RAILROADS

295.02 GROSS EARNINGS. Every railroad company owning or operating any line of railroad situated within, or partly within, this state shall, annually, pay into the state treasury, in lieu of all taxes upon all property within this state owned or operated for railway purposes by such company, including equipment, appurtenances, appendages and franchises thereof, a sum of money equal to five per cent of the gross earnings derived from the operation of such line of railway within this state.

On or before August fifteenth, annually, each such railroad company shall make, according to law, a true and just return of all such gross earnings for the six months ending June thirtieth, next preceding, and the tax of five per cent thereon shall become due and payable to the State of Minnesota, in manner provided by law, on September first next thereafter.

On or before February fifteenth, annually, each such railroad company shall make, according to law, a true and just return of all such gross earnings for the six months ending December thirty-first, next preceding, and the tax of five per cent thereon shall become due and payable to the State of Minnesota, in manner provided by law, on March first next thereafter. The payments of such sums at the times hereinbefore set forth shall be in full and in lieu of all other taxes upon the property and franchises so taxed.

The lands acquired by public grant shall be and remain exempt from taxation until sold or contracted to be sold or conveyed, as provided in the respective acts whereby such grants were made or recognized.

[*Ex. 1912 c. 9 s. 1; 1919 c. 533*] (2246)

295.03 CERTAIN LAWS MADE APPLICABLE. All acts and parts of acts, not inconsistent herewith, regulating the payment, collection, time of payment, enforcement, or reports involving the amount of taxes upon the gross earnings of railroad companies within this state or providing penalties for the non-payment of such taxes, are hereby made applicable to sections 295.02 to 295.05, so far as may be.

[*Ex. 1912 c. 9 s. 3*] (2248)

295.04 COLLECTION BY CIVIL ACTION. Upon failure to pay the amount of such taxes legally due, upon the respective dates set forth in section 295.02, collection thereof may be enforced, in addition to existing remedies, in a civil

action brought, in the name of the State of Minnesota, in the district court of any county.

[*Ex. 1912 c. 9 s. 4*] (2249)

295.05 VALIDITY CONTESTED; CONDITIONS PRECEDENT. Before any railroad company shall be heard to contest or continue to contest the validity of Laws Ex. 1912, Chapter 9, or any part thereof, such railroad company shall, as a condition precedent thereto, pay into the state treasury the amount of taxes due or payable from such railroad company under the existing tax laws of this state.

[*Ex. 1912 c. 9 s. 5*] (2250)

295.06 APPORTIONMENT OF TAXES. All taxes paid into the state treasury by such railroad companies, as defined in section 295.01, which are not ordinary commercial steam railroads, shall be apportioned and distributed as provided in sections 295.07 to 295.10.

[*1909 c. 454 s. 2*] (2252)

295.07 ANNUAL REPORT; REQUISITES. Each railroad company not operating an ordinary commercial steam railroad, at the same time that it reports its gross earnings and income, shall report to the commissioner of taxation the approximate amount of its gross earnings and income derived from the business contributed to such railway by each city, village, town, and taxing district in or through which it operates its line; and the commissioner of taxation, from such reports and from all evidence, information, and statistics obtainable, shall ascertain and determine, as nearly as may be, the amount of the gross earnings of each line of such railways contributed by or derived from each city, village, town, and taxing district in or through which such railway is operated for the calendar year preceding the time of making the report of such gross earnings, as required by law. In determining the amount of all gross earnings contributed by or derived from the property and operation of such railway in each such city, village, town, or taxing district, the commissioner of taxation may, among other things, consider the relative use of such railway property in each such city, village, town, or taxing district in connection with the entire use of the property of such railway for operating the same and for all other purposes; and, also, what the proportion of such business arising in each such city, village, town, or taxing district is to the entire business of such railway company. The total gross earnings of such railway shall be entered upon the records of the commissioner of taxation opposite the name of each city, village, town, or taxing district within which any such railway is operated or any property owned or operated for or in connection with such railway, and there shall also be entered opposite the name of each such municipality the amount of gross earnings which the commissioner of taxation shall ascertain and determine was contributed to the total gross earnings by or derived from the property and use of such railway in such city, village, town, or taxing district, as above ascertained; and, also, the amount of the taxes to be paid by such railway company, by reason of the proportion of gross earnings and income derived from each such city, village, town, or taxing district.

[*1909 c. 454 s. 3*] (2253)

295.08 ORDER FOR APPORTIONMENT. The commissioner of taxation, as soon as he shall have apportioned such taxes among the several cities, villages, towns, and taxing districts contributing to the gross earnings and income of each such railway company, shall make his order apportioning to each city, village, town, or taxing district, as aforesaid, the proportionate amount of taxes paid by such railway, on account of the business derived from or contributed by each such city, village, town, or taxing district.

[*1909 c. 454 s. 4*] (2254)

295.09 CERTIFICATION OF APPORTIONMENT. The commissioner of taxation shall make and certify a statement, in triplicate, of such apportionment and division of the gross earnings and taxes of each such railroad company and file one of the statements with the state auditor, one with the state treasurer, and one with the auditor of each county in which any such railway line or property thereof used for railroad purposes is situated. Each such county auditor shall thereupon report to the state auditor what the per cent of the state tax in each such city, village, town, or taxing district is to the entire taxes of such city, village, town, or taxing district. The state auditor shall deduct from the total amount apportioned

to each city, village, town, or taxing district the amount due the state, as indicated by such statement, and shall draw his warrant upon the state treasurer for the balance of the amount of such taxes due to each county and to each of the cities, villages, towns, and taxing districts of such county in favor of the treasurer of such county, and shall transmit the same to each county treasurer and shall advise the auditor of each such county of the payment thereof. Thereupon the auditor of each such county shall apportion, distribute, and give due credit for such money so transmitted to the treasurer, and the treasurer of each such county shall pay the same to the several taxing districts as they may be entitled thereto; and, in case the same is applicable to several funds, to the particular fund to which the real estate taxes of such taxing district are apportioned and divided. The taxes on the property of each such railroad company so received shall, in all cases, be apportioned and divided the same as if paid as a tax upon real estate situated in the respective taxing districts in which such railway line or the property thereof used for railway purposes is situated.

[1909 c. 454 s. 5] (2255)

295.10 STREET RAILWAYS AND COMMERCIAL STEAM RAILROADS EXCEPTED. Nothing contained in sections 295.06 to 295.10 shall, in any manner, modify or amend any existing law so far as it applies to the taxation of street railways or ordinary commercial steam railroads, nor in any manner affect or change the apportionment of any of the taxes upon the gross earnings of such ordinary commercial steam railroads.

[1909 c. 454 s. 6] (2256)

295.11 STATE TREASURER, COLLECTOR. The state treasurer shall be the collector of all taxes due from railroad corporations which pay a percentage of gross earnings in lieu of other taxes. He may appoint one or more deputies to assist him in such collection, and may take such bond and security from such deputies as he deems necessary for his indemnity, and shall in all cases be liable and accountable for their proceedings and misconduct. Such deputies shall in no case be entitled to receive from the state any fee, charge, or salary.

[R. L. s. 1004] (2257)

295.12 DISTRAINT; SALE; FEES. At any time after March first, of each year, when any such tax or percentage of gross earnings is due from any railroad or railway corporation or company, the state treasurer, or his deputy, shall distrain sufficient goods, chattels, or other movable property, if found within the state, to pay such taxes or percentage and the costs that may accrue, and shall immediately advertise the same in three newspapers published in the state, stating the time when and the place where such property will be sold; and if the taxes for which such property is distrained and the costs which accrue thereon are not paid before the day appointed for such sale, which shall not be sooner than three weeks from the taking of such property, the treasurer, or his deputy, shall sell such property at public vendue, or so much thereof as shall be sufficient to pay such taxes and the costs of such distress and sale and penalty, as in this chapter provided. The treasurer and his deputies shall be allowed the same fees, costs, and disbursements for making such distress and sale as are allowed by law to sheriffs for making levy and sale of property on execution, traveling fees to be computed from the state capitol to the place of making the distress; but they shall receive no fees or costs from the state for making such distress or sale.

[R. L. s. 1008] (2258)

295.13 WHAT CHATTELS MAY BE DISTRAINED. All steam engines and cars of every kind shall be deemed chattels and movable property for the purpose of the enforcement of such taxes. When any steam engine or car is levied on, the state treasurer, or his deputy, making such distress or levy may move the same upon and over any road, track, or side track within the state, and to any town or city therein. The treasurer, or his deputy, making such levy may seize and take immediate and exclusive possession of any side track, roundhouse, or engine house, depot or warehouse, or building of the corporation or company in default, and move any property so distrained or levied on, upon, or into the same, and maintain such possession so long as, in the opinion of the treasurer, may be necessary for the collection of such taxes. Every person who, without authority from the treasurer, or his deputy, interferes with or molests the property so levied upon, or such side track or building upon or in which the same shall be

On or before April first, of each year, every railroad company which has received lands from the state or the United States to aid it in the building of its road shall make, to the railroad and warehouse commission, a full and complete return of all lands sold or contracted to be sold during the year ending December thirty-first preceding, verified by the land commissioner or other proper officer of such company. All trustees or other persons to whom any such lands have been conveyed, or by whom such lands are held in trust or otherwise, shall be subject to this section.
