186.01 UNFAIR COMPETITION AND TRADE PRACTICES PROHIBITED.

Upon application to the governor for relief from unfair competition and unfair trade practices arising from competition essentially and preponderantly intrastate, resulting in unemployment, economic distress and disorganization of service trades engaged in rendering and performing personal services upon persons and licensed and regulated as such by the state, for the safeguard and protection of the public health from infection or contagion of communicable diseases, the governor, upon approval thereof, is hereby authorized, empowered and directed to investigate, ascertain, declare and prescribe reasonable rules, regulations, or standards, to prevent such unfair competition and unfair trade practices, to establish standards of maximum hours of labor, minimum rates of pay and working conditions, whenever a variance therefrom would constitute unfair competition and unfair trade practices, to create trade areas with due regard to the proximity to state lines and differentiation between metropolitan and rural areas, and to make such provisions in relation to the enforcement thereof as he may from time to time determine. The term "personal services," as used in this chapter, shall not include the services of a person duly licensed or registered by the State of Minnesota to practice any of the healing arts.

[1937 c. 235 s. 1] (5705-31)

186.02 APPLICATION. Such application shall be made by not less than 65 per cent of all persons, firms, and corporations engaged in such service trades in any municipality or subdivision of the state, or in any trade area created under the provisions of this chapter. Such rules, regulations, or standards to prevent unfair competition and unfair trade practices shall be prescribed and approved by the governor after such reasonable public notice and hearing as he shall specify and if he finds:

(1) That such rules, regulations, or standards are not designed to promote monopolies or to eliminate or oppress such service trades and will not operate to discriminate against them and will tend to effectuate the policy of this chapter;

(2) That such rules, regulations, or standards are not inequitable and the interests of the consumers and the general public will be protected; and

(3) That such rules, regulations, or standards are necessary for the stabilization of the business of such service trades, the governor may, as a condition of approval of any such rules, regulations, or standards, impose such conditions for the protection of consumers, competitors, employees, and others and in the furtherance of the public interest and provide such exceptions to and exemptions from the provisions of such rules, regulations, or standards as in his discretion are deemed necessary to effectuate the policy declared in this chapter.

[1937 c. 235 s. 2] (5705-32)

186.03 RULES. Upon the approval of any such rules, regulations, or standards covering such service trades, all persons, firms, or corporations engaged in such trade or business shall, as to the trade or business carried on by them, be bound by such rules, regulations, or standards adopted or approved by the governor; subject to modification, amendment, or termination thereof as the governor may deem necessary to effectuate the purposes of this chapter.

[1937 c. 235 s. 3] (5705-33)

186.04 ASSESSMENTS FOR EXPENSE. Every rule, regulation, or standard prescribed and approved by the governor shall contain provisions for assessing against and collecting from all persons, firms, and corporations, subject to the

All orders of the governor prescribing, approving, disapproving, modifying, amending, or terminating rules, regulations, or standards shall be subject to review by any district court of the state. In any such action, no injunction suspending the operation of the rule, regulation, or standard, or any part thereof, during the pendency of the action shall be granted except upon the filing or approval by the court of a good and sufficient bond, running to the state and enforceable by the governor, on behalf of all parties in interest, conditioned for the payment of all damages, loss of profits and of wages which may be sustained by any employer or employee affected by reason of such suspension, in the event the validity of the rule, regulation, or standard shall be finally sustained.

[1937 c. 235 s. 5] (5705-35)

186.06 DISTRICT COURTS MAY RESTRAIN AND PREVENT VIOLATION OF RULES. The district courts of the state are hereby vested with jurisdiction to prevent and restrain violation of any rule, regulation, or standard to prevent unfair competition and unfair trade practices approved under this chapter and it shall be the duty of the county attorney of any county having jurisdiction to institute proceedings in equity to prevent and restrain such violations.

[1937 c. 235 s. 6] (5705-36)

186.07 VIOLATION A MISDEMEANOR.
