The board shall have the power to provide for its office and necessary furniture, fixtures, and supplies and to appoint and employ and at will to remove and discharge such officers, agents, and other employees as it deems necessary to perform its duties, and to fix the salaries and define the duties of such officers, agents, and employees.

The secretary shall conduct all correspondence necessary to carry out the provisions of this chapter; he shall keep a record of all proceedings, including the name of every applicant for registration or examination, which record shall show the age of the applicant, the extent of his study and practice, the name of the veterinary college from which he was graduated, and the date of such graduation.
