If the Return Envelope is addressed to the clerk of a municipality it shall contain a notation in bold face type reading substantially as follows:

The Return Envelope shall be so made as to open on the left hand end and the certificate above set forth shall be printed on the right hand three-fourths of the back of the envelope.

The following "Directions to Voters" shall be printed and furnished to each voter at the time such ballots are mailed or delivered in person.

"DIRECTIONS TO VOTERS"

"(1) Locate a Notary Public, United States Postmaster, Assistant United States postmaster, postal supervisor, clerk in charge of contract postal station, or any officer having authority to administer an oath or take an acknowledgment or an eligible voter in your county, who has voted in the last four years.

(2) Exhibit the ballots to be voted on to such person unmarked.

(3) In his presence mark the ballots in such a manner that he cannot see your vote. If you are physically incapacitated, you may ask him to mark your ballot for you.

(4) Fold each ballot separately so that your cross marks cannot be seen without unfolding, but so that facsimile signature of officer (secretary of state, county

auditor, or municipal clerk) on back of ballot can be seen without unfolding ballot. Do not put your name, initials, or any other identifying mark on the ballots.

(5) Enclose all the ballots in the "Ballot Envelope" and seal the envelope.

(6) Sign your name on back of the "Return Envelope." The person taking your acknowledgment must sign his name as attesting witness, and, if he is an official, indicate his official title, insert proper date, and affix his official seal, or, in the case of postal authorities previously mentioned, the cancellation stamp of their respective post offices. When the person taking your acknowledgment is an eligible voter of your county he must state the fact below his signature. Insert the "Ballot Envelope" in the "Return Envelope" and seal the "Return Envelope."

(7) Deposit the "Return Envelope" in the mail in the presence of the attesting witness or have him do it for you.

(8) The ballots may be marked and mailed at any time after you receive them from the county auditor or from the municipal clerk. However, they must be marked and mailed so that they can be delivered by the post office to the judges of election at your polling place before the polls close on election day."

**207.09 APPLICATION TO BE CERTIFIED AND SEALED.** The county auditor or the municipal clerk on mailing or delivering to an applicant ballots as hereinafter specified, shall sign or cause to be signed by his deputy, and date the certificate printed on the application for ballots and shall authenticate such certificate with his official seal. All applications shall be preserved by the auditor or the municipal clerk and arranged by him according to precincts and the initial letter of the surname of the applicant. At the time the county auditor delivers the state and county ballots to the town and city clerks within his county, he shall also deliver to the respective town and city clerks the applications theretofore received by him and endorsed by him. Such town and city clerks shall in turn deliver said applications so endorsed together with the applications filed with their respective offices to the respective judges of the several precincts.

[1959 c 675 art 8 s 9; 1973 c 123 art 5 s 7; 1973 c 699 s 8]

**207.10 VOTER TO MAIL BALLOT.** Any qualified voter of any precinct of this state to whom ballots have been delivered by the county auditor or by the municipal clerk, may mark and mail the ballots so delivered to him at any place, the same to be marked and mailed in the manner specified in the directions to voters, set forth in section 207.08, and before an attesting witness belonging to one of the classes specified in the directions to voters.

[1959 c 675 art 8 s 10; 1973 c 699 s 9]

**207.101 CLERK OF MUNICIPALITY TO DELIVER BALLOTS IN CERTAIN CASES.** Any clerk of a municipality who receives "Return Envelopes" as provided for in sections 207.08 and 207.20, subdivision 1 by mail before the closing hours of the polls shall forthwith deliver them to the judges of election of the appropriate precincts in his municipality. "Return Envelopes" not delivered as provided herein shall promptly be sent to the county auditor by the clerk with a notation on the "Return Envelope" of the reason for nondelivery.

[1965 c 4 s 3]

**207.11 JUDGES TO RECEIVE AND COUNT BALLOTS.** The judges in the several precincts at any election shall receive all ballots delivered to them on election day by officers or employees of the United States post office department in due course of the business of that department or by the clerk of the municipality, and as herein provided, and deposit the same in the appropriate ballot box provided that they are satisfied that the person is a voter in such precinct and entitled to vote therein at such election; provided, further, that the conditions precedent hereinafter set forth, exist. Ballots so deposited shall be counted, canvassed and returned and shall be given the same force and effect as the votes of other duly qualified voters who vote in person.

Upon a "Return Envelope" being delivered to the judges they shall open the same in such a manner as not to cut or mutilate the contents or deface or damage the certificate or the signatures thereto on the outside thereof. They shall compare the signature of the voter on the outside of the "Return Envelope" with the signature on the "Application for Ballots" delivered to them as provided herein. If the judges or a majority of them, shall be satisfied that the signature of the voter subscribed

to the "Voter's Certificate" is the genuine signature of the person who made the "Application for Ballots," and if the signature of the voter has been properly authenticated as prescribed in the "Directions to Voters" set forth in this chapter, the judges, or one or more of them shall write the word "Received" on such "Ballot Envelope" and under such word his or their name or initials, provided that in municipalities in which registration of voters is required such ballots shall not be so marked unless the voter mailing in such ballots has been theretofore duly registered in such precinct, nor shall said ballots be so marked with the word "Received" if it appears from the registration file that such voter has already voted at such election, either in person or by mail. If the ballots are not received for the reason that the voter has failed to comply with the requirements herein set forth or has previously voted at such election, then such "Ballot Envelope" shall be marked "Rejected" and placed in the "Return Envelope" and placed with and returned to the county auditor with the unused ballots. No person who voted by mail as herein provided shall be permitted to thereafter vote in person in the same election.

If the "Ballot Envelope" is marked with the word "Received" as herein provided, the judges in charge of the register shall make an appropriate notation on the register of voters indicating that the voter has voted by mail; this shall be done by placing the letters "V.M." in the appropriate column opposite the voter's name.

The "Ballot Envelope" marked "Received" as aforesaid shall be placed by the judges in a separate absentees ballot box until after the last regular mail delivery by the United States post office department on the election day. The absentees ballot box and each "Ballot Envelope" may then be opened, ballots therein initialed, counted and tabulated by the election judges. If there be more than one ballot of any kind enclosed in said "Ballot Envelope," then and in such case neither of such ballots of such kind shall be counted but all such kinds shall be placed with the spoiled ballots and returned as is provided for by law with reference to such spoiled ballots. The judges shall write their initials on absentee ballots in the same manner as is provided by law with reference to ballots delivered by them to voters in person. No count results from any precinct shall be disclosed by any election official or other individual until all count results are available, nor shall the public media disclose any count results from any precinct before the polls are closed.

#### 207.12 CLERK TO NOTIFY POST OFFICE OF PRECINCT ADDRESSES.

It shall be the duty of the clerk of each municipality having more than two voting precincts therein to furnish to the postmaster of said municipality, at least two days before the day on which any election is held, a certified tabulated list of the polling places in each of the precincts of the municipality, describing the same by ward and precinct number and opposite each such description shall be set forth the respective location by street and number, of such polling place, this for the guidance of post office employees in delivering the "Return Envelopes" and "Official Ballot Return Envelopes" addressed in conformity with section 207.08.

duties prescribed in this chapter for the county auditor shall be performed by the city or town clerk, provided, however, that such duties may be, upon agreement, combined and performed by one of such officers. The cost of carrying out the provisions of this chapter for any such city or town election shall be paid by the city or town in which the same is held.

All county and local clerks and all election officials throughout the state are directed to cooperate to the fullest possible extent in order to effectively carry out the purpose and intent of sections 207.16 to 207.29.

[1959 c 675 art 8 s 16]

**207.17 APPLICATION OF MINNESOTA ELECTION LAW.** Except as modified by sections 207.16 to 207.29, the provisions of the Minnesota election law shall remain in full force and effect.

Subd. 2.
