

CHAPTER 251

CARE OF CONSUMPTIVES IN STATE AND COUNTY SANATORIA, AND
AFTER DISCHARGE THEREFROM

251.02 PERSONS ADMITTED.

While the county pays for support of the indigent poor in tuberculosis sanatoriums, the municipality charged with the support of the poor pays general hospital bills for hospitalization of the indigent poor. 1944 OAG 329, June 21, 1944 (556-A-8).

Responsibility for the support and care of a tubercular patient in a sanatorium depends on the residence of the patient. OAG April 16, 1945.

No statutory authority exists authorizing the director of social welfare to contract with the federal government for care of beneficiaries of the United States Veterans Administration in state sanatoriums. OAG March 13, 1946 (556-B-1).

251.04 EMPLOYEES IN STATE INSTITUTIONS TO BE PLACED IN SANATORIUM.

Repealed by L. 1947 c. 616 s. 5.

251.041 SANATORIUM EMPLOYEE CONTRACTING TUBERCULOSIS ENTITLED TO MEDICAL CARE AND COMPENSATION.

HISTORY. 1947 c. 616 s. 1.

By accepting the appropriation made by L. 1941, c. 537, s. 85, relator is barred from claiming compensation under L. 1941, c. 479; but the award of the industrial commission is without prejudice to an application to the commission to amend its order so that relator may receive the \$960 appropriated, but no more. Wolner v State, 213 M 96, 5 NW(2d) 67.

L. 1947, c. 616, and L. 1947, c. 569, are not inconsistent. L. 1947, c. 569, is permissive. The industrial commission passes on the right of an employee to qualify under these sections. The acts do not apply to employees of state institutions in general, but only those described in the acts. OAG June 4, 1947 (611-a-8).

251.043 FINDINGS; EMPLOYEE ADMITTED AS PATIENT; PAYMENT TO RECEIVING SANATORIUM; PAYMENT TO EMPLOYEE OF TWO-THIRDS OF HIS SALARY; UPON DEATH \$7,500 PAYABLE TO DEPENDENTS.

HISTORY. 1947 c. 616 s. 3.

251.044 PERSONS NOW RECEIVING BENEFIT.

HISTORY. 1947 c. 616 s. 4.

251.05 EMPLOYEES MAY RECEIVE BENEFITS.

Repealed by L. 1947 c. 616 s. 5.

251.13 MEDICAL AND SUPPLEMENTAL CARE, TO WHOM GIVEN.

A family consisting of husband and wife coming to Minnesota from Iowa living successively in Blue Earth county 20 months, Freeborn county 43 months, Dakota county 19 months and Washington county seven months was admitted to Ancker hospital in St. Paul as a tubercular patient. The state paid for her care for more than seven months and refused to pay longer. It is not clear to determine whether sections 251.02, 251.13 or 376.34 are applicable nor is it clear that Washington county had the burden of support. OAG Oct. 4, 1945 (556-A-8).

HISTORY. 1947 c. 569 ss. 1, 2.

L. 1947, c. 616, and L. 1947, c. 569, are not inconsistent. L. 1947, c. 569, is permissive. The industrial commission passes on the right of an employee to qualify under these sections. The acts do not apply to employees of state institutions in general, but only those described in the acts. OAG June 4, 1947 (611-a-8).
