256.19 LEGAL SETTLEMENT. Subdivision 1. **Requirements.** For the purposes of sections 256.11 to 256.43 every person who has established state residence under section 256.16 and meets all other eligibility requirements for old age assistance is entitled to receive payment from the county in which he has acquired legal settlement. Legal settlement for this purpose is determined as follows:

(a) If a person resides one year continuously in any county, he has a legal settlement therein.

(b) If a person has not resided one year continuously in any county, he has a legal settlement in the county in which he has resided for the longest period during the 12 months of time, not excluded below, before he applies.

(c) If a person has not resided in the state for 12 months or more of non-excluded time, who has acquired state residence under section 256.16, he has a legal settlement in the county in which he has resided for the longest period of non-excluded time.

(d) Every person not included in (a), (b), and (c) above has a legal settlement in the county in which he has resided for the longest period during the year preceding the filing of his application, whether that year is excluded or non-excluded time.

His legal settlement is not lost or terminated until a new settlement is acquired in another county of this state or acquired in another state. For the purpose of determining county settlement, but not state residence, the time during which a person is an inmate or patient in one of the following places, whether public or private, is excluded: a hospital, poor house, jail, prison, licensed nursing home or licensed boarding care home, or home for the aged.

Subd. 2. Application. An applicant for old age assistance, or a person acting in his behalf, shall file his application in writing with the county agency of the county in which he is residing, in such manner and form as shall be prescribed by the state agency.

Subd. 3. Verification or declaration. All statements in the application shall be sworn to or affirmed by the applicant or a person acting in his behalf, setting forth that all facts are true in every material point, or in lieu thereof, the application shall contain the following declaration which shall be signed by the applicant or a person acting in his behalf: "I declare that this application has been examined by me and to the best of my knowledge and belief is a true and correct statement of every material point."

Subd. 4. Hearing; appeal. When an application is rejected or denied by a county agency upon the sole ground that the same was not filed in the county of applicant's legal settlement, an appeal may be taken to the state agency in the same manner as other appeals, and the state agency shall thereupon determine the question of legal settlement and refer the application to the county agency of the proper county for further action.

[*Ex*1936 c 95 s 9; 1943 c 203 s 1; 1955 c 474 s 1-3; 1957 c 320 s 3; 1967 c 162 s 1, 2] (3199-19)

256.20 INVESTIGATIONS; DETERMINATION, RENEWAL OF APPLICATION. Subdivision 1. The county agency shall promptly make or cause to be made such investigation as it may deem necessary; the object of such investigation shall be to ascertain the facts supporting the application made under sections 256.11 to 256.43 and such other information as may be required by the rules of the state agency. Upon the completion of such investigation, the county agency shall promptly decide upon the application, fix the amount of old age assistance, if any, and issue to each applicant to whom old age assistance is allowed, a certificate stating the date upon which old age assistance payments shall commence and the amount of each installment, which shall be paid monthly.

Subd. 2. If upon the investigation the county agency shall decide that the application was not filed in the county from which the applicant is entitled to receive assistance under section 256.19, subdivision 1, it shall transfer the application and all records of its investigation to the county decided to be responsible for the payment of assistance. Thereupon the latter county shall proceed in the same manner as though the application had been originally filed with it. If, after prompt investigation, the agency of the county to which the application is transferred decides that county is not responsible for the payment of assistance, it shall transmit to the state agency the original application together with such information and records as the state agency shall require. The state agency shall make such investigation as it deems necessary and shall make an order determining the county responsible for payment and referring the application to such county for appropriate action. A copy of the order of the state agency shall be mailed to the county found responsible and to the applicant. The order shall be binding and shall be complied with unless reversed on appeal and shall be complied with pending any appeal. Any order of the state agency hereunder may be appealed in the manner provided by section 256.21, subdivision 2.

[*Ex 1936 c 95 s 10; 1941 c 466 s 4; 1957 c 320 s 4*] (*§199-20*)

256.21 APPEALS, REVIEWS. Subdivision 1. **Appeal to state agency.** Any applicant or recipient aggrieved by any order or determination by the county agency may appeal from such order or determination to the state agency. An appeal may also be taken if the application is not acted upon by the county agency within 60 days. Before making such appeal to the state agency, the applicant or recipient shall give written notice to the county agency that he is not satisfied with the decision made. The county agency shall, within 30 days thereafter, grant a new hearing. The county agency may adhere to the decision already made, or may modify its order. If the applicant or recipient is then dissatisfied, he may, within 30 days after receiving notice of such order appeal to the state agency as herein provided. The state agency shall, upon receipt of such an appeal notify the county agency and review the case, giving the applicant or recipient an opportunity for a fair hearing before such state agency. The state agency may upon its own motion review any decision made by the county agency. The state agency may make such additional investigation as it may deem necessary and shall make such decision as to the granting of assistance and the amount and nature of assistance to be granted the applicant or recipient as in its opinion is justified and in conformity with the provisions of sections 256.11 to 256.43. All decisions of the state agency shall be binding upon the county involved and the applicant or recipient and complied with by the county agency unless modified or reversed on appeal as hereinafter provided.

Subd. 2. **Appeal to district court.** If a decision or determination by the state agency is not, in the opinion of the county agency or applicant or recipient, in conformity with sections 256.11 to 256.43, either may within 30 days after such decision appeal from the decision or determination of the state agency to the district court of the county in which the application was filed by serving a copy of a written notice of such appeal upon the state agency and adverse party and filing the original of such written notice, together with proof of service, with the clerk of the district court of the county. Such appeal may be brought on for hearing by either party by mailing ten days' written notice stating the time and place of such hearing. Upon serving of such notice, the state agency shall, if demanded, furnish the county agency and applicant or recipient a summary of the issues involved, a copy of all supporting papers, a transcript of any testimony and a copy of its decision. The court shall summarily, upon ten days written notice, try and determine the appeal upon the record of the state agency as certified to it and in the determination shall be limited to the issue as to whether the order of the state agency

is fraudulent, arbitrary or unreasonable. No new or additional evidence shall be taken on such appeal or introduced by any party to such hearing on appeal in the district court, unless such new or additional evidence, in the opinion of the court, is necessary to a more equitable disposition of the appeal. If the court shall find the order of the state agency fraudulent, arbitrary or unreasonable, the court shall make an order declaring the order of the state agency null and void, giving its reasons therefor, and shall order the state agency to take further action in the matter not inconsistent with the determination of the court.

During the pendency of the appeal, if the state agency has awarded old age assistance to a recipient, the old age assistance shall be paid to him pending the determination of the appeal. If the appeal shall be from the order of the state agency raising or lowering the amount paid to a recipient, and if the order of the state agency shall not be sustained, then the recipient shall receive the amount, if any, theretofore fixed by the county agency.

Subd. 3. Appeal to supreme court. The county agency may question the validity of any rule or regulation of the state agency and the district court where the county agency is located shall have power to determine the validity of any such rule or regulation by original proceedings in the court. Either the state agency or the county agency may appeal from such decision to the supreme court in the same manner as other appeals in civil actions.

Subd. 4. Objections by taxpayers. Any taxpayer of the state, resident therein, may appear at any time before the county agency of the county wherein he resides and protest the granting or continuance of any individual old age assistance, or any portion thereof, with the same right to appeal to the state agency as granted an applicant or recipient.

[*Ex1936 c 95 s 11; 1955 c 474 s 4*] (3199-21)

256.22 ATTORNEY GENERAL, COUNTY ATTORNEY; DUTIES. The attorney general shall be the attorney for the state agency in all matters pertaining to sections 256.11 to 256.43. The county attorney of each county shall be the attorney for the county agency in all matters pertaining to sections 256.11 to 256.43.

[*Ex1936 c 95 s 12*] (3199-22)

256.23 SUBPOENAS. The county agency and the state agency shall have the power to issue subpoenas for the witnesses and compel their attendance and the production of papers and writing; and officers and employees designated by the county agency or the state agency may administer oaths and examine witnesses under oath in connection with any application or proceeding under sections 256.11 to 256.43.

[*Ex1936 c 95 s 13*] (3199-23)

256.24 FUNERAL EXPENSES; CLAIM AGAINST ESTATE. On the death of a recipient, the county agency shall pay an amount for reasonable funeral expenses not exceeding \$200 and actual cemetery charges. No funeral expenses shall be paid if the estate of the deceased is sufficient to pay such expenses or if the children, or spouse, who were legally responsible for the support of the deceased during his lifetime, are able to pay such expenses; provided, that the additional payment or donation of the cost of cemetery lot, interment, religious service, or for the transportation of the body into or out of the community in which deceased resided, shall not limit payment by the county agency as herein authorized. Freedom of choice in the selection of a funeral director shall be granted to persons lawfully authorized to make arrangements for the burial of any such deceased recipient. In determining the sufficiency of such estate due regard shall be had for the nature and marketability of the assets of the estate. The county agency may grant funeral expenses where the sale would cause undue loss to the estate. Any amount paid by the county as funeral expenses shall be a prior claim against the estate, as provided in section 525.44, and any amount recovered shall be paid to the treasury of the county which paid the expenses and deposited in the county old age assistance fund and 50 percent thereof shall be paid to the state agency.

[*Ex1936 c 95 s 14; 1941 c 112 s 1; 1945 c 147 s 1; 1951 c 246 s 1; 1959 c 622 s 2; 1961 c 445 s 2*] (3199-24)

256.25 OLD AGE ASSISTANCE TO BE ALLOWED AS CLAIM IN PROBATE COURT. On the death of any person who received any old age assistance under this or any previous old age assistance law of this state, or on the death of the survivor of a married couple, either or both of whom received old age assistance, the

total amount paid as old age assistance to either or both, without interest, shall be allowed as a claim against the estate of such person or persons by the court having jurisdiction to probate the estate. If the value of the estate of any such person has been enhanced as a result of the failure on the part of a recipient to make a full disclosure of the amount or value of his property, or the amount or value of the combined property of a married couple, in any old age assistance proceeding, the claim shall be allowed by the probate court as a preferred claim and have preference to the extent of such enhancement over all other claims, excepting only claims for expenses of administration, funeral expenses, and expenses of last sickness. If the value of any such estate, exclusive of household goods, wearing apparel, and a burial lot, is more than the value of the property of such person, as disclosed by the applicant in any old age assistance proceeding, it shall be prima facie evidence that the value of such estate was enhanced by the payment of old age assistance to the extent of the excess, but not exceeding the total amount of old age assistance paid to such person or persons. The statute of limitations which limits the county agency or the state agency, or both, to recover only for assistance granted within six years shall not apply to any claim made under sections 256.11 to 256.43 for reimbursement for any assistance granted hereunder.

[*Ex*1936 c 95 s 15; 1939 c 242 s 1] (3199-25)

256.26 OLD AGE ASSISTANCE; LIENS. Subdivision 1. **Contributions.** If at any time during the continuance of any assistance granted under sections 256.11 to 256.43 the state agency or the county agency finds that any child or the spouse of any recipient is reasonably able to contribute to the necessary care and support of such recipient without undue hardship to himself or his immediate family and such person so able to contribute to the care and support of such recipient fails or refuses to contribute according to his ability to the care and support of such recipient, then, after notice to such person, there shall exist a cause of action against this person for such amount of assistance furnished under sections 256.11 to 256.43 subsequent to such notice, or such part thereof as such person is reasonably able to pay. The action may be ordered by the state agency or county agency and shall be brought in the name of the county by the county attorney of the county in which such assistance was granted against this person for the recovery of such amount of assistance granted after such notice, as hereinbefore provided, together with the costs and disbursements of such action.

Subd. 2. Real property without state. The county agency shall require a recipient, as a prerequisite to receiving old age assistance, to sell all his real property situate without the state, having due regard to the nature and marketability of the property, and to use the proceeds for his support.

Subd. 3. Lien on real property within state. No person shall be paid old age assistance without first giving the state a lien on all his property situate within the state as hereinafter provided.

Subd. 4. Amount of lien. The total amount of old age assistance paid a recipient, including burial expenses, but without interest, shall be a lien in favor of the state upon all real property belonging to such recipient.

Subd. 5. Old age assistance certificates. No old age assistance shall be given under sections 256.11 to 256.43 until an old age assistance certificate stating the name and residence of the recipient, the amount of assistance granted, the date when such assistance became effective, the name of the county granting the assistance, the legal description of all real estate of the recipient in this state, and such other information as the state agency requires has been prepared by the county agency granting assistance on a form provided by the state agency. If the real estate described in the old age assistance certificate is unregistered land the certificate, or a copy, shall be filed for record by the county agency granting assistance with the register of deeds, of each county where there is real property belonging to the recipient. If the real estate described in the old age assistance certificate is registered land, the old age assistance certificate is filed with the registrar of titles of each county in which is located any registered land described therein. He enters a memorial thereof upon the original certificate of title pertaining to this registered land. If property belonging to the recipient be omitted from the old age assistance certificate or he acquires property after the filing of the old age assistance certificate, a subsequent old age assistance certificate containing the same information, together with a description of the omitted property is so filed. An old age assistance certificate need not be witnessed or acknowledged.

Subd. 6. Attachment of lien; priority. Thereupon the lien hereby imposed shall arise. It attaches to all unregistered land owned by the recipient and described in the old age assistance certificate from the filing of the old age assistance certificate with the register of deeds of the county wherein the real property is located. It attaches to all registered land owned by the recipient and described in the old age assistance certificate from the time a memorial is entered upon the original certificate of title pertaining to the land described in the old age assistance certificate. The lien attaches to any interest held in joint tenancy during the continuation thereof, but shall be extinguished upon the decease of the old age recipient, unless severance occurs before such decease or the old age recipient becomes the survivor of such joint tenancy. The lien is for the amount paid the recipient as old age assistance and continues until the liability for that amount is satisfied. The lien takes priority from the time of its attaching over all other liens subsequently acquired and subsequent conveyances. The lien does not take priority over the claims of any person for money actually expended by him in permanently improving the homestead of the recipient or in payment of the taxes or incumbrances thereon.

Upon the death of the recipient the debt secured by the lien is a claim against his estate and, after expenses of administration, funeral expenses, expenses of last illness, and debts having preference by the laws of the United States, and taxes, has priority over all other debts.

Any lien which has arisen and attached to unregistered land prior to May 1, 1955, by reason of the filing of a certificate not describing the land owned by the recipient ceases on March 31, 1957, unless prior to this latter date the county agency files with the register of deeds in the county wherein the recipient owns land an old age assistance certificate as prescribed in section 256.26, subdivision 5, and containing an identification of the certificate previously filed. Thereafter the lien continues only as to the lands described in the old age assistance certificate.

Registered land is not affected by any such lien unless the certificate is entered as a memorial upon the certificate of title pertaining to the land affected. Any lien which attached to registered land prior to May 1, 1955, by reason of the filing of a certificate with the registrar of titles and the entry thereof as a memorial on the certificate of title pertaining to the land affected continues until satisfied. After May 1, 1955, no lien attaches to registered land unless an old age assistance lien is filed as prescribed in section 256.26, subdivision 5.

Subd. 7. Record. The several registers of deeds and registrar of titles shall keep a record of every old age assistance certificate so filed, showing its date, the time of filing, the name and residence of the recipient, the name of the county granting assistance to him and any release or satisfaction of the lien. No fee shall be charged for the filing or recording of an old age assistance certificate or the entry of the abstract thereof, except in counties where the register of deeds or registrar of titles is compensated otherwise than by salary. In these counties a fee of \$1.25 shall be paid to the register of deeds or registrar of titles by the county filing or recording the certificate. After the recording of the original or copy of the lien given him for that purpose, the register of deeds shall return it to the county agency.

Subd. 8. Enforcement of lien. Such liens, after filing, shall be enforced in the manner provided by law for the enforcement of mechanic's liens upon real property, provided, no such lien, and no claim under section 256.25 shall be enforced against the homestead of the lienor while occupied by his surviving spouse, or minor children.

Subd. 9. Release of lien. When the county agency of the county granting assistance to a recipient is satisfied that the collection of the amount paid him as old age assistance will not be jeopardized or that the release of the lien against his property, in whole or in part, is necessary for the maintenance or support of the recipient, his spouse, minor or incapacitated children, or when the county agency is satisfied by competent evidence that the major portion of the investment in the recipient's homestead was made by any person by personal services in the home or otherwise and that substantial justice can only be done by the release of the lien, it may, with the approval of the state agency, release such lien with respect to all or part of the real property of the recipient, and such release, or a certified copy thereof, shall be filed with the register of deeds of each county where the lien certificate is filed.

Subd. 10. Discharge of lien. The recipient, his heirs, personal representa-

tives, or assigns, may discharge such lien at any time by paying the amount thereof to the treasurer of the proper county who, with the approval of the county agency, shall execute a satisfaction thereof and file the same with the register of deeds of each county where the lien certificate is filed.

Subd. 11. **Disqualification.** Any person who has within five years prior to the date of application transferred or disposed of any property in order to avoid the application of this section shall be disqualified from receiving old age assistance.

256.263 LAND ACQUIRED BY STATE UNDER OLD AGE ASSISTANCE LIENS. Subdivision 1. **Duty of county board.** When land shall have been acquired by the state under the provisions of Minnesota Statutes, Section 256.26, either by conveyance in settlement of the lien held by the state, or by foreclosure of such lien, it shall be the duty of the county board to manage and lease the real estate while the state continues to own it.

Subd. 2. **Management.** While the state owns such real estate, if the county board by resolution stating the price to be paid in cash shall recommend the sale and conveyance thereof, and transmit a copy of such resolution to the state agency, the state agency shall make an order approving the sale for the price recommended and transmit a copy thereof to the county auditor, in the county where the land is situated. Thereupon, when the purchase price is paid by the purchaser to the treasurer of such county, the chairman of the county board shall execute a deed in the name of the state, which shall be attested by the county auditor, conveying such land to the purchaser.

[1945 c. 172 ss. 1, 2]

256.27 REIMBURSEMENTS OF PARTICIPATING GOVERNMENTAL UNITS; RECIPIENT'S APPLICATION OF EXCESS ASSETS. When any amount shall be recovered from any source for assistance furnished under the provisions of sections 256.11 to 256.43, there shall be paid to the United States the amount which shall be due under the terms of the social security act and the balance thereof shall be paid into the treasuries of the state and county, substantially in the proportion in which they respectively contributed toward the total assistance paid. The amounts due the respective participating units of government shall be determined by rule and regulation adopted by the commissioner of public welfare pursuant to a formula of reimbursement prescribed or authorized by the federal social security administration.

Any recipient who by inheritance or otherwise acquires assets in excess of the maximum allowed under section 256.18 may apply such assets to his lien indebtedness or to the general claim if he owns no real property, and continues to receive old age assistance if he is otherwise eligible. The county agency shall consider such payments as a recovery which reduces the lien or claim in the amount of the payment made.

256.28 PAYMENTS TO RECIPIENT. Subdivision 1. All payments of old age assistance must be issued to the recipient except in those instances in which a legal guardian has been appointed by the court having jurisdiction to make such appointments.

NOTE: Section 256.28 is also amended by Laws 1967, Chapter 89, Section 1, to read:

"Subdivision 1. All payments of old age assistance must be issued to the recipient except:

(1) In those instances in which a legal guardian has been appointed by the court having jurisdiction to make such appointments, payment shall be made to the legal guardian.

When necessary by reason of failure to levy sufficient taxes for the payment of the old age assistance in the county, the county board shall nevertheless authorize payment of the old age assistance and the county auditor shall carry any such payments as an overdraft on the old age assistance fund of the county until sufficient tax funds shall be provided for the old age assistance payments. The board of county commissioners shall include in the tax levy and tax rate in the year following the year in which such overdraft occurred an amount sufficient to liquidate such overdraft in full.

(4) Claims for reimbursement shall be presented to the state agency by the respective counties in such manner as the state agency shall prescribe not later than ten days after the close of the month in which the expenditures were made. The state agency shall audit such claims and certify to the state auditor the amounts due the respective counties without delay. The amounts so certified shall be paid within ten days after such certification, from the state treasury upon warrant of the state auditor from any moneys available therefor. The moneys available to the state agency to carry out the provisions of sections 256.11 to 256.43, including all federal funds available to the state, shall be kept and deposited by the state treasurer in the revenue fund and disbursed upon warrants in the same manner as other state funds.

Subd. 2. Approval of application. No application shall be approved until:

(a) The applicant has been examined by an ophthalmologist or an optometrist whichever the applicant selects, for the purpose of determining the applicant's degree of blindness and such other information as required by rules and regulations of the state agency; and has been found to be blind by the state agency's ophthalmologist; and

(2) Has not sufficient income or other resources to provide a reasonable subsistence compatible with decency and health which shall mean, with respect to personal property, a person whose personal property is worth not more than \$2,000 for a single person, or \$4,000 for a married couple. Personal property shall include stocks and bonds, bank savings, land contracts, mortgages and cash value of life insurance policies. Personal property used as a regular abode by the applicant or recipient may be excluded in determining the value of personal property owned. Household goods and furniture in use in the home, wearing apparel, and a lot in a burial ground shall not be considered in determining the property limitation set forth in this section. If the liquidation of the land contracts convertible into cash referred to in this section would cause undue loss or hardship, assistance may nevertheless be granted;

(3) Is not an inmate of, or being maintained by a municipal, county, state, or national institution at the time of receiving assistance, but part or all of any aid to the blind may be paid to patients in public or private medical institutions who are eligible for such aid, subject to rules and regulations made by the state agency;

256.52 WHO MAY RECEIVE ASSISTANCE. No person receiving a grant under sections 256.49 to 256.71 shall at the same time receive any other public relief from the state or from any instrumentality or political subdivision thereof.

[1937 c 324 s 5; 1967 c 885 s 4] (\$199-67)

256.53 BLIND; AMOUNT OF ASSISTANCE. Subdivision 1. **Determination.** The amount of assistance which any recipient shall receive shall be determined by the county agency, with due regard to the resources and necessary expenditures of the individual and the conditions existing in each case and in accordance with the rules and regulations made by the state agency, and sufficient when added to all other income and support of the recipient, to provide him with a reasonable subsistence compatible with decency and health. The first \$90 of earned monthly income plus one-half of earned monthly income in excess of \$90 and for a period not in excess of 36 months, such additional amounts of other income and resources as may be necessary, for an individual to achieve self support when the individual has a plan for self support that has been approved by the state agency, shall be disregarded in determining the need of an applicant or recipient and the following deductions from the gross income of the applicant or recipient from salaries, wages, commissions, sales and fees unless reimbursed by the employer, shall be deducted before determining such earned monthly income:

- (1) Expenses of travel incidental to employment;
- (2) Cost of meals and lodging away from home necessarily incurred to earn income;
- (3) Cost of merchandise purchased for sale;
- (4) Salaries, wages, commissions or fees paid by the applicant or recipient where necessary in carrying on his business or profession;
- (5) Interest paid on business or professional indebtedness;
- (6) Cost of telephone service used in business or profession;
- (7) Taxes, reasonable depreciation, rent, service charges and cost of repairs on property used in business or profession;
- (8) Cost of supplies purchased for business or profession;
- (9) Bad debts resulting from sale of merchandise or equipment used in business or profession.

Such applicant or recipient shall furnish a monthly report of all earnings within ten days after the close of each month and the county agency shall consider such reports in adjusting subsequent monthly grants. Exceptions may be made by the agency when the recipient is engaged in an activity where a monthly report is either impossible or would represent an unrealistic picture of the income situation. During the receipt of assistance, exempted earned income may be accumulated to the amounts permitted under section 256.51, subdivision 2.

Subd. 2. Funeral expenses. On the death of a recipient, the county agency may pay an amount for reasonable funeral expenses, not exceeding \$150. No funeral expenses shall be paid if the estate of the deceased is sufficient to pay such expenses, or if the children or spouse, who were legally responsible for the support of the deceased during his lifetime, are able to pay such expenses, provided that the additional payment or donation of the cost of the cemetery lot, interment, religious

services, or for the transportation of the body into or out of the community in which deceased resided, shall not limit the payment by the county agency as herein authorized. Provided further that freedom of choice in the selection of a funeral director shall be granted to persons lawfully authorized to make arrangements for the burial of any such deceased recipient. In determining the sufficiency of such estate due regard shall be had for the nature and marketability of the assets of the estate. The county agency may grant funeral expenses where the sale would cause undue loss to the estate. The state shall reimburse the county for 50 percent of the payments made for such funeral expenses.

256.54 APPLICATIONS. Subdivision 1. **Manner of making.** An applicant or a person acting in his behalf, shall apply for assistance under sections 256.49 to 256.71 to the county agency of the county in which the applicant is residing. The application shall be in writing, or reduced to writing in the manner and upon the form prescribed by the state agency, and verified by the oath of the applicant or a person acting in his behalf, or in lieu thereof, the application shall contain the following declaration which shall be signed by the applicant or a person acting in his behalf: "I declare that this application has been examined by me and to the best of my knowledge and belief is a true and correct statement of every material point". Such application shall contain a statement of the amount of property, both personal and real, in which the applicant has an interest and of all income which he may have at the time of the filing of the application and such other information as may be prescribed by the state agency.

Subd. 2. **Eligibility.** For the purposes of sections 256.49 to 256.71 every person who meets all of the eligibility requirements in section 256.51, subdivision 1, is entitled to receive payments from the county in which he has acquired legal settlement. Legal settlement for this purpose is defined as follows:

(a) If a person resides one year continuously in any county, he has a legal settlement therein.

(b) If a person has not resided one year continuously in any county, he has a legal settlement in the county in which he has resided for the longest period during the 12 months of time, not excluded below, before he applies.

(c) If the non-excluded time during which a person has resided in the state is less than 12 months, he has a legal settlement in the county in which he has resided for the longest period of non-excluded time.

(d) Every person not included in (a), (b) and (c) above has a legal settlement in the county in which he has resided for the longest period during the year preceding the filing of his application, whether that year is excluded or non-excluded time.

His legal settlement is not lost or terminated until a new settlement is acquired in another county of this state or acquired in another state. For the purpose of determining county settlement, but not state residence, the time during when a person is an inmate or patient in one of the following places, whether public or private, is excluded: a hospital, poor house, jail, prison, licensed nursing home, licensed boarding care home or home for the aged.

256.55 INVESTIGATIONS AND EXAMINATIONS. When an application for assistance under sections 256.49 to 256.71 is received the county agency shall immediately arrange for an examination as to the blindness of the applicant by an ophthalmologist or optometrist whichever the applicant may select, and shall cause to be made such social and economic investigation as may be necessary to determine facts supporting the application made under sections 256.49 to 256.71, and such other information as may be required by rules and regulations of the state agency.

[1937 c 324 s 9; 1959 c 493 s 4] (3199-71)

256.57 DETERMINATION OF ELIGIBILITY. When the state agency certifies that the applicant is legally blind, the county agency shall determine the eligibility of the applicant for assistance under the provisions of sections 256.49 to 256.71, and determine the amount of assistance, if any, and the date on which it shall begin. In determining the amount of assistance account shall be taken of any income or property of the applicant, and any support which he may receive from other sources. The county agency shall notify the applicant of its decision in writing. Assistance shall be paid monthly from funds appropriated to the county agency for such purposes. The county agency shall, upon the granting of that assistance, file an order, on a form to be approved by the state agency, with the auditor of the county, and thereafter warrants shall be drawn and payments made only in accordance with that order to the recipient of that assistance subject to the provisions of section 256.61.

[1937 c 324 s 10; 1955 c 711 s 9] (3199-72)

[1937 c 324 s 12] (3199-74)

256.60 APPEALS. Subdivision 1. **State agency.** If an application is not acted upon with reasonable promptness or an applicant is aggrieved by any order or determination of the county agency, he may appeal directly to the state agency. All requests for reconsideration by the state agency shall be in writing.

Upon receipt of such appeal the state agency may make such additional investigation as it deems necessary, and shall make such decision as to the granting of assistance and the amount of assistance to be granted the applicant as, in its opinion, is justified and in conformity with the provisions of sections 256.49 to 256.71.

Subd. 2. **District court.** If any final decision or determination by the state agency is not, in the opinion of the county agency, or the applicant or recipient, in conformity with sections 256.49 to 256.71, either may, within 30 days after such decision, appeal from the decision or determination of the state agency to the district court of the county in which the applicant resides, by serving a copy of a written notice of such appeal upon the state agency and filing the original of such written notice, together with proof of service, with the clerk of the district court of the county. Such appeal may, upon not less than ten days written notice, be brought on for hearing by either party before the district court at any general or special term, out of term, or in chambers; and, in judicial districts having more than one judge, the senior or presiding judge shall hear the same or, if unable, refer the matter to some other judge in the district. Upon serving of such notice, the state agency shall if demanded furnish all parties in interest a concise statement of the issues involved, copies of all supporting papers, a transcript of the testimony taken at the hearing before the state agency and a copy of its decision. The court shall try and determine the appeal upon the record of the state agency as certified to it and in its determination shall be limited to the issue as to whether the order of the state agency is fraudulent, arbitrary, or unreasonable. No new or additional evidence shall be taken on such appeal or introduced by any party to such hearing on appeal in the district court, unless such new or additional evidence, in the opinion of the court, is necessary to a disposition of the appeal. The court shall within 30 days make its decision upon the appeal, giving its reasons therefor, and shall order the state agency to take further action in the matter not inconsistent with the determination of the court.

During the pendency of the appeal, if the state agency has awarded assistance

to a recipient, this assistance shall be paid to him pending the determination of the appeal. The state agency and the district court shall construe these sections liberally in favor of the blind applicant to the end that the applicant shall be awarded sufficient assistance compatible with decency and health.

independence of parents and relatives insofar as such help is consistent with continuing parental care and protection.

[1937 c 438 s 3; 1963 c 794 s 3] (8688-5)

256.73 ASSISTANCE, RECIPIENTS. Subdivision 1. **Dependent children.** Assistance shall be given under sections 256.72 to 256.87 to or on behalf of any dependent child who:

(1) Has resided in the state for one year immediately preceding the application for such assistance; or who was born within one year immediately preceding the application, if the parent or other relative with whom the child is living has resided in the state for one year immediately preceding the application; provided, that the time during which a child has been an inmate of a hospital, a home of detention, a licensed boarding or foster home, or of any public or private institution, shall be excluded in determining the time of residence of such child in obtaining county residence but shall not preclude a child from gaining state residence; or a dependent child who has come to the state of Minnesota from another state which has no residence requirements;

(2) Is living in a suitable home conducted by a family having as far as practicable the same religious faith as the family of the child and meeting the standards of care and health fixed by the laws of this state and rules and regulations of the state agency thereunder.

Subd. 2. **Allowance barred by ownership of property.** The ownership by father, mother, child, children, or any combination thereof, of property as follows shall be a bar to any allowance under sections 256.72 to 256.87:

(1) Real estate used as a home the market value of which less encumbrances exceeds \$7,500; provided that real estate used as a home in excess of this amount will not be a bar to eligibility where the county welfare board determines that such real estate is not available for support of the family.

(2) Personal property of a reasonable market value in excess of \$300 for a one child recipient or \$500 for more than one child recipient, exclusive of personal property used as the home, insurance carried by a parent which does not exceed a cash surrender value of \$500, appropriate clothing and necessary household furniture and equipment, and of such tools, implements, and domestic animals as in the opinion of the county agency it is expedient to retain for the purpose of reducing the expense or increasing the income of the family, and the earnings of a dependent child which are placed in a savings account to be used for a future purpose approved by the county agency in accordance with the rules and regulations of the commissioner of public welfare; or

(3) Real estate not used as a home, provided that if such real estate does not produce net income sufficient to meet the family budget and there is no available market for the sale of such property, or if the price which can be obtained on the prevailing market is not fair and reasonable considering the applicant's interest therein and the possibilities of sale of said property for a greater amount within a reasonable length of time thereafter then in that event, in the discretion of the county agency, ownership of the same shall not be a bar to an allowance under sections 256.72 to 256.87. Net income shall be the residue after payment from gross income of taxes, insurance, maintenance, and interest on encumbrances, if any, on the property, provided that in computing net income the gross income shall not be charged with any expenses toward betterment of the property as improvements or by payment on the principal of a mortgage; provided, that the net income thus derived shall be applied on the family budget.

Subd. 3. **Persons ineligible.** No assistance shall be given under sections 256.72 to 256.87 to or on behalf of any one who is receiving aid to the blind, old age assistance, aid to the permanently and totally disabled; provided, however, that part or all of any aid to dependent children may be paid to or on behalf of patients in public or private medical institutions who are eligible to such aid, subject to rules and regulations of the state agency; provided further, that aid may be paid to or on behalf of any dependent child whose parent or parents are blind and receive assistance under sections 256.49 to 256.71.

Subd. 4. **County to make payment.** The county responsible for the payment of assistance under sections 256.72 to 256.87 shall be the county in which said child has resided for the year preceding the application for assistance; provided, that if said child has not resided continually in any one county for the year preceding

said application, then the county in which said child has resided for the longest period of time during said year shall be responsible for the payment of assistance under sections 256.72 to 256.87, subject to the provisions of section 256.79. The time during which a child has been an inmate of a hospital, a home of detention, a licensed boarding or foster home, or of any public or private institution, shall be excluded in determining the time of residence of such child.

[1937 c 438 s 4; 1939 c 195 s 2; 1943 c 7 s 2; 1951 c 229 s 2; 1953 c 140 s 1, 2; 1953 c 639 s 2; 1955 c 414 s 1; 1955 c 743 s 1; 1957 c 690 s 2; 1963 c 794 s 4; 1965 c 799 s 4] (8688-6)

256.735 PAYMENTS UNDER ELEMENTARY AND SECONDARY EDUCATION ACT EXCLUDED FROM COMPUTATION OF NEED FOR PURPOSES OF AID TO FAMILIES WITH DEPENDENT CHILDREN. The first \$85 earned in any month, for a period not to exceed 24 months, for services rendered to any program assisted under title I of the elementary and secondary education act of 1965, as amended, is excluded from a person's earnings for the purposes of determining his or her need under the program of aid to families with dependent children, and similarly is excluded in determining the need of any dependent of such a person.

[1967 c 741 s 26]

256.74 ASSISTANCE. Subdivision 1. **Amount.** The amount of assistance which shall be granted to or on behalf of any dependent child and mother or other needy eligible relative caring for such dependent child shall be determined by the county agency with due regard to the resources and necessary expenditures of the family and the conditions existing in each case and in accordance with the rules and regulations made by the state agency and shall be sufficient, when added to all other income and support available to the child, to provide such child with a reasonable subsistence compatible with decency and health. In making its determination the county agency shall exclude the following from family income:

(1) Earnings of a child under 14 years of age which are casual and inconsequential;

(2) Of the first \$80 per month of earned income of each dependent child as defined in Minnesota Statutes 1965, Section 256.12, Subdivision 14, the county agency shall disregard the first \$20 thereof plus one-half of the remainder, but not to exceed \$150 of combined exemptions when there are several such dependent children with earnings in the same family.

Subd. 2. **Application.** Application for assistance under sections 256.72 to 256.87 shall be made to the county agency of the county in which the dependent child is residing. If the child is not residing within the state at the time of application but is eligible for assistance, the application may be made to the agency of the county where the child is present and forwarded to the agency of the county where the child last resided. The application shall be in writing or reduced to writing in the manner and upon the form prescribed by the state agency and verified by the oath of the applicant. The application shall be made by the person with whom the child will live and contain information as to the age and residence of the child and such other information as may be required by the rules and regulations of the state agency. One application may be made for several children of the same family if they reside with the same person.

Subd. 3. **Funeral expenses, payment.** On the death of a dependent child, the county agency may pay an amount for reasonable funeral expenses, not exceeding \$150. No funeral expenses shall be paid if the estate of the deceased is sufficient to pay such expenses, or if the person or persons who were legally responsible for the support of the deceased during his or her lifetime are able to pay such expenses, provided that the additional payment or donation of the cost of the cemetery lot, interment, religious services, or for the transportation of the body into or out of the community in which the deceased resided, shall not limit the payment by the county agency as herein authorized. Provided further that freedom of choice in the selection of a funeral director shall be granted to persons lawfully authorized to make arrangements for the burial of any such deceased recipient. In determining the sufficiency of such estate, due regard shall be had for the nature and marketability of the assets of the estate. The county agency may grant funeral expenses where the sale would cause undue loss to the estate.

Subd. 4. **County to first pay funeral expenses.** All funeral expenses paid under section 256.74 shall, in the first instance, be paid by the county in which the deceased received aid to dependent children; and the state shall reimburse the county for

50 percent of the payments made for reasonable funeral expenses from state funds.

256.75 INVESTIGATIONS TO BE MADE BY COUNTY AGENCIES. When a county agency receives a notification of the dependency of a child or an application for assistance an investigation and record shall be made within a reasonable time of the circumstances to ascertain the dependency of the child or the facts supporting the application made under sections 256.72 to 256.87 and such other information as may be required by the rules of the state agency.

[1937 c. 438 s. 7] (8688-9)

256.76 ASSISTANCE, DETERMINATION OF AMOUNT. Subdivision 1. Upon the completion of such investigation the county agency shall decide whether the child is eligible for assistance under the provisions of sections 256.72 to 256.87, determine the amount of such assistance, and the date on which such assistance shall begin. It shall make a grant of assistance which shall be binding upon the county and be complied with by the county until such grant is modified or vacated. The county agency shall notify the applicant of its decision in writing. Such assistance shall be paid monthly to the applicant or to the vendor of medical care upon order of the county agency from funds appropriated to the county agency for this purpose. The county agency shall, upon the granting of assistance under these sections, file an order on the form to be approved by the state agency with the auditor of the county and thereafter warrants shall be drawn and payments made only in accordance with this order to or for recipients of this assistance or in accordance with any subsequent order.

Subd. 2. If upon the investigation the county agency shall decide that the application was not filed in the county from which the dependent child is entitled to receive assistance under section 256.73, subdivision 4, it shall transfer the application and all records of its investigation to the county decided to be responsible for the payment of assistance. Thereupon the latter county shall proceed in the same manner as though the application had been originally filed with it. If, after prompt investigation, the agency of the county to which the application is transferred decides that county is not responsible for the payment of assistance, it shall transmit to the state agency the original application together with such information and records as the state agency shall require. The state agency shall make such investigation as it deems necessary and shall make an order determining the county responsible for payment and referring the application to such county for appropriate action. A copy of the order of the state agency shall be mailed to the county found responsible and to the applicant. The order shall be binding and shall be complied with unless reversed on appeal and shall be complied with pending any appeal. Any order of the state agency hereunder may be appealed in the manner provided by section 256.77, subdivisions 3 to 6.

[1937 c 438 s 8; 1951 c 229 s 4; 1957 c 690 s 4] (8688-10)

256.77 COUNTY AGENCY, DECISION UPON APPLICATION. Subdivision 1. **Appeal to state agency.** Any applicant or recipient aggrieved by any order or determination by the county agency may appeal from such order or determination to the state agency. Such appeal may be taken if the application is not acted upon within a reasonable time by the county agency. Before making such appeal to the state agency the applicant or recipient shall give written notice to the county agency that he is not satisfied with its decision or its delay in acting upon his application. Upon the filing of such notice of dissatisfaction, the county agency shall make an order fixing the time and place for hearing thereon, which hearing shall be held within the ensuing 30 days. Copies of such order shall be forthwith mailed to the applicant or recipient and the state agency. The county agency may adhere to the decision already made or modify the same and copies of such new decision shall be forthwith mailed to the applicant or recipient and the state agency. If the applicant or recipient is then dissatisfied he may, within 30 days after the mailing of such decision, appeal to the state agency as herein provided. The state agency shall, upon receipt of such an appeal, notify the county agency and review the case, giving the applicant or recipient an opportunity for a fair hearing before such state agency. The state agency may upon its own motion review any decision of the county agency and consider any application upon which a decision has not been made by the county agency within a reasonable time. Any applicant aggrieved by

a decision of the state agency made upon its own motion shall be granted an opportunity for a fair hearing before the state agency.

Subd. 2. Investigation by state agency. The state agency may make such additional investigation as it may deem necessary and shall make such decision as to the granting of assistance and the amount of assistance to be granted as in its opinion is justified and in conformity with the provisions of sections 256.72 to 256.87. Any applicant or recipient shall have the right to produce any evidence that he desires and be represented by a friend or counsel at all hearings before any administrative agency considering his case. All decisions of the state agency shall be binding upon the county agency involved and the applicant or recipient and shall be complied with by such county agency unless modified or reversed on appeal as hereinafter provided.

Subd. 3. Appeal to district court. If a decision or determination by the state agency is not, in the opinion of the county agency or applicant or recipient, in conformity with those sections, either may within 30 days after such decision appeal from the decision or determination of the state agency to the district court of the county in which the application was filed by serving a copy of a written notice of such appeal upon the state agency and adverse party and filing the original of such written notice, together with proof of service, with the clerk of the district court of the county. Such appeal may be brought on for hearing by either party by mailing ten days' written notice stating the time and place of such hearing. Upon serving of such notice, the state agency shall, if demanded, furnish the county agency and applicant or recipient a summary of the issues involved, a copy of all supporting papers, a transcript of any testimony, and a copy of its decision. The court shall summarily, upon ten days' written notice, try and determine the appeal upon the record of the state agency as certified to it and in its determination shall be limited to the issue as to whether the order of the state agency is fraudulent, arbitrary, or unreasonable. No new or additional evidence shall be taken on such appeal or introduced by any party to such hearing on appeal in the district court, unless such new or additional evidence, in the opinion of the court, is necessary to a more equitable disposition of the appeal. If the court shall find the order of the state agency fraudulent, arbitrary, or unreasonable, the court shall, within 30 days, make an order declaring the order of the state agency null and void, giving its reasons therefor, and shall order the state agency to take further action in the matter not inconsistent with the determination of the court.

Subd. 4. Hearing; reference. The matter may be heard by the district court at any general or special term thereof or out of term or in chambers; and in judicial districts having more than one judge, the senior or presiding judge shall hear the same, or if unable to do so, shall refer the matter to some other judge in the district.

Subd. 5. Appeal to supreme court. The applicant or recipient or the county agency or the state agency may appeal from the order of the district court to the supreme court in the same manner as other appeals in civil actions. No costs or disbursements shall be taxed against any party on appeals to the district court or to the supreme court.

Subd. 6. Payments made pending hearings and appeals. All grants of assistance or aid shall be paid pending the hearing and determination of appeals to the district court or supreme court when such assistance or aid is ordered paid by the state agency.

256.78 ASSISTANCE GRANTS RECONSIDERED. All assistance granted under sections 256.72 to 256.87 shall be reconsidered as frequently as may be required by the rules of the state agency. After such further investigation as the county agency may deem necessary or the state agency may require, the amount of assistance may be changed or assistance may be entirely withdrawn if the state or county agency find that the child's circumstances have altered sufficiently to warrant such action. The county agency may for cause at any time revoke, modify, or suspend any order for assistance previously made. When assistance is thus revoked, modified, or suspended the county agency shall at once report to the state agency such decision together with supporting evidence required by the rules of the state agency. All such decisions shall be subject to appeal and review by the state agency as provided in section 256.77.

[1937 c. 438 s. 10] (8688-12)

When he has resided one year in the county to which he has moved, or has been taken, the county agency of the county from which he has moved shall transfer all necessary records relating to the child to the county agency of the county to which he has moved.

[1937 c. 438 s. 11; 1945 c. 83 s. 1] (8688-13)

256.80 COUNTY BOARD TO APPROPRIATE MONEY; MANDATORY. The county board of commissioners in each county in this state shall appropriate annually such sum as may be needed to carry out the provisions of sections 256.72 to 256.87, including expenses of administration based upon a budget prepared by the county agency, after taking into account state aid, and to include in the tax levy for such county the sum or sums appropriated for that purpose. Should the sum so appropriated be expended or exhausted during the year and for the purpose for which it was appropriated additional sums shall be appropriated by the board of county commissioners.

[1937 c. 438 s. 12] (8688-14)

256.81 COUNTY AGENCY, DUTIES. (1) The county agency shall keep such records, accounts, and statistics in relation to aid to dependent children as the state agency shall prescribe.

(2) Each grant of aid to dependent children shall be paid to the recipient by the county agency except in those instances in which the county agency subject to the rules and regulations of the state agency determines that payments for care shall be made to an individual other than the parent or relative with whom the dependent child is living because such parent or relative is unable to properly manage the funds in the best interests and welfare of the child.

(3) The county shall be paid from state and federal funds available therefor the amount provided for in section 256.82.

(4) Not exceeding two-thirds of any federal funds for administration shall be used to repay the counties necessary administrative expenses pro rata in the proportion the total number of recipients in each county bears to the total number of recipients in the state for the period for which such funds were received and are available, and the balance of any such sum shall be available to the state agency to defray the necessary expenses of the state agency.

256.82 PAYMENTS BY STATE. Based upon estimates submitted by the county agency to the state agency, which shall state the estimated required expenditures for the succeeding month, upon the direction of the state agency payment shall be made monthly in advance by the state to the counties of all federal funds available for that purpose for such succeeding month, together with an amount of state funds equal to 50 percent of the difference between the total estimated cost and the federal funds so available. Adjustment of any overestimate or underestimate made by any county shall be made upon the direction of the state agency in any succeeding month.
