pecuniary liability attempted to be incurred in violation of the provisions of this Act, shall be null and void in regard to any obligation thereby sought to be imposed upon the school district, and no claim therefor shall be allowed by the school board of said district; nor shall the clerk of such district or any other officer issue or execute, nor shall the district treasurer pay any warrant or certificate of

indebtedness issued on account thereof. Each member of the school board and each other district officer participating in or authorizing any violation of this Act shall be individually liable to the district or to any other person for any damage that is caused thereby. Every member of the school district present at a meeting thereof when any action is taken with reference to paying money or incurring indebtedness or entering into any contract in violation of the provisions of this Act shall be deemed to have participated in and authorized the same unless he shall have caused his dissent therefrom to be entered upon the minutes of the meeting. (Act Apr. 10, 1933, c. 210, §11.)

**2807-30. Not to change on account of changing population.**—When a school district has once come under the provisions of this Act, it shall continue under its provisions notwithstanding any subsequent change in assessed valuation or population. (Act Apr. 10, 1933, c. 210, §12.)

**2807-31.—May be postponed for one year in certain cases.**—The funding of the indebtedness of the school district is necessary to the functioning of this law and if any such school district shall find it impossible to sell the bonds herein provided for, prior to January 1, 1934, the operation of this Act shall be postponed for one year. In that event the indebtedness authorized to be funded hereunder shall be the valid indebtedness, excluding bonds, in excess of cash on hand not specifically set aside for the retirement of bonds and interest thereon, incurred prior to January 1, 1934; and the provisions of Sections 1, 3, 4, 5, 6, 10 and 11 shall not take effect until and after January 1st, 1935. (Act Apr. 10, 1933, c. 210, §13.)

**2807-32. Provisions separable.**—If any provision hereof is found unconstitutional, such determination shall not affect the validity of the remaining provisions not clearly dependent thereon. (Act Apr. 10, 1933, c. 210, §14.)

**2807-33 to 2807-46. [Mason's 1934 Supp.] [Superseded.]**

These sections seem to be superseded by Act Apr. 24, 1935, c. 261, §§2807-47 to 2807-63, post.

**2807-47. School districts may not incur indebtedness.**—From and after January 1, 1936, no independent school district having a population exceeding 7,500 and less than 11,000 and an assessed valuation of more than \$2,000 per capita of population, exclusive of moneys and credits, shall draw any order or warrant on any fund until there is sufficient money in such fund to pay the same, together with all orders previously issued against such fund. (Act Apr. 24, 1935, c. 261, §1.)

**2807-48. Special census to control.**—In determining the application of this law of any such school district the population thereof shall be determined by any special census taken pursuant to the provisions of Laws 1921, Chapter 417 [§§2061 to 2066], since the year 1930 and prior to the enactment of this statute if no such special census has been taken the population shall be determined by the last federal or state census, provided that nothing in this section shall preclude any such school district from hereafter taking a special census for the purpose of determining the amount of taxes that may be levied therein. (Act Apr. 24, 1935, c. 261, §2.)

**2807-49. Not to create indebtedness.**—Whenever, from and after January 1, 1936, the expenses and obligations incurred, chargeable to any particular fund of such district in any calendar year, are sufficient to absorb 95 per cent of the entire amount of the tax levy for such fund payable in that year, including such amount as may remain in the fund from the levy of the prior year or years, no officer or board of such school district shall have power, and no power shall exist, to create any additional indebtedness (save as the remaining five per cent of said tax levy is collected) which shall be a charge against that particular

fund, or shall be in any manner a valid claim against such district, but such indebtedness attempted to be created shall be a personal claim against the officer or member of the board voting for or attempting to create the same. (Act Apr. 24, 1935, c. 261, §3.)

**2807-50. May issue certificates.**—At any time after January first following the making of an annual tax levy the school board of any such district may, for the purpose of meeting the obligations of the current year, by resolution issue and sell as many certificates of indebtedness as may be needed in anticipation of the collection of taxes so levied for any fund named in said tax levy for the purpose of raising money for any such fund. All certificates of indebtedness issued under the provisions of this act shall be negotiable and shall be payable to the order of the payee and shall have a definite due date. No certificate shall be issued to become due and payable later than December 31st of the year of issuance. Such certificates shall not be sold for less than par and accrued interest and shall not bear a greater rate of interest than six per cent per annum. Each certificate shall state upon its face for which funds proceeds of the certificate shall be used, the total amount of the certificates so issued against such fund and the whole amount embraced in said tax levy for that fund. They shall be numbered consecutively and be in denominations of \$25, or any multiple thereof, and may have interest coupons attached, and shall be otherwise in such terms and form and be made payable at such place as will best aid in their negotiation. (Act Apr. 24, 1935, c. 261, §4.)

**2807-51. Limitation of certificates.**—No such school district shall be permitted during any year to anticipate by issuance of certificates of indebtedness more than sixty per cent of its tax levy payable in said year for any of its funds during the period prior to July 1st, and not more than thirty-five per cent of said levy (plus any amount authorized but not issued during the period prior to July 1st) during the period subsequent to July 1st and prior to December 31st; provided that the total amount of certificates of indebtedness issued against any fund, with interest thereon to maturity, shall not exceed 95 per cent of the tax levy for such fund payable in such year, and the aggregate of outstanding certificates shall in no event exceed the uncollected portion of said tax levy for such fund. Any such school district may renew any outstanding certificate of indebtedness of any prior year or any prior six-months period, or issue new certificates, notwithstanding the fact that prior certificates were unpaid, whenever inability to pay such outstanding certificates is due to failure to collect sufficient moneys from the tax levy payable in said year to discharge such certificates; in the event such certificates are renewed, such municipality may pay accrued interest thereon at the time of renewal. (Act Apr. 24, 1935, c. 261, §5.)

**2807-52. May issue certificates to creditors.**—If any such school district is unable to sell such certificates of indebtedness in the manner prescribed hereby it may proceed by one of the following methods: (a) issuing its certificates of indebtedness in any denomination but within the limitations as to total amounts herein contained, payable to the order of the creditor of such district, in payment of the debt, claim or account of such creditor after the same has been allowed by the school board; or (b) issuing certificates of indebtedness to the school board treasurer, or his order, and depositing the same with him. Certificates so issued shall be held by the treasurer until they may be sold and shall bear interest at not to exceed six per cent per annum. The school district may thereupon, as long as such certificates are on deposit with the treasurer, issue warrants upon funds against which such certificates were issued, the total principal amount of such warrants not to exceed the total principal amount of the certificates so held by the treasurer. Such warrant shall bear interest at not to exceed six per cent per annum from and after the day they

are presented to the treasurer and stamped "Not paid for want of funds, but protected by certificates of indebtedness now held by me." Such certificates may be sold by the school board and the proceeds of such sale shall be used to take up such warrants in the order in which they were presented to the treasurer, registered by him and stamped as aforesaid. Interest upon such warrants shall stop upon the date they are called by the treasurer for payment. Such certificates of indebtedness so held by the treasurer shall be paid at the same time and in the same manner as if they had been issued to a purchaser thereof. All warrants attempted to be issued and all obligations or indebtedness attempted to be incurred under authority of this sub-section in excess of the principal amount of the certificates of indebtedness so held by such treasurer shall be void. (Act Apr. 24, 1935, c. 261, §6.)

**2807-53. Tax levies to be set aside for payment of certificates.**—The proceeds of the taxes assessed and collected as aforesaid on account of said fund and the faith and credit of the school district shall be irrevocably pledged for the redemption of the certificates so issued. Such certificates shall be paid from the moneys derived from the levy for the year against which such certificates were issued, or if there be not sufficient for that purpose, from other funds of the district. The money derived from the sale of such certificates (except those issued to take up old certificates as hereinbefore authorized) shall be credited to such fund or funds for the calendar year in which issued, and shall not be used or spent except during such year. Except as hereinbefore authorized, no certificate for any year shall be issued until all certificates for prior years have been paid, nor shall any certificates be extended; provided that money derived from the sale of certificates for any one year may, if necessary, be used to redeem unpaid certificates issued in a prior year. (Act Apr. 24, 1935, c. 261, §7.)

**2807-54. To be on cash basis.**—From and after January 1, 1936, any such district shall be deemed for all purposes to be on a cash basis and shall thereafter remain on a cash basis. All taxes levied in 1935 shall be considered as tax revenues for the year 1936, and thereafter in any such school district taxes shall be levied as now provided by law, but for the succeeding years. (Act Apr. 24, 1935, c. 261, §8.)

**2807-55. May issue funding and refunding bonds.**—If any such school district prior to January 1, 1936, has incurred by proper authority a valid indebtedness of whatsoever character in excess of its cash on hand, such school district may, for the purpose of paying and discharging such valid indebtedness or changing the maturities of the funded portion thereof, issue its funding or refunding bonds in the manner now provided by law, except that such bonds may be issued by a resolution of the school board thereof without vote of the electors; provided further that if any moneys properly applicable to the payment of current expenses in 1936 shall have been used prior to the issuance of bonds authorized by this act for the retirement of indebtedness existing on January 1, 1936, or interest thereon, such bond issue may include the amount of such payments for the purpose of reimbursing the fund from which such moneys were paid. The purchaser of such bonds shall not be charged with notice of the invalidity of any indebtedness funded by such bonds, and bonds issued hereunder in the total amount of such indebtedness, as determined by resolution of the school board of said district in the hands of any purchaser, shall be valid obligations of the district, notwithstanding any claims of invalidity of any such indebtedness funded thereby. (Act Apr. 24, 1935, c. 261, §9.)

**2807-56. Tax levy to retire bonds.**—The school board of any such district issuing bonds pursuant to the authority of this act shall, at the time of the issuance thereof, by resolution provide for the levy of an annual and irrepealable tax to be levied each year until the principal and interest of said bonds

are paid in full, in an amount sufficient to pay and discharge principal and interest thereon at maturity. Such tax levies shall be within the per capita limitations now provided by law upon the tax levies of said district, except as herein otherwise provided, and the county auditor, at the time of spreading the annual tax levy of any said district, shall adjust the same so that the total levy, including any levy for said bonds, whether issued to the state or a private purchaser, shall, except as herein otherwise provided, be within the per capita limitations provided by law. (Act Apr. 24, 1935, c. 261, §10.)

**2807-57. Taxes to be paid into special fund.**—The proceeds of the tax levies for the payment of bonds issued hereunder shall be paid into a special fund and used solely for the retirement of such bonds and interest thereon. Any taxes collected subsequent to January 1, 1936, on taxes levied by any such district in the year 1934 and prior years, shall be paid into such special fund and used solely for the reduction of such indebtedness. (Act Apr. 24, 1935, c. 261, §11.)

**2807-58. Levies in excess of per capita limitations.**—If any school district subject to this act shall at the time of the enactment hereof have bonds outstanding issued for the purpose of defraying the cost of erecting and equipping school buildings therein, levies in a total amount not exceeding \$300,000 for the principal, plus interest thereon to maturity, may be made in excess of existing per capita limitations for the retirement of such bonds, such levies when collected to be paid into the special fund herein provided. Such excess levies may be made in as nearly equal installments as practicable over a period of years beginning with the levy made in the year 1935, such installments to be not less than four. If such outstanding bonds, or any portion thereof, shall have been paid or retired prior to the making or collection of the excess levies permitted hereunder, such excess levies may nevertheless be made, and when collected shall be paid into such special fund and used for the retirement of other indebtedness of the district authorized to be funded or refunded hereunder. (Act Apr. 24, 1935, c. 261, §12.)

**2807-59. May be sold to the State of Minnesota.**—Bonds authorized to be issued hereunder may be issued and sold to the State of Minnesota pursuant to existing laws at the time of the issuance thereof, except as herein modified, and to private purchasers, or to both. They may be issued bearing such rates of interest as may best lead to their negotiation or sale, not, however, exceeding six per cent per annum, and in the event of sales to the state, not exceeding the rate of interest fixed by statute therefor. (Act Apr. 24, 1935, c. 261, §13.)

**2807-60. Board to make budget.**—The school board of such district shall, each year, prior to the making of the tax levy for the next ensuing year, prepare a budget of the expenditures of such district during the year in which such taxes will be collected, itemizing the purposes for which such moneys will be expended, and the amount of obligations that will be incurred for each such purpose, during each quarter of such year. The clerk of such school district shall prepare and present at the first meeting of the board in each month a statement showing all expenditures made and obligations of indebtedness incurred for the preceding month and for the preceding portion of the fiscal year; the amount allotted by the budget for such month and the preceding portion of the fiscal year; the amount allotted by the budget for the remainder of the year; and the probable expenditures for the remainder of the fiscal year. If at any time during such year it appears that such district is incurring obligations at a rate or upon a scale which would make it probable, if such rate or scale of expenditures were to be continued, that the total expenditure for said year would exceed the available revenues for such year, after proper allowance for

probable tax delinquencies, such statement so required to be presented and kept by the clerk shall be prima facie evidence of the fact that such school district is exceeding the legal limit of obligations, and thereupon the power of such school district to incur further obligations or expenditures shall be limited and restricted to the extent necessary which will make certain that the said budget will not be exceeded in such year. Where it appears that money budgeted for any fund or purpose is not needed therefor the school board may, by resolution, transfer the excess to any other fund or purpose; provided that this shall not authorize transfers from the special indebtedness fund hereinbefore referred to, until all of such indebtedness shall have been paid. (Act Apr. 24, 1935, c. 261, §14.)

**2807-61. Contracts to be null and void in certain cases.**—Each contract attempted to be entered into, or indebtedness or pecuniary liability attempted to be incurred, in violation of the provisions of this act, shall be null and void in regard to any obligation thereby sought to be imposed upon the school district, and no claim therefor shall be allowed by the school board of said district; nor shall the clerk of such district or any other officer or employe issue or execute, nor shall the district treasurer pay, any warrant or certificate of indebtedness issued on account thereof. Each member of the school board and each other district officer or employe participating in or authorizing any violation of this act shall be individually liable to the district or to any other person for any damage that is caused thereby. Each member of the school board present at a meeting of the board when any action is taken with reference to paying money or incurring indebtedness or entering into any contract, shall be deemed to have participated in and authorized the same, unless he shall have caused his dissent therefrom to be entered upon the minutes of the meeting. (Act Apr. 24, 1935, c. 261, §15.)

**2807-62. Act remedial.**—This act is remedial in its nature, intended to remedy the financial condition of districts within the class stated, and for such purposes to secure a sound fiscal policy therein. If any district shall come within the provisions of this act, the act shall continue to govern the operations thereof, notwithstanding any subsequent change in population or valuation. (Act Apr. 24, 1935, c. 261, §16.)

**2807-63. Provisions severable.**—The provisions of this act are severable and the unconstitutionality of any portion hereof shall not affect the constitutionality of the remainder hereof. (Act Apr. 24, 1935, c. 261, §17.)

**2807-64. Inconsistent acts repealed.**—All acts and parts of acts inconsistent herewith are repealed or amended to the extent of such inconsistency. (Act Apr. 24, 1935, c. 261, §18.)

**TEACHERS—EMPLOYMENT IN FIRST CLASS CITIES**

**2935-1. Teacher defined.**

This act, constituting §§2935-1 to 2935-14, saved from repeal by Act Apr. 26, 1929, c. 388, §14, ante, §2900-14.

Mandatory provisions of Mason's Stats., §2903, requiring teacher to have written contract, does not apply to teacher entitled to benefit of this act. 178M422, 227NW 351.

Act applied to teacher notified prior to passage of act of reapportionment for ensuing year. 178M422, 227NW351.

Oral hygienist, a graduate dental nurse, is not a teacher within act. *Op. Atty. Gen.*, Mar. 10, 1933.

Act does not deprive school board in cities of first class of power to fix teachers' salaries. *Op. Atty. Gen.*, Sept. 6, 1933.

**2935-4. Probationary period—Discharge or demotion.**

Written contracts are not necessary with teachers who are reemployed after teaching three-year probationary period, but school boards may require such contracts. *Op. Atty. Gen.*, June 2, 1933.

Refusal to sign written contract by teacher terminates membership in Duluth teachers' retirement association. *Op. Atty. Gen.*, Nov. 24, 1933.

**2935-5. Period of service after probationary period, etc.**

A hearing must be given to a teacher, whether she requests one or not, before she can be demoted or discharged. *Op. Atty. Gen.*, Mar. 20, 1934.

**TEACHERS' RETIREMENT FUND**

**2936-2950. [Repealed].**

Repealed Apr. 25, 1931, c. 406, §15, post, §2950-15, except as provided in the repealing act.

Member of state teachers' insurance and retirement fund, who was eligible for retirement on August 1, 1931, may be retired by the board as constituted by Laws 1913, c. 406, and receive the annuity provided for by the old law. *Op. Atty. Gen.*, Sept. 14, 1931.

These two sections are amended by Act Apr. 11, 1929, c. 163, §1, but it would seem that the amendatory act is repealed by the repeal of the amended act by Laws 1931, c. 406, §15, set forth, post, as §2950-15. The latter act reenacts the subject matter of the former laws.

Members of teachers' retirement fund created by Laws 1915, c. 199, who have ceased to teach in schools to which act applied and who are retired prior to enactment of Laws 1931, c. 406, and before drawing annuities resume teaching in cities of first class may not transfer accounts to new fund and thereafter withdraw interest on the old fund. *Op. Atty. Gen.*, June 8, 1933.

Where voluntary member of fund retired in June, 1922, on basis of 22 years' service and thereafter in that year received annuity payment after he had entered into a contract to teach in public schools for ensuing year but continued to make payments into fund and completing maximum of 25 years, his estate on his death was en-

titled to  $\frac{1}{2}$  of amount actually paid in by him less the amount of the annuity payment, which must have been paid through mistake. Op. Atty. Gen., July 1, 1933.

(Act Apr. 25, 1931, c. 406, §5.)

**2950-6. Payments by members.**—Each member of the fund shall pay into the fund a sum equivalent to five per cent of her annual salary, no payment, however, to exceed \$100.00 per year, payable in the manner and at the times hereinafter provided. It is hereby made the duty of each person, officer, board of education or managing body required by law to draw the warrants or orders for payment of salaries to teachers to deduct and withhold from each month's salary due to every teacher who is a member of the fund the amount which such teacher is required to pay into said fund, as herein provided, and at the time of such deduction a statement showing the amount thereof shall be furnished to such teacher.

Such officer, board of education or other managing body of each school district or institution shall, between the first and fifteenth day of January and between the fifteenth and thirtieth days of June of each year, forward to the treasurer of the county in which such school or institution is situated a statement, verified by the secretary or clerk thereof, showing the amount of money so retained from each teacher in accordance with the provisions of this act, and with said statement shall transmit the entire amount so retained to the treasurer of said county; and in case any school district is situated in more than one county the report and remittance shall be sent to the senior county. If no teacher in such public school or other institution comes under the provisions of this act, said report shall state such fact. Each of the foregoing reports shall be verified by the person making the same: Provided, however, that if the drawing of the warrant or order for the payment of any teacher's salary devolves upon any state officer or board, such officer or board shall make the reports herein required directly to the board of trustees and shall remit the money so deducted to the state treasurer.

Each county superintendent shall on or before the first day of September of each year report under oath to the board, giving an itemized summary of the statements received by him from the school boards and other managing bodies, including a statement of the total amount withheld from the salaries of teachers as shown by said reports.

Teachers employed by state must make payments into teachers' retirement fund based upon regular salary, notwithstanding it has been temporarily reduced by act of legislature. Op. Atty. Gen., Nov. 25, 1933.

**2950-7. Funds of former association transferred to new fund.**—All moneys, property and securities to the credit of or payable to the Teachers' Insurance and Retirement Fund created by virtue of Chapter 199, Laws 1915 [Mason's Minn. Stats., 1927, §§2936 to 2950], on December 31st, 1931, shall be, and the same hereby are transferred and appropriated to the Teachers' Retirement Fund hereby created on January 1st, 1932; and the board of trustees of said Teachers' Retirement Fund, hereby created, shall keep a separate account of said moneys, property and securities so transferred and appropriated, and of moneys hereafter paid into the same, until said Teachers' Insurance and Retirement Fund is liquidated, as herein provided.

Teachers who are members of the Teachers' Insurance and Retirement Fund, as created by Laws 1915, Chapter 199, who do not become members of the Teachers' Retirement Fund, as herein provided, shall upon written application to the board made after January 1, 1932, and not later than January 1, 1934, each be paid in cash an amount equal to the sums of money which they have theretofore paid into said Teachers' Insurance and Retirement Fund.

Teachers whose accounts are so transferred to the new fund shall have the right to pay into such fund and receive similar credit therefor at the time paid any additional sum, either in cash or in installments; which payment or payments so made together with the amount which the teacher has previously paid shall not be in excess of five per cent of the teacher's average yearly salary for the five years of service immediately preceding multiplied by the number of years of previous service for which the teacher has been given credit. Provided, that in the case of any teacher who has rendered more than fifteen years of service there shall be assigned to the teacher's credit from state funds, as a part of such teacher's savings for each year of service beyond fifteen, five per cent of the total additional amount that such teacher has a right to pay as hereinbefore provided, not, however, exceeding the amount paid by such teacher under such right, and in no event more than fifty per cent of the total additional amount which may be paid. The amount so assigned from state funds shall reduce to the extent thereof the total amount which the teacher may pay in addition to the funds transferred. Any moneys so contributed by the state shall be used only to purchase an annuity as hereinafter provided, and may not be withdrawn in cash as a part of the teacher's savings.

Teachers who in January 1, 1932, are then drawing annuities shall be members of the Teachers' Retirement Fund, hereby created, and shall receive in full satisfaction of all rights under Chapter 199, Laws 1915, an annuity equal to the annuity being paid to her or to which she would be entitled under said Chapter 199 on the basis of pro-rating by the board in effect on the 31st day of December, 1931.

Teachers who are members of the Teachers' Insurance and Retirement Fund, including annuitants,

and who become members of the Teachers' Retirement Fund, hereby created, shall each have credited to her account in the records of the Teachers' Retirement Fund, as of January 1, 1932, an amount equal to the sums of money, which they have theretofore paid into said Teachers' Insurance and Retirement Fund. After provision has been made for all obligations against said Teachers' Insurance and Retirement Fund, as may be determined by the board in accordance with the terms of this act, the balance remaining in such fund shall be apportioned to the accounts of the members of the Teachers' Retirement Fund who were members of the Teachers' Insurance and Retirement Fund, including annuitants, on the basis of the amounts which they have paid, together with the time such payments shall have been in the fund; provided that not more than four per cent compound interest shall be credited to active members of the Teachers' Retirement Fund. Any surplus remaining shall be apportioned to the accounts of the then annuitants, to be used in the payment of annuities to be paid as hereinbefore provided. Any further funds which may be needed to pay the annuities payable to such annuitants as hereinbefore provided shall be paid from state funds as hereinafter specified. (Apr. 25, 1931, c. 406, §7.)

A teacher who rendered service previous to August 1, 1931, and makes application within two years after rendering the first teaching service after that date, is permitted to become a member of the new fund, and their accounts in the old fund may be transferred to the new. Op. Atty. Gen. (175m), Mar. 9, 1935.

Teacher is entitled to annuity under old fund from the date she first applied for retirement, at which time her application was rejected because of an erroneous interpretation of the law. Op. Atty. Gen. (175a), July 20, 1935.

**2950-8. Teachers from other states or other schools.**—Teachers from other states or from public schools of this state to which this act does not apply who become members of the fund may be given credit for such previous teaching service by the board, and, after having acquired credit for 15 years of teaching service in schools or institutions to which this act applies, such teachers may then pay into the fund an amount equal to five per cent of the average yearly salary, not exceeding \$2000.00, received during the five years immediately before making such payments, multiplied by the number of years of previous teaching service for which credit is given, together with interest thereon at the rate of four per cent per annum from the time of rendering such previous service.

The board shall provide in its rules and regulations the method and means for reinstatement as members of the fund of teachers who have withdrawn therefrom and who afterwards re-enter teaching service.

In computing the time of service of a teacher, the length of a legal school year in the district or institution where such service was rendered shall constitute a year under this act, provided such year is not less than the legal minimum school year of this state. No person shall be allowed credit for more than one year of teaching service for any calendar year. If a teacher teaches for only a fractional part of any year, credit shall be given for such fractional part of the year as the term of service rendered bears to the legal school year in such district or institution, but in no case shall the legal year be less than the minimum school year of this state. (Act Apr. 25, 1931, c. 406, §8.)

Credit for out of state teaching is limited to services rendered prior to joining Minnesota fund. Op. Atty. Gen. (175o), May 25, 1935.

**2950-9. May withdraw fund when.**—When any teacher who is a member of this fund shall cease to render teaching service, as herein defined, in any school or institution to which this act applies, all moneys to the credit of such teacher as teacher's savings, shall, upon written application to the board, be paid to such teacher in cash. In case of the death of a member, before an annuity shall have been drawn, the amount to her credit as teacher's savings shall be payable to any beneficiary or beneficiaries designated in writing and filed with the board, and, if no beneficiary or beneficiaries be so designated, to her estate.

A teacher ceasing to render teaching service as in the preceding section provided, who shall have at said time to her credit 30 years or more of teaching service or has at such time attained the age of fifty-five years, may, in lieu of said cash payment, use the moneys to her credit as teachers' savings as follows:

1. To purchase from the fund a life annuity in such an amount as the teacher's age, the amount to her credit as teachers' savings and the mortality and interest tables in use by the board shall permit; or

2. To purchase from the fund an annuity for a term of fifteen, twenty or twenty-five years, in such an amount as the teacher's age, the amount to her credit as teachers' savings and the mortality and interest tables in use by said fund will permit.

If such teacher shall elect to purchase a life or term annuity, as hereinbefore provided, the state shall at the time of the payment of such annuity pay to said teacher an amount equivalent to such annuity, to be paid from state funds hereinafter provided; provided, however, that in case of a term annuity such payments by the state shall not continue after the death of such teacher. Provided further that the amount of the annuities so paid by the state shall not exceed in amount the term or life annuities which such annuitant could purchase with the moneys to her credit as teachers' savings for the first thirty-five years of teaching service, if she has a teaching service credit in excess of thirty-five years.

Annuities to be paid under the provisions hereof shall be payable quarterly on the first days of January, April, July, and October.

If, during the fifteenth or any subsequent year of teaching service, any member of the fund shall become totally disabled and the board shall determine that such member is permanently disqualified to render teaching service, as herein provided, such member shall, on written application to the board, be paid the amount to her credit as teachers' savings, or may use said amount to purchase from the fund a life or term annuity as above provided. If such teacher shall elect to purchase a life or term annuity, as hereinbefore provided, the state shall at the time of the payment of such annuity pay to said teacher an amount equivalent to such annuity, to be paid from the state funds hereinafter provided; provided, however, that in case of a term annuity such payments by the state shall not continue after the death of such teacher.

Every teacher retired under said total disability provision shall, if required by the board, submit to an annual physical examination by a physician designated by the board, who shall report his findings to the board, and the board's decision as to the teacher's continued total disability and right to further benefits under said total disability provision shall be final.

A teacher who receives total disability benefits, as hereinbefore provided, shall have the amount of said benefits, exclusive of the payments made from state funds, charged against the amount credit to her account as teachers' savings. (Act Apr. 25, 1931, c. 406, §9.)

**2950-10. Rights not assignable.**—The right of a teacher to avail herself of the benefits of this act

is a personal right only and shall not be assignable. All moneys to the credit of a teacher's account in the fund, or any moneys payable to her from the fund shall belong to the State of Minnesota until actually paid to the teacher, or her beneficiary, pursuant to the provisions of this act. Any assignment or attempted assignment of a teacher's interest in said fund or of a beneficiary's interest therein by a teacher, or her beneficiary, shall be null and void and the same shall be exempt from garnishment or levy under attachment or execution. Any beneficiary designated by a teacher under the terms of this act may be changed or revoked by the teacher at her pleasure in such manner as the board may prescribe. In case a designated beneficiary dies before the teacher designating him dies and a new beneficiary is not designated, the teacher's estate shall be the beneficiary. (Act Apr. 25, 1931, c. 406, §10.)

**2950-11. Teachers to elect members of board.**—At the time and place of the next annual meeting of the Minnesota Education Association, or its delegate assembly, those teachers who are members of the present Teachers' Insurance and Retirement Fund and who have theretofore filed application in writing with the commissioner of education to become members of the Teachers' Retirement Fund, hereby created, shall meet at the call of the commissioner of education for the purpose of electing two members of the board of trustees of the fund, hereby created, and annually thereafter at the time and place of the annual meeting of the Minnesota Education Association, or its delegate assembly, the members of said fund shall also meet at a time and place to be designated by the commissioner of education for the purpose of electing one or more members of said board of trustees, as hereinbefore provided, hearing the annual report of said board, and of transacting any other business that may properly come before them. (Act Apr. 25, 1931, c. 406, §11.)

**2950-12. Board to certify to state auditor.**—The board shall from time to time determine the amount of money necessary and presently needed to meet the state's obligations as in this act provided, and shall certify the amount so determined to the state auditor. In so certifying, the board shall certify separately the amount required to pay annuities to annuitants whose accredited teaching service was rendered for and in behalf of the state at large, together with the amount necessary to meet any operating cost for which the state is liable, and the amount required to pay annuities to annuitants whose accredited teaching service was rendered for and in behalf of the schools and institutions located outside of the cities of the first class. In case any annuitant has rendered accredited teaching service in part for the state at large and in part for the schools and institutions located outside of said cities of the first class, the amount certified for the payment of her annuity shall be pro-rated on the basis of the respective amounts contributed by such annuitant to her teachers' savings while rendering such respective teaching service.

The auditor is hereby directed to include in each annual state tax levy the amount or amounts so certified and not included in a previous levy, which amount or amounts are hereby annually levied against the taxable property of the state as herein further provided; provided, however, that the levy against the taxable property outside of cities of the first class shall not in any year exceed the sum of \$250,000. In certifying the rate to the several county auditors, the state auditor shall certify, subject to the maximum levy hereinbefore prescribed, the amount required for annuities for teaching service rendered for the state at large, together with the amount required for the state's share of operating costs, against all the taxable property of the state, and shall certify the amount required for annuities for teaching services rendered for the schools and in-

stitutions outside of cities of the first class against all of the taxable property located outside of said cities. The proceeds of the tax levies so made are hereby appropriated for the payment of the certificates provided for in the following section. (Act Apr. 25, 1931, c. 406, §12; Apr. 27, 1935, c. 301.)

**2950-13. Students enrolled in high school teacher training departments are to be counted as pupils in computing the supplemental aid to which a district may be entitled under this section. Op. Atty. Gen., July 25, 1931.

This section is predicated on assessed valuation of district and Laws 1933, c. 356, ante §3014-6, while limiting maximum tax levy on agricultural land in independent districts does not change assessed valuation. Op. Atty. Gen., Nov. 28, 1933.

In order to determine levy for school maintenance within meaning of §3030 of any independent school district to which Laws 1933, c. 356, is applicable, commissioner of education should divide total amount levied for school maintenance purposes in school district by total assessed valuation of district and if levy thus arrived at exceeds 20 mills, then such additional state aid should be allowed to school district. Op. Atty. Gen., Feb. 2, 1934.

Levy on non-agricultural lands established by school board and reported to county auditor to be reported by him to state department of education should be used as a basis for determining whether additional state aid should be paid to independent district. Op. Atty. Gen., May 22, 1934.

In determining supplementary aid, state board of education has authority to exclude from number of pupils counted all those enrolled in kindergarten or spring primary classes and high school graduates enrolled for post graduate high school work. Op. Atty. Gen. (168d), July 22, 1935.

Resident high school graduates enrolled in high school teacher training department are not to be counted. Id.

If regular levy upon agricultural lands for school maintenance in a district maintaining a high school is fifteen mills but district levies ten mills additional to cover deficiencies in state aid, the regular 15 mill levy should be used in determining supplementary aid, and the 25 mills. Id.

Limitations in proviso should be applied after prorating provided for in §3030-9. Id.

Actual amount collected and not entire amount levied should be considered as "proceeds" with respect to limitation of 30 mills tax. Id.

Expenditures illegally made for transporting pupils are not to be counted as part of maintenance costs in determining supplementary aid. Id.

Expenditures lawfully made for transportation of high school pupils to an accredited high school in another district are to be included in maintenance costs. Id.

(e) For crippled children, two hundred fifty dollars (\$250) for each such child.

(2) For educational work not yet generally established.

(a) For stimulating progress and achievement in ungraded elementary schools, the State Board of Education shall adopt standards for a superior ungraded school. Such standards shall be based upon the length of the school term, qualification of teachers, regular school attendance and a curriculum adapted to present day needs, including health work. School districts meeting these standards shall receive, in addition to all other state aid, not to exceed fifty dollars (\$50) for each such school maintained.

(b) For evening schools for persons over sixteen years of age and not in attendance upon regular day schools, the state shall pay to any school district maintaining such schools in accordance with requirements established by the State Board of Education, one-half the salaries of all teachers who teach in such evening schools; and districts maintaining such evening schools shall also be entitled to state apportionment for all pupils of school age upon the same basis as that provided by law for day school pupils.
