Subd. 2. **Public hay tracks.** The department of public service shall designate at convenient places on the several lines of railway entering terminal points in this state, tracks to be known as public hay tracks. The different railway companies either separately or jointly are hereby required to provide suitable tracks to meet the requirements of this chapter. Such public hay tracks may be established on each individual line of railway, or they may be so established as to serve for two or more railways.

Subd. 3. **Rules; hay; straw.** The department shall adopt all necessary rules and regulations for the weighing and inspecting of hay and straw at such terminal points.

[1905 c 196 s 1, 2, 7; 1971 c 25 s 67] (5210, 5211, 5216)

**229.02 DUTIES OF DEPARTMENT; HAY; STRAW; GRADES.** Subdivision 1. **Supervision.** It shall be the duty of the department to assume and exercise a constant supervision over the hay and straw interests of this state; to supervise the handling, weighing, inspecting and storage of hay and straw; to establish all necessary rules and regulations for the weighing, grading, inspecting and reinspection of hay and straw, and for the management of all public hay tracks at terminal points in this state as far as such rules and regulations may be necessary to enforce the provisions of any law in this state in regard to the same; to investigate all complaints of fraud or oppression in the hay and straw trade, and to correct the same as far as may be in their power.

Subd. 2. **Grades established.** The department shall, before the first day of July in each year, establish a grade for all kinds of hay and straw bought, handed or delivered at any public hay yard at terminal points in this state, which grade so established shall be known as "Minnesota grades" of hay and straw, and the grades so established shall be published in some daily newspaper at each of the terminal points each day for the space of one week.

[1905 c 196 s 20, 21; 1971 c 25 s 67] (5229, 5230)

**229.03 SALE BY SAMPLE.** Nothing in this chapter shall be so construed as to prevent any person from selling hay or straw by sample, regardless of grade.

[1905 c 196 s 22] (5231)

**229.04 HAY AND STRAW; DELIVERY AT TRACKS.** All hay and straw shipped to terminal points, unless otherwise directed by the consignor, shall, by the common carrier transporting the same, be brought to and delivered at one or another of such public hay tracks, for the purpose of being weighed and inspected as in this chapter provided.

[1905 c 196 s 3] (5212)

**229.05 WEIGHING AND INSPECTION; DUTIES OF CARRIER AS TO CERTAIN CARS; PENALTY.** All hay and straw so received shall be weighed and inspected by duly appointed weighers and inspectors of hay and straw under such rules and regulations as the department shall establish.

All carriers shall return, free of switching charge for weighing empty, all cars not reconsigned that have been weighed loaded with hay or straw, to the scale on

which the same was weighed, or some other scale under the charge of the state, used for weighing hay and straw. Weight on reconsigned cars may be had by the use of the weight of the loaded car and the marked stenciled weight on the car.  
[1905 c 196 s 4; 1911 c 186 s 1; 1971 c 25 s 67] (5213)

**229.06 CARRIER TO MAINTAIN TRACK SCALES; INSPECTING SCALES.** It shall be the duty of all common carriers transporting hay to such terminal points to construct and maintain at such public hay tracks as may be established by the department, suitable track scales of such size and capacity as the department shall direct. If in its judgment it is necessary, the department may order that such track scales be housed in such a manner as to insure accuracy. All scales at such hay tracks shall be under the control of the department of public service and subject to inspection by it, exempt from the jurisdiction of sealers of weights and measures. They shall be inspected at the request of any person interested in any hay or straw to be weighed thereon. If found incorrect the cost of inspection shall be paid by the owner thereof; otherwise by the person requesting inspection. No scales found incorrect shall be used until reexamined and found correct. Nothing in this chapter shall be so construed as to prevent the use of such scales by the owner for the purpose of weighing any other commodities in carload lots.

Such weighers and inspectors shall be under the immediate supervision of the department. In case of dissatisfaction of any interested person with the official acts of any inspector, reinspection may be had upon application to the department. A final appeal from the decision of the department may be made to the board of final review, to be provided for by the department under the rules it shall establish. The decision of such board of review shall be final, provided the department may provide suitable rules for the cancelation of any certificate of inspection issued upon original inspection, reinspection or upon final review when it appears that owing to the manner in which cars of hay or straw were loaded it was impossible for the inspector to obtain a fair sample.

Each weigher and inspector of hay and straw shall take an oath of office approved by the department, and shall give a bond to the state of Minnesota in the penal sum of \$5,000 with good and sufficient sureties to be approved by the department. The bonds given by such weighers and inspectors of hay and straw shall be filed in the office of the secretary of state and suit may be brought upon any bond in any court having jurisdiction thereof for the use of the person so injured.
