Subd. 2. **Preference to war veterans in public appointments.** That in every public department and upon all public works in the state of Minnesota and the counties, cities, towns, villages, school districts, and all other political subdivisions and agencies thereof, honorably discharged veterans shall be entitled to preference in appointments, employment and promotion over other applicants therefor, and the persons thus preferred shall not be disqualified from holding any position hereinafter mentioned on account of his age or by reason of any physical disability, provided such age and disability does not render him incompetent to perform properly the duties of the position applied for and when such veteran shall apply for appointment or employment under sections 197.45 and 197.46, the officer, board or person whose duty it is, or may be, to appoint or employ such person to fill such position or place, shall before appointing or employing anyone to fill such position or place, except where said veteran has already been qualified under civil service for the position applied for, make an investigation as to the qualifications of said veteran for such place or position, and if he is of good moral character, and can perform the duties of said position applied for by him, as hereinbefore provided, said officer, board or person shall appoint said veteran to such position or place of employment.

In any governmental agency having an established civil service or merit system, no inquiry shall be made of any applicant for examination before such examination as to whether or not he is a veteran, nor shall any distinction be made in giving the examination or grading the results thereof on account of the fact that the applicant may be a veteran; provided, that this shall not abridge any preference to which such veteran is entitled. All governmental agencies when notifying the applicant that he has passed, shall inform the applicant of the right of a veteran to preference. The proper civil service or merit system authority shall certify his appointment and the appointing authority shall appoint such veteran before any other person is certified or appointed to fill a position for which the veteran has passed the examination.

A refusal to allow the preference provided for in this and the next succeeding section to any such honorably discharged veteran, or a reduction of his compensation intended to bring about his resignation or discharge, shall entitle such honorably discharged veteran to a right of action therefor in any court of competent jurisdiction for damages, and such officer and the persons responsible for such refusal if such refusal was wilful shall be personally liable therefor, and also for a remedy for mandamus for righting the wrong.
