(1) To create a State Civil Defense Agency, and to authorize the creation of local organizations for civil defense in the political subdivisions of the state;

(2) To confer upon the Governor and upon governing bodies of the political subdivisions of the state the emergency and disaster powers provided herein; and

(3) To provide for the rendering of mutual aid among the political subdivisions of the state and with other states, and to cooperate with the federal government with respect to the carrying out of civil defense functions.

Subd. 2. It is further declared to be the purpose of this chapter and the policy of the state that all civil defense functions of this state be coordinated to the maximum extent with the comparable functions of the federal government, including its various departments and agencies, of other states and localities, and of private agencies of every type, to the end that the most effective preparations and use may be made of the nation's manpower, resources, and facilities for dealing with any disaster that may occur.

#### ORGANIZATION

**12.11 CIVIL DEFENSE AGENCY.** Subdivision 1. There is hereby created within the executive branch of the state government a department of civil defense, hereinafter called the "Civil Defense Agency," which shall be under the supervision and control of the governor and a director of civil defense, hereinafter called the "state director." The state director shall be appointed by the governor with the advice and consent of the senate; he shall not hold any other state office; he may be removed from office by the governor at any time and shall be compensated at the rate of \$8,500 per annum, payable semimonthly.

Subd. 2. The state director may employ such technical, clerical, stenographic and other personnel and with the approval of the governor may make such expenditures within the appropriation therefor, or, with the approval of the executive council, from other funds made available to him for purposes of civil defense as may be necessary to carry out the purposes of this chapter. Such personnel except the director of civil defense shall be in the classified service of the state civil service. Such personnel except the director of civil defense holding offices or employment in the unclassified service on December 31, 1956, and continuously thereafter and until the effective date of this subdivision shall be given a qualifying examination as herein provided. The director of civil service, subject to the rules and regulations of the civil service board, shall on or before January 1, 1958, prepare and give once to all such incumbents of positions in the civil defense agency whose positions are in the classified service a qualifying examination which shall be noncompetitive, practical and involve only the duties of the position they occupied on December 31, 1956, or the position they occupy on the effective date of this subdivision, or the position they occupy on the date said examination is given, whichever examination the officer or employee may elect to take. If such aforementioned incumbents are found by such qualifying examination to have such ability and capacity as to enable them to perform the duties of the position for which they were examined in a reasonably efficient manner, they shall be given a civil service status subject to the provisions of Minnesota Statutes, Section 43.21. If any of the aforementioned incumbents who are required by this subdivision to take a qualifying examination fails to pass the examination, he shall be removed from his position at the expiration of 60 days following receipt of notice of failure to pass the examination. Any person who wilfully fails or refuses to take the examination when offered, without reasonable excuse, shall be removed from his position immediately. No person required by this subdivision to take a qualifying examination shall be laid off, suspended, discharged or reduced in pay or position except in accordance with the provisions of law applicable to the members of the classified civil service having a civil service status, until he has completed such qualifying examination and is notified of the result thereof, or unless he refuses to take such qualifying examination. In the event of necessary reductions in employment in any class or position, officers or employees who have not acquired a permanent civil service status shall be laid off in accordance with their seniority within the civil defense department.

Subd. 3. The state director and other personnel of the civil defense agency shall be provided with appropriate office space, furniture, equipment, supplies, stationery and printing in the same manner as provided for personnel of other state agencies.

#### EMERGENCY POWERS

**12.31 ENEMY ATTACK; DECLARATION OF EMERGENCY.** In the event information from the president of the United States or of the office of civil defense mobilization or the department of defense or through the national air warning system indicates the imminence of an actual enemy attack upon the United States, which means the several states, the District of Columbia, the Commonwealth of Puerto Rico, and the Panama Canal Zone, or the occurrence, within the state of Minnesota, of a major disaster from enemy sabotage or other hostile action, the governor may, by proclamation, declare that a civil defense emergency exists in all or any part of the state; and, if the legislature is then in regular session, or, if it is not, if the governor concurrently with his proclamation declaring such an emergency issues a call convening immediately both houses of the legislature, he shall have and may exercise for a period not to exceed 30 days the emergency powers and duties conferred and imposed upon him by sections 12.31 to 12.37, and the political subdivision shall have and may exercise for such period of not to exceed 30 days the powers and duties conferred and imposed upon them by sections 12.31 to 12.37. [1951 c 694 s 301; 1959 c 34 s 1; 1961 c 561 s 5]

**12.32 GOVERNOR'S ORDERS AND RULES, EFFECT.** All orders, rules and regulations promulgated by the governor under authority of section 12.21, subdivision 3, paragraph (1), when approved by the executive council and a copy thereof has been filed in the office of the secretary of state, shall have, during a civil defense emergency, the full force and effect of law. All rules, regulations, and ordinances of any agency or political subdivision of the state inconsistent with the provisions of this chapter, or with any order, rule, or regulation having the force and effect of law issued under the authority of this chapter, shall be suspended during the period of time and to the extent that such conflict exists.

[1951 c 694 s 302]

**12.33 ASSISTANCE BETWEEN POLITICAL SUBDIVISIONS.** Subdivision 1. Whenever the public interest requires it on account of an imminent emergency, the governor may, in his discretion, authorize and direct the police, fire-fighting, health, or other force of any political subdivision, herein called the sending political subdivision, to go to the assistance of another political subdivision, herein called the receiving political subdivision, and to take and use for such purpose such personnel, equipment, and supplies of the sending political subdivision as the governor may direct.

Subd. 2. While so engaged, the officers and members of such forces shall have the same powers, duties, rights, privileges and immunities as if they were performing like service in the sending political subdivision and shall be considered to be acting within the scope of and in the course of their regular employment, as employees of such sending political subdivision.

Subd. 3. The receiving political subdivision shall reimburse the sending political subdivision for all supplies used and the compensation paid to all officers and members of the forces so furnished during such time as the rendition of such aid prevents them from performing their duties in the sending political subdivision, for the actual traveling and maintenance expenses of such officers and members while rendering such aid, and the cost of all insurance covering such officers and members while so engaged. Any claim for such loss, damage or expense in use of

equipment or supplies or for additional expenses incurred in the operation or maintenance thereof shall not be allowed unless within 90 days after the same is sustained or incurred an itemized notice of such claim, verified by an officer or employee of the municipality having knowledge of the facts, is filed with the clerk of the receiving political subdivision.

Subd. 4. It shall be the policy of the state to reimburse the sending political subdivision for any loss or damage to equipment used outside of the corporate limits of the sending political subdivision and to reimburse the sending political subdivision for any additional expenses incurred in the operation and maintenance thereof outside such corporate limits. Any claim for such loss, damage or expense in use of equipment or for additional expenses incurred in the operation or maintenance thereof shall not be allowed unless within 90 days after the same is sustained or incurred an itemized notice of such claim, verified by an officer or employee of the sending political subdivision having knowledge of the facts, is filed with the state director.

**12.34 PERSONS REQUIRED TO ASSIST.** Subdivision 1. During a civil defense emergency, the governor, the state director or a member of a class of members of a state or local civil defense organization designated by the governor, may, when necessary to save life or property, (1) require any person, except members of the federal or state military forces and officers of the state or a political subdivision, to perform services for civil defense purposes as directed by any of the persons first above described, and (2) commandeer, for the time being, any motor vehicle, tools, appliances or any other property.

Subd. 2. The owner of any property so commandeered shall be promptly paid just compensation for the use thereof and all damages done to the property while so used for civil defense purposes. The governor or the governing body of the political subdivision concerned, respectively, according to the use thereof, shall make a formal order determining the amount of such compensation. The owner may appeal to the district court of the county in which such property was commandeered if, within 30 days from the date of such order, he serves upon the governor or the political subdivision concerned and files with the clerk of such court a written notice of appeal setting forth the order appealed from and, in detail, the amount claimed as compensation. Upon such appeal, the issue shall be the amount of damages to which the appellant is entitled. It may be noticed for trial as in the case of a civil action and the court may require other parties to be joined and to plead therein when necessary to a proper determination of the questions involved. The cause shall be tried without a jury de novo and the court shall determine the damages and the person or persons entitled thereto. Except as herein otherwise provided, the trial shall be conducted and the cause disposed of according to the rules applicable to civil actions in the district court. The court in its discretion may award to the prevailing party the costs and disbursements of the appeal.

Subd. 3. Any able-bodied person required to perform services for civil defense who refuses, neglects, or otherwise fails to perform the services required under subdivision 1 shall be guilty of a misdemeanor and punished by imprisonment in the county jail for not less than 10 days or more than 90 days.

[1951 c 694 s 304]

**12.35 MOBILE SUPPORT UNITS CALLED TO DUTY.** Subdivision 1. Mobile support units shall be called to duty upon orders of the governor and shall perform their functions in any part of the state, or, upon the conditions specified in this section, in other states.

Subd. 2. Personnel of mobile support units while on active duty, whether within or without the state, shall: (1) if they are employees of the state, have the powers, duties, rights, privileges and immunities and receive the compensation incidental to their employment; (2) if they are employees of a political subdivision, and whether serving within or without such political subdivision, have the powers, duties, rights, privileges and immunities and receive the compensation incidental to their employment; and (3) if they are not employees of the state or a political subdivision thereof, receive compensation by the state of \$5 per day and have the same rights and immunities as are provided by law for the employees of this state. All personnel of mobile support units shall, while on duty, be subject to the operational control of the authority in charge of civil defense activities in the

area in which they are serving, and shall be reimbursed for all actual and necessary travel and subsistence expenses.

Subd. 3. The state shall reimburse a political subdivision for the compensation paid and actual and necessary travel, subsistence and maintenance expenses of employees of such political subdivision while serving as members of a mobile support unit and for all payments for death, disability or injury of such employees incurred in the course of such duty, and for all losses of or damage to supplies and equipment of such political subdivision resulting from the operation of such mobile support unit.

Subd. 4. Whenever a mobile support unit of another state shall render aid in this state pursuant to the orders of the governor of its home state, and upon the request of the governor of this state, this state shall reimburse such other state for the compensation paid and actual and necessary travel, subsistence and maintenance expenses of the personnel of such mobile support unit while rendering such aid, and for all payments for death, disability or injury of such personnel incurred in the course of rendering such aid, and for all losses of or damage to supplies and equipment of such other state or a governmental subdivision thereof resulting from the rendering of such aid; provided, that the laws of such other state contain provisions substantially similar to this section.
