

CHAPTER 113

IRRIGATION, OTHER PROVISIONS

Sections 113.01 to 113.06 authorize construction of dams, dikes, and gates suitable to culture of wire grass, cranberries, rice and similar crops. Section 113.23 relates to improvement of existing ditches.

Sections 113.07 to 113.22 were repealed by L. 1947 c. 143 s. 67 as being unnecessary. The provisions of section 113.17 are now superseded by section 106.151.
