The terms of office of the members shall be five years; provided, however, board members shall serve until their successor is appointed and qualifies, but such successor term shall be for a period ending five years from the expiration of the previous term, so that one vacancy occurs every year. Each board member who is a dentist shall have been lawfully in active practice in this state for five years immediately preceding his appointment; and no board member shall be eligible for appointment to more than two consecutive five year terms, and members serving on the board at the time of the enactment hereof shall be eligible to reappointment provided they shall not have served more than ten consecutive years at the expiration of the term to which they are to be appointed. The governor shall appoint a successor to the member whose term expires, for a term of five years and until his successor qualifies. Each year the Minnesota state dental association, at least 90 days prior to the expiration of the term of a dentist expiring in such year, shall recommend to the governor not less than two dentists for the term qualified to serve on the board, and from the list of dentists so recommended the governor may appoint one member to the board for the term of five years, the appointment to be made within 30 days after the expiration of the term. The board may, when it deems best for the enforcement of sections 150A.01 to 150A.12 or in the conduct of its duties, employ such attorney as may be designated by the attorney general. The board shall fix and determine the compensation and period of service of such attorney who shall be paid out of the funds of the board.

Subd. 2. **Subpoenas and testimony.** In all matters pending before it, the board shall have the power to issue subpoenas and compel the attendance of witnesses and the production of all necessary papers, books and records, documentary evidence and material. Any person failing or refusing to appear or testify regarding any matter about which he may be lawfully questioned or to produce any papers, books, records, documentary evidence or materials in the matter to be heard, after having been required by order of the board or by a subpoena of the board to do so

may, upon application to any district court, be ordered to comply therewith, and upon failure to comply with the order of said court the court may compel obedience by attachment as for contempt as in the case of disobedience of a similar order or subpoena issued by said court. In any such action no temporary restraining order shall be granted. Such proceedings shall be prosecuted by the attorney general's office or person designated by the attorney general and retained by the board as provided in subdivision 1.

The board shall give the applicant such an examination as to test thoroughly his fitness for the practice of dentistry. Said examination shall include an examination of the applicant's knowledge of the laws of Minnesota relating to dentistry and the rules and regulations of the Minnesota state board of dentistry. An applicant who successfully passes the examination shall be licensed to practice dentistry and supplied with a license by the board.

- (10) Violation of, or failure to comply with, any other provisions of sections 150A.01 to 150A.12 or the rules and regulations of the board of dentistry. Suspension or revocation shall not be based upon any judgment as to therapeutic or monetary value of any individual drug prescribed or any individual treatment rendered, but only upon a repeated pattern of conduct.

Subd. 2. Procedure. Before the board shall order any such suspension or revocation it shall on its own motion cause an investigation to be made and a citation to issue under the seal of the board, signed by the secretary-treasurer, requiring the holder to show cause on a certain date why his license to practice dentistry or dental hygiene should not be suspended or revoked on the grounds specified therein.

The holder of such license shall have 20 days' notice of the hearing and be entitled to be represented by an attorney.

A stenographic record shall be kept of all such proceedings. A certified copy of the conviction of any licensee shall be conclusive evidence as to the conviction in any proceeding before the board. The action of the board in suspending or revoking a license shall be subject to a review by a writ of certiorari brought in the district court of Ramsey county. The action of the board shall stand until otherwise directed by the district court or by the supreme court upon appeal.

Subd. 3. Reinstatement. Any licensee whose license to practice dentistry or dental hygiene has been suspended or revoked may have his license reinstated or a new license issued to him, as the case may be, when in the discretion of the board such action is warranted and the board may require the licensee to pay all costs of proceedings resulting in his suspension or revocation of license and reinstatement or new license and, in addition thereto, the fee for reinstatement established by the board.

Subd. 4. Records. The secretary-treasurer of the board shall keep a record of all licenses issued, suspended, or revoked.

[1969 c 974 s 8]

150A.09 ANNUAL REGISTRATION OF LICENSE. Subdivision 1. **Annual information and procedure.** On or before the first day of January each year every licensed dentist and dental hygienist shall transmit to the secretary of the board, upon a form prescribed by the board, his signature, office address or addresses, the number of his license certificate, whether such licensee has been engaged during the preceding year in the active practice of dentistry or dental hygiene, whether within or without the state, and such other pertinent information as may be required by the board, together with the fee established by the board and, in default of providing such information or payment of such fee, the board may, upon hearing and upon 30 days' notice, suspend the license of the dentist or dental hygienist during such default, but the providing of such information as requested by the board and the payment of such fee on or before the date of hearing, with an additional sum equal to that of the renewal fee, shall excuse the default and the suspension proceeding shall thereupon terminate. The board may collect such fee by civil action. At least 30 days before January 1, the board shall cause a written notice stating the amount and due date of the fee and the information to be provided by the licensee, to be sent to every licensed dentist and dental hygienist.

Subd. 2. Five year educational requirement for dentists and dental hygienists. Five years from June 6, 1969 or upon the fifth anniversary of the issuance of his license, whichever occurs last, and each five years thereafter, each person licensed to practice dentistry or dental hygiene in this state shall provide the state board of dentistry evidence, of a nature suitable to the board, that such licensed person has attended, or participated in such amount of continuing education in dentistry as shall be required by the board; however, for dentists this requirement shall be not less than 20 hours during the preceding five years of licensure. The board may accept for compliance with this requirement any of the following which, in the opinion of the board, contributes directly to the dental education of the licensee:

- (1) Attendance at lectures, study clubs, college postgraduate courses, or scientific sessions of conventions; and
- (2) Research, graduate study, teaching, or service as a clinician; and
- (3) Any other such evidence of continuing education the board may approve.

Any licensed person who shall fail to comply with this requirement shall, at the discretion of the board, be re-examined to determine his competency to continue licensure. If, in the opinion of the board, such licensed person does not qualify for further licensed practice, the board shall suspend such license until such time as the dentist or dental hygienist shall provide acceptable evidence to the board of his competency to practice.

Subd. 3. Change of location of practice and duplicate certificates. Every licensed dentist upon changing his location of practice shall, within 10 days thereafter, furnish the secretary-treasurer of the board with his new address. Duplicate licenses or duplicate annual registration certificates may be issued by the board upon satisfactory proof being furnished to the board of the need for such duplicates and upon the payment of the fee established by the board.

[1969 c 974 s 9]

150A.10 DENTAL AUXILIARIES. Subdivision 1. **Dental hygienists.** Any licensed dentist, public institution, or school authority may use the services of a licensed dental hygienist. Such licensed dental hygienist may perform those services which are educational, diagnostic, therapeutic, or preventive in nature and are authorized by the board of dentistry. Such services shall not include the establishment of a final diagnosis or treatment plan for a dental patient. Such services shall be performed under supervision of a licensed dentist. Any licensed dentist who shall permit the performance of any dental service by a dental hygienist other than those authorized by the board of dentistry, shall be deemed to be violating the provisions of sections 150A.01 to 150A.12, and performance of such unauthorized dental service by a dental hygienist shall constitute a violation of sections 150A.01 to 150A.12.

Subd. 2. **Dental assistants.** Every licensed dentist who uses the services of any unlicensed person for the purpose of assisting him in the practice of dentistry shall be responsible for the acts of such unlicensed person while engaged in such assistance. Such dentist shall permit such unlicensed assistant to perform only those acts which he is authorized to delegate to unlicensed assistants by the board of dentistry. Such acts shall be performed under supervision of a licensed dentist. The board may permit differing levels of dental assistance based upon recognized educational standards, approved by the board, for the training of dental assistants. Any licensed dentist who shall permit such unlicensed assistant to perform any dental service other than that authorized by the board shall be deemed to be enabling an unlicensed person to practice dentistry, and commission of such an act by such unlicensed assistant shall constitute a violation of sections 150A.01 to 150A.12.

Subd. 3. **Dental technicians.** Every licensed dentist who uses the services of any unlicensed person, other than under the dentist's supervision and within such dentist's own office, for the purpose of constructing, altering, repairing or duplicating any denture, partial denture, crown, bridge, splint, orthodontic, prosthetic or other dental appliance, shall be required to furnish such unlicensed person with a written work order in such form as shall be prescribed by the rules of the board; said work order shall be made in duplicate form, a duplicate copy to be retained in a permanent file in the dentist's office for a period of two years, and the original to be retained in a permanent file for a period of two years by such unlicensed person in his place of business. Such permanent file of work orders to be kept by such dentist or by such unlicensed person shall be open to inspection at any reasonable time by the board or its duly constituted agent.

[1969 c 974 s 10]

150A.11 UNLAWFUL ACTS. Subdivision 1. **Unlawful practice.** It shall be unlawful for any person to: enable an unlicensed person to practice dentistry; or to practice or attempt to practice dentistry without a license; or to practice dentistry under the name of a corporation, company, association, or trade name, or under any name except his own proper name, which shall be the name used in his license as issued by the state board of dentistry. No corporation shall practice dentistry or engage therein, or hold itself out as being entitled to practice dentistry, or furnish dental services or dentists, or advertise under or assume the title of dentists or dental surgeons or equivalent title. No corporation shall furnish dental advice, or advertise or hold itself out with any other person or alone, that it has or owns a dental office or can furnish dental service, dentists, or dental surgeons, or solicit, through itself, or its agents, officers, employees, directors or trustees, dental patronage for any dentist or dental surgeon. The provisions of this section:

(1) Shall not apply to any licensee while acting as an instructor in or under the university of Minnesota including the Mayo graduate school of medicine, or any other school in the state recognized by the state board of dentistry;

(2) Shall not prohibit any dentist from incorporating his practice of dentistry for business purposes under the special provisions of a corporate practice act for dentistry;

(3) Shall not be construed to change or amend the right of licensed dentists to provide dental care under any form of organization that is now or hereafter lawful under the laws of this state, or to contract to sell their services in any manner that is now or hereafter lawful under the laws of this state.

Subd. 2. **Professional advertising.** Public advertising by dentists may be controlled by reasonable rules and regulations of the board. Such rules and regulations shall include permission for such things as publication of a professional card, rea-

sonable signs on or about the place of business, announcements of changes or opening of offices and telephone listings.

Subd. 3. Advertising or use of dental services and appliances. No person shall advertise in any manner that he can or will sell, supply, furnish, construct, reproduce, reline, or repair without a written work order by a licensed dentist, prosthetic dentures, bridges, plates or other appliances to be used or worn as substitutes for natural teeth, or for the regulation thereof. All such advertisements shall contain the words "A written work order from a licensed dentist is required" in at least 10-point type size. Except for advertising permitted under this subdivision, a person not licensed to practice dentistry in this state shall not sell or offer any such service or products to other than the dental profession or its ancillary trades, provided, however that the mere delivery of such products to an ultimate consumer or person acting in his behalf for the purpose of transporting such products to the licensed dentist who provided the work order shall not violate this subdivision. This subdivision shall not apply to mailings, displays, and advertisements the primary distribution of which is to the dental profession or its ancillary trades.

Subd. 4. Dividing fees. It shall be unlawful for any dentist to divide fees with or promise to pay a part of his fee to, or to pay a commission to, any dentist or other person who calls him in consultation or who sends patients to him for treatment, or operation, but nothing herein shall prevent licensed dentists from forming a bona fide partnership for the practice of dentistry, nor to the actual employment by a licensed dentist of a licensed dental hygienist or another licensed dentist.

[1969 c 974 s 11]

150A.12 VIOLATION AND DEFENSES. Every person who violates any of the provisions of sections 150A.01 to 150A.12 for which no specific penalty is provided herein, shall be guilty of a gross misdemeanor; and, upon conviction, punished by a fine of not more than \$1,000 or by imprisonment in the county jail for not more than one year or by both such fine and imprisonment. In the prosecution of any person for violation of sections 150A.01 to 150A.12, it shall not be necessary to allege or prove lack of a valid license to practice dentistry or dental hygiene but such matter shall be a matter of defense to be established by the defendant.
