**352B.10 DISABILITY BENEFITS.** (1) Any member less than 55 years of age, who shall become disabled and physically unfit to perform his duties as a direct result of an injury, sickness, or other disability incurred in or arising out of any act of duty, which shall render him physically or mentally unable to perform his duties, shall receive disability benefits during the period of such disability. The benefits shall be paid in monthly installments equal to that portion of the average monthly salary of the beneficiary multiplied (a) by 50 percent and, (b) by an additional two percent for each year of service in excess of 20.

(2) If a member is injured under circumstances which entitle him to receive benefits under the Workmen's Compensation Law, he shall receive the same benefits as provided in clause (1), less the amount paid to him in weekly benefits under the Workmen's Compensation Law.

(3) Any member who after not less than five years of service, before reaching the age of 55, terminates his employment because of sickness or injury occurring while not on duty and not engaged in state work entitling him to membership in the association, and the termination is necessary because the member is unable to perform his duties shall be entitled to receive a disability benefit. The benefit shall be in the same amount and paid in the same manner as if the annuitant were 55 years of age at the date of his disability and the annuity were paid pursuant to section 352B.08. Should disability under this clause occur after five but in less than ten years service, the disability benefit shall be the same as though the member had at least ten years service.

(4) No member shall receive any disability benefit payment when there remains to his credit unused annual leave or sick leave or under any other circumstances, when during the period of disability there has been no impairment of his salary and should such member or former member resume a gainful occupation and his earnings are less than his salary at the date of disability or the salary currently paid for similar positions, the association shall continue the disability benefit in an amount which when added to such earnings does not exceed his salary at the date of disability or the salary currently paid for similar positions, whichever is higher, provided the disability benefit in such case does not exceed the disability benefit originally allowed.

(5) No disability benefit payment shall be made except upon adequate proof furnished to the association of the existence of such disability, and during the time when any such benefits are being paid, the association shall have the right, at reasonable times, to require the disabled former member to submit proof of the continuance of the disability claimed.

**352B.105 TERMINATION OF DISABILITY BENEFITS.** All disability benefits

payable under section 352B.10 shall terminate when the beneficiary becomes 55 years of age. **352B.11 RETIREES.** Subdivision 1. **Refundment of payments.** Should any member who does not qualify for other benefits under this chapter become separated from state service that entitled him to be a member of the association, either voluntarily or involuntarily, he shall thereupon be entitled to receive a refundment of all payments which have been made by salary deductions.

The surviving spouse and dependent child or dependent children shall be entitled to annuity as follows:

(a) To the surviving spouse, for her natural life, a monthly annuity equal to 20 percent of that portion of the average monthly salary of the member from which deductions were made for retirement. If the surviving spouse remarries, the annuity shall cease as of the date of the remarriage. The surviving spouse of a former member who, after attaining 55 years of age, elected to receive a joint and survivor annuity, shall, notwithstanding her remarriage, receive such joint and survivor annuity, for her natural life, in lieu of the annuity prescribed by this subdivision. In the event such former member did not elect to receive a joint and survivor annuity his surviving spouse shall receive the annuity provided herein.

(b) Notwithstanding the provisions of clause (a), the surviving spouse of any member who had served for 20 years or more and who was not 55 years of age at his death, shall receive the benefit equal to 20 percent of the average monthly salary as described in clause (a) until the deceased member would have reached his 55th birthday, and beginning the first of the month following that date, she shall be entitled to receive the joint and survivor annuity designated as option 1 under the administrative procedure of the association dated November 1, 1965. If the surviving spouse remarries prior to the deceased member's 55th birthday, all benefits or annuities shall cease as of the date of remarriage. The provisions of this clause shall be retroactive to July 1, 1969, but no payments shall be made until July 1, 1973.

(c) To each dependent child, a monthly annuity equal to ten percent of that portion of the average monthly salary of the former member from which deductions were made for retirement. A dependent child over the age of 18 years and under the age of 22 years also may receive the monthly benefit provided herein, if said child is continuously attending an accredited school as a full-time student during the normal school year as determined by the board of the fund. If said child does not continuously attend school but separates himself during any portion of a school year, the annuity shall cease at the end of the month of separation. In addition, the association shall make a payment of \$20 per month to be prorated equally to such children when the former member is survived by one or more dependent children. Payments for the benefit of any qualified dependent child shall be made to the surviving spouse, or if there be none, to the legal guardian of such child. The maximum monthly benefit shall not exceed \$400 for any number of children. The provisions of this clause are effective retroactively to March 1, 1967, provided that the increase in the maximum monthly benefit shall not take effect until July 1, 1973; and provided further that the increase in the maximum monthly benefit from \$200 to \$400 shall not be effective retroactively.

(d) If the member shall die under circumstances which entitle his surviving spouse and dependent children to receive benefits under the Workmen's Compensation Law, the amounts so received by them shall not be deducted from the benefits payable under this section. The provisions of this clause are effective retroactively to June 30, 1964.

(e) In the event any former member who had separated from service prior to having completed 20 years of service except former members permanently disabled in performance of duty and was not employed by the state in a capacity entitling him to accumulate allowable service credit at the time of his death, his widow and children or heirs shall be entitled to receive any funds he may have left on deposit
