- (d) state required temporary non-occupational disability insurance;
- (e) workmen's compensation;

- (ii) poses a substantial threat of personal injury or death, and
- (iii) is included within the definition of "crime" in Minnesota Statutes 1971, Section 609.02, Subdivision 1, or would be included within that definition but for the fact that the person engaging in the conduct lacked capacity to commit the crime under the laws of this state.

(b) A crime occurs whether or not any person is prosecuted or convicted but the conviction of a person whose acts give rise to the claim is conclusive evidence that a crime was committed unless an application for rehearing, appeal, or petition for certiorari is pending or a new trial or rehearing has been ordered.
